

Junior Preliminary Skill Evaluation 2017/18

MUST BE COMPLETED PRIOR TO NIPPERS

Prior to commencing Nippers this season all Nippers (excluding Under 7's) must be assessed by a Life Guard or Swimming Instructor at their local pool to see if they meet the SLSA Junior Preliminary Skill Evaluation requirements (see below for specifics for each age group).

Nipper Name - _____
First name Last Name

Nipper Age Group – Under _____

How to work out your age group? - Nipper age groups are based on child's age at 1 Oct 2017. e.g. if aged 11 on 1/10/17 then they will be under 12 for Nippers.

I have watched the above child swim without stopping in the required stroke, the distance required for their age group as shown below.

They completed / did not complete (circle appropriate) this swim.

Signed - _____

Name - _____

Qualification - _____
i.e. pool lifeguard, swimming instructor, Nipper Age Manager

Swimming Pool venue – _____

Date - _____

Tick Age Group	Age Group	SLSA Junior Preliminary Skill Evaluation COMPLETE PRIOR AT POOL
	Under 8	25 metres any stroke + 1 minute survival stroke or float
	Under 9	25 metres any stroke + 1 minute survival stroke or float
	Under 10	25 metres freestyle + 1 1/2 minute survival stroke or float
	Under 11	50 metres freestyle + 2 minute survival stroke or float
	Under 12	100 metres freestyle + 2 minute survival stroke or float
	Under 13	150 metres freestyle + 3 minute survival stroke or float
	Under 14	200 metres freestyle in less than 5 minutes + 3 minutes survival stroke or float

**PLEASE bring completed form to first day of Nippers or submit via the website:
Select "Juniors"/"Nipper Preliminary Skills Evaluation" from the menu.**
