

Edition 1, 2019/20 Season

Introducing Committee of 2019/2020

President:	Warren Cook	Secretary:	Angela Malan
Treasurer:	Rob O'Neill	Club Captain:	Rhys Bartlett
Chief Instructor:	Tarryn Thom	Competition Director:	Ione McKenzie
Development:	Teagan Thom	Community Relations:	Peter Harrison

President: Warren Cook

Hi, my name is Warren Cook, newly appointed president of the Inverloch Surf Life Saving Club, and honored to be leading the board in the upcoming 2020 season. I have holidayed in Inverloch for 15 years, and the club has become a big part of my family's life.

I have been blown away by the opportunities and skill sets the club has given my kids, and the support and mateship that has been shown throughout the years by fellow club members. To be honest I am an old surfing tragic, and the club has given me the opportunity to stay in touch with young people whilst serving the community. Three seasons ago I was inspired to complete my Bronze Medallion, and since then have added to my qualifications. The beach is my passion and the love of the ocean. I look forward to the upcoming season and meeting fellow members on the beach.

Keep sand between your toesWasa

Secretary: Angela Malan

Hi, I have been a member of ISLSC for many years and was especially proud to be awarded life membership alongside my husband Chris last year. I have been involved in all areas of club life; nippers, officiating, coaching, competing and I continue to patrol and mentor a patrol.

I am passionate about all the opportunities lifesaving offers and I look forward to working with the board to grow and develop our fantastic club for all members to enjoy.

Angela

Treasurer: Rob O'Neill

Hi Folks. Most of you will know that I have been the Treasurer before and yes I'm back again for another round of fun and games.

What some of you might not know is that I was in fact a Nipper and started my Lifesaving Career in the U10's with the Anglesea S.L.S.C. and that means two things:

- 1) Apparently I have been in lifesaving longer than many of our members have been alive.
- 2) I really love what I do.

I still patrol, still go out in the IRB, although it takes a lot longer to recover these days, swim, body surf, ride boards exactly like you do though most likely at a much slower pace!

The one thing I firmly believe though is that what you get from Lifesaving in your life is well worth some of the unpleasant weather days on patrol.

So when you or your kids moan and groan about Patrols or cold days at Nippers, come see me and I'll tell them why they are one of the lucky ones!

To quote a recent Facebook Post - **"The Beach - The Only Place where salt lowers your blood pressure!"** - I couldn't agree more!!

See ya onda beach!!

Triple M (**Mr Money Man**)

Club Captain: Rhys Bartlett

Hi all, I'm definitely looking forward to the upcoming season and am super excited to be taking on the Club Captain role although a little daunting I am certain it will be yet another great season and I'm hoping that I'm able to help make everyone's lives that bit easier.

I started lifesaving with Frankston Life Saving Club after doing my Bronze through a school program in 2005. I've now been with Inverloch for 3 years and am looking forward to being down patrolling at the beach with you all over the upcoming season.

I am keen to get the ball rolling so if you would like to step up in the club and take on a new role or retain one you had last season, expressions of interest are now open for the Lifesaving Operations Committee (LSOC). If you're interested in any of the positions listed below or would like more information about a particular position please send me an email at clubcaptain@isisc.org.au. Please note that EOI's will be **closing on the 30th August**.

- **Patrol Manager** - Responsible for managing patrol rosters and ensuring that patrols run smoothly.
- **IRB Captain** - Responsible for managing all IRBs and motors.
- **First Aid Officer** - Responsible for all first aid equipment and the first aid room.
- **Gear Steward** - Responsible for ensuring all club equipment is looked after over the season and ready for our upcoming gear inspection.
- **Board and Ski Captain** - Responsible for all the clubs boards and ski's.

If you need anything else just give me a yell.

Cheers,

Rhys

Chief Instructor: Tarryn Thom

Hi everyone! I've taken on the role of Chief Instructor at Inverloch SLSC this year. I'm looking forward to my 11th season at the surf club. I'm passionate about getting lots of members involved in training at the club this year and I'm looking forward to working with the other board members this season.

Please contact me if you'd like to get involved in training this year, or have any innovative ideas you'd like to share.

Tarryn

Development: Teagan Thom

Hi All I am back on board as your membership and development director. This is my 11th season at the club and i am excited to be working with the board and our nipper coordinators to provide multiple opportunities for our members. If there is anything you want to know about development within lifesaving, whether that be at a club, state or national level please don't hesitate to contact me. If anyone has any ideas about what they want to see the club providing to keep you all engaged please also let me know. Can't wait to see you all on the beach for another exciting year!

I am also currently taking expressions of interest for the position of **Nipper Coordinator** to continue to lead our team of enthusiastic Age Managers and ensure our nipper program continues to be a fun and enjoyable experience for all. If you are interested in taking on this position please let me know by 30/08/2019 via email to development@islsc.org.au

Thanks

Teagan

Competition: Ione McKenzie

Hi ISLSC Community! For those of you I haven't met, my name is Ione (eye-oh-knee).

My family and I are relative new comers to the club, having only joined a couple of seasons ago. I have two nippers - Nelson and Fred. My husband Mark and I have both volunteered as Age Managers and enjoyed it so much that we became "big nippers" - completing adult bronze quals and joining a patrol group (Patrol 3).

This year I am supporting the ISLSC Comp Team Super Coach (David Cummings) as the Competition Director. Our aim is to provide everyone in the club (who is interested) with opportunities to train and/or compete if they want to. Naturally we want everyone to have a go, and to experience the fun of coming

together as a team and flexing your beach event muscles. Last year we had a number of nippers and seniors competing for the club at carnivals, and we would love to see these numbers grow.

If you have any interest in participating, please feel free to contact Dave, Em Harrison or myself - we would love to hear from you.

See you on the beach.

Ione

Community Relations: Peter Harrison

Hi my name is Peter Harrison and this will be my fourth year as Community Relations Director. Our family have been coming to Inverloch all my life and before. Being able to spend time on the beach, kayaking, just enjoying the time away is something I look forward to.

The Community Relations Manager is a director on the ISLSC Board and coordinates a number of areas including; the conduct of social and fundraising events, sponsorships, media relations and the club's social media. Last year we were fortunate to have a number of club members take on various roles and responsibilities within this area, and I will again be looking for support this year.

Coming up we have a number of events including the New Year's Tin Rattle, the Inverloch Jazz Festival, providing first aiders at a number of local community events (many of these events count as a special events for recognition in the club's award program), as well as a number of social functions at the clubhouse over the summer period. Looking forward to seeing you at one of these activities this year.

Peter
