MISSION STATEMENT

INVERLOCH SURF LIFE SAVING CLUB

To provide a safe beach environment for the community at the Inverloch Surf Beach through the provision of an effective volunteer patrolling service. We also strive to offer our members a supportive and team orientated club culture that encourages personal development and friendship.

In achieving our mission our goals are:

- To offer our members sporting, education, personal development, leadership, social and health opportunities
- To develop happy, healthy and responsible people within our community
- To be a water awareness and beach safety community educator

Core Values:

- Inclusive
- Team Orientated
- Healthy Lifestyle
- Encouraging
- Reliable
- Responsible

PRESIDENT'S REPORT

Season 2015-16 has once again been a very busy one around the club. It is pleasing to see members of our Life Saving community come together to support each other and continue to contribute to the success of Inverloch Surf Life Saving Club. A big thanks to all members who have contributed to this success.

Unfortunately, Mother Nature continues to ravage our much-loved beach and provide us with ongoing challenges to protect the patrol tower. Many thanks to Tony Price and Anna Kilborn who used their local contacts and knowledge to monitor the tower and provide much needed shoring up when the King tides returned. The weather overall was an improvement over the previous season and beach visitors continue to enjoy our wonderful beach. Our members are all to be commended for continuing to patrol the beach regardless of weather conditions and providing a safe aquatic environment for visitors and locals.

Our membership for season 2015-16 was 671 members with 161 of these actively patrolling the beach across 4 patrols. We are the envy of many other clubs in the state with our strong patrolling list. This is a reflection of the hard work and commitment by Tarryn Thom, Club Captain and her team of Patrol Captains and ISR members. Nippers continues to be very popular with 198 Nippers, including 22 SRC candidates. Nippers is an excellent introduction for juniors to form a love of lifesaving and the beach. The program would not be possible without Teagan Thom and her team of volunteers including parent helpers, age managers, water safety team and Kate Edney and her team of dedicated SRC trainers.

Opportunities are available in many areas for members to be involved. From Bronze camps, Nipper programs and competition, YIP's program, summer and winter (IRB) competition teams. The avenues to be involved in our club continue to grow and to have much success. Many thanks to the coaches, trainers, leaders, officials and managers who give up their time to run these and encourage others to be involved.

Our members make the most of the leadership development opportunities available at district, state and national level. It is very pleasing to see Inverloch represented at the various camps and programs and hear the positive feedback concerning our members. This encompasses candidates and leaders at District and State Development Camps and internationally Tarryn had the pleasure of mentoring the LSV Building Leaders Scholars on their trip to Sri Lanka, a huge honour and reflection of her skills and dedication.

It was very pleasing to see our old Zodiac that was donated as part of LSV's support of Sri Lanka being used to assist during the recent floods there. Recently we have also donated another IRB, the Southern Cross, rescue tubes and boards to support the work being done in Sri Lanka.

A new initiative this season was the Saturday night spit roasts in January. It was wonderful to see so many members getting together to socialise and enjoy the wonderful meal provided. Many thanks to Jake Lurati for getting this up and running and his team of volunteers; Lorraine and Ken Ritchie,

Maureen and Alan, Chris Malan, Sylvia Collett, Helen Thom and others who helped on the night. We hope to continue this next season.

Many thanks to Trevor Dando and Hilary Hughes for taking on the roles of club Member Protection Officers. An important role and one which they dedicated themselves to and made sure all patrolling members knew them and what their role entailed. They inducted 137 patrollers, 85% of total patrolling members, into the new Member Protection program. A new initiative for season 2015-16, we were the only club in Victoria to run such a program.

I am very pleased to report that the club is in a sound financial position. Many thanks to Rob O'Neill, Treasurer for the many hours he dedicates to the financial health of the club. A big thank you to Sylvia Collett and her team of volunteers for the many hours they put into running the club kiosk. Also a big thanks to Ruth Young for managing club uniform sales.

At the AGM held in August 2105 we had the pleasure of awarding Life Membership to David Schultz. A much deserved recognition of the many years he was club President and a foundation patroller in the club's early days. David continues to be Club House Manager.

Presentation Night held in July was a great success and it was wonderful to have such a great attendance to recognize and applaud member's achievements over the past year. The success of Inverloch SLSC depends on the commitment and contributions of all members. We are a strong community and everyone must play a part in contributing to our growth and success. The board of directors and their committees spend many hours ensuring our club is able to provide a safe, caring and mentoring environment for all members. I ask that all members contribute to our success by helping in some way, don't leave the load to a small group. Members are our most important asset. Whatever contribution you can make to our club is valued and we thank you for it.

Thank you to our sponsors. Without their generous support we would not be able to provide a vital service to the community. Many thanks to RACV Resort Inverloch, Bendigo Bank Inverloch and L J Hooker. Thanks also to our supporters, Rinnai Australia, The Tint Professor and The One Stop Shop Australia, Kane Worthy Constructions, Bass Coast Security and ECube Australia. Also to the many local businesses that support the Nipper program throughout the January period.

On a personal note I would like to thank the Board of Directors and the members of their sub-committees for all their hard work and support throughout the year. Their commitment and dedication ensures the smooth running of our club and is admirable and highly valued.

On behalf of the Board I commend to you this annual report. Please enjoy the reports from the various Directors and their committees. We look forward to season 2016-17 with anticipation.

See you on the beach.

MEMBERSHIP REPORT

Total club membership for this season was 671, 1% down on last season. New membership increased by 5% distributed across all member categories. Given the increase in new members, retention especially of active patrolling members where a reduction of 6% (11% over the last 2 years) and a reduction in proficiencies was observed, is something the board should focus on in the future.

Nipper numbers were maintained this season. SRC awards were down which was anticipated as last season was a record year. Total new awards increased significantly (10%) with a pleasing increase in members aspiring to new awards (18%). Bronze awards bounced back (34% increase) as a result of the training team running two camps, a great effort.

Overall gender balance of the club was maintained at 53% female/47% male this season. There was a significant shift in gender balance in Active members in age group over 15 with an increase of 5% in female and a reduction of 5% in male (10% swing) participation. Some focus on male participation in these age groups is required. Female representation on the Board increased this season with 5 female board members (63%).

Local membership (Inverloch & surrounds) currently represents 21% of total membership. Local membership has declined by 9% over the last 4 years. We will continue to promote Nipper opportunities at local schools and we are hoping an increase in social opportunities as a result of the liquor licence will encourage greater local participation.

Eagles Patrol Day

CLUB CAPTAIN'S REPORT

Thanks

Thanks to everyone who gave up their weekends to patrol this season and helped out at special event and fundraising days throughout the season. Your efforts are greatly appreciated and help to keep our club strong. I hope to see everyone back next season.

Patrol Roster

We had four patrols for Season 2015/2016. There were about 40 members rostered to each patrol which ensured we had good numbers on each patrol.

LSOC

Thanks to all the individuals who nominated to be part of the Lifesaving Operations Committee (LSOC). They did a fantastic job in ensuring that we had all the appropriate gear throughout the year and I thank them for the work they have done behind the scenes to ensure we can put patrols on the beach.

The LSOC committee this season was as follows:

- Club Captain – Tarryn Thom
- IRB Captain – Max Rounds
- First Aid Officers – Brendan Densem and Rachel Fraser
- Junior Club Captains – Olivia Hughes and Kat Ellis
- Board + Ski Captain – Henry Rushford
- Gear Steward – Nat Jowett
- Patrol Captains – Henry Rushford, Jordan Tomas, Rachel Fraser, and Kate Edney

Most Outstanding SRC – Reid Jones

Reid was our inaugural winner of the Most Outstanding SRC award. Reid had a great season, completing 100% of his rostered patrol hours. He also assisted at Nippers and numerous other club events including completing special event and fundraising days. Reid was always ready to lend a hand when help was needed around the club. His enthusiasm did not go unnoticed and he was a valuable member of his patrol. Reid also went on to achieve his Bronze YIPs award during the season. Congratulations on a fantastic season Reid.

Most Improved – Cam Allum

Cam was the recipient of the most improved award this season. This award goes to an individual who has shown enthusiasm and commitment to further themselves in lifesaving. Cam was a patrol vice-captain this year and did an outstanding job. He was also heavily involved in all three Bronze Camps

held at Inverloch SLSC and assisted with the Nippers program. During the peak season, Cam was always willing to help out other patrols and spent countless nights as a supervisor at the clubhouse, enabling our underage members to stay. Congratulations Cam for all your hard work throughout the season.

Most Outstanding SRC: Reid Jones

Rookie of the Year: David Morris

Most Improved: Cam Allum

Patroller of the Year: Rachel Fraser

Rookie of the Year – David Morris

This year's recipient of the Rookie of the Year Award was David Morris. David had a fantastic season, completing 92% of his rostered patrol hours as well as helping out other patrols. David has been actively involved in helping with Nippers and assisted at multiple special event and fundraising days throughout the season. David has been a valued member of patrol and have demonstrated great enthusiasm and commitment across the season. He also obtained additional qualifications including Advanced Resuscitation Techniques Certificate and IRB Crew award. David is a deserving winner of the Rookie of the Year award.

Patroller of the Year – Rachel Fraser

This season Rachel Fraser was awarded Patroller of the Year. The patroller of the year is awarded to an individual who has made outstanding efforts on patrol and in their contributions to the club. This award is not just based on patrolling duties but also their personal development and enthusiasm and passion for lifesaving. Rachel has demonstrated these attributes throughout the season. Rachel was one of our Patrol Captains and a First Aid Officer this season and did a fantastic job. She was involved in training Bronze, ARTC and IRB crew awards throughout the season and took on the role of IRB Competition Team Coach during the season. She also assisted other patrols when help was needed and assisted with providing water safety for the Nippers program. Her enthusiasm and passion for lifesaving is great to see and we look forward to seeing her involvement in lifesaving in the future. Congratulations Rachel on a fantastic season.

Ansell and Bolton Most Outstanding Active Award – Teagan Thom

Teagan has been a member since 2010 and has made a significant contribution to the club in many areas. As an active member she has patrolled for 7 seasons with a total of 333 hours, an average of 47.5 hours a season, including 46 hours this year. Teagan demonstrated her leadership potential early and stepped up to be patrol vice-captain and the patrol captain for 2 years before moving into a patrol mentor position pursuing her passion to develop junior members. In her role as a board member she has encouraged and inspired many nippers, SRC's and YIPs. Teagan is at all times warm, approachable and passionate about inspiring others to have a love of lifesaving. Congratulations Teagan.

L-R Tarryn & Teagan Thom

Patrol of the Year

For the first time there was a tie for Patrol of the year. Congratulations to Patrol 1 lead by Kate Edney & Patrol 4 lead by Jordy Tomas.

Patroller of the Month

Each month throughout the patrol season we award the Patroller of the Month award to a patrolling member who did a fantastic job and put in additional time and effort.

Recipients for each month were:

- December: Rachel Fraser
- January: Oscar Price
- February: Sam Wakelam
- March: Nathan Mansfield

To the Future

We have had a great year this season, gaining many new patrolling members. This season we have had a lot of younger members step up into leadership positions. I hope to continue to see our younger patrolling members step up into leadership positions next season with the support of experienced mentors to provide guidance to them. This will help ensure we continue to provide the best possible patrolling service to members to beach users at Inverloch Surf Beach.

CHIEF INSTRUCTOR'S REPORT

The 2015-2016 season has been a very busy and successful season for training and assessment. We had an amazing response to training opportunities across all bronze camps, skills qualification training, and a variety of training opportunities within surf life-saving.

We put through an amazing number of new qualifications, including holding back to back bronze camps in December, the now annual Kew High School Bronze camp, the surf rescue certificate program and a range of training sessions throughout the season.

The long term future goal for training and assessment at Inverloch SLSC is to have enough trainers and assessors so that we can easily and sustainably run all of the training courses available through Life Saving Victoria. This strategy involves upskilling as many trainers and assessors as possible. Ideally we would like to see a new trainer in each qualification come through each season. This season we gained multiple new Bronze Medallion, ARTC and Certificate VI in Training and Assessment trainers and assessors. These steps towards our training goals line Inverloch SLSC up for ongoing success within training and giving even more opportunities for everyone to become involved with training and assessing at Inverloch SLSC.

BRONZE MEDALLIONS

This season we were able to run three fabulously successful bronze camps.

The Kew High School Bronze Camp was first off, continuing their ongoing connection with Inverloch SLSC this was their fourth camp with 18 candidates gaining their Bronze Medallions. The new Kew High School Rookies had two pre camp lessons run by Jess Major where they reviewed key aspects of the Bronze Medallion prior to beginning their weeks training at Inverloch. Thank you to new trainers and past Kew High School student's Angus Oakley and Jono Li for assisting with training throughout the week. A big thank you to Cameron Allum, Jess Major, Oliver Collett, Jono Li and Angus Oakley for running this Camp. We look forward to continuing our relationship with Kew High School into the future.

This season Inverloch had an outstanding number of Bronze candidates interested in the annual Inverloch Bronze Camp. With so many candidates we ran two back to back weeks of Bronze Camp. This was a massive effort and I would like to thank everyone who was involved in the preparation, planning and execution of the two camps. A huge thank you goes out to Lorraine Ritchie who flawlessly delivered another week of her famous Bronze Camp catering and to Silvia who assisted her throughout the week. Thank you to Fiona Hughes, Hilary Hughes, Tarryn Thom, Jake Lurati and the many other people who were involved in getting these camps off the ground.

Camp leaders Lindsey Ritchie, Cameron Allum, Rachel Fraser, Kat Morris, Sophie Malan, Maddie Pratt, Oscar Price, Olivia Hughes, Ollie Collett, Kat Ellis, Em Monacella, Jasmine Cook, Alex Rusjan, Maddie Marquat, and Mietta Synan who all did a fantastic job, encouraging, inspiring and motivating candidates throughout the week.

CHIEF INSTRUCTORS AWARD

This seasons Chief Instructors award was awarded to Katrina Morris for her outstanding efforts at Bronze Camp and throughout the season.

As a new Bronze Camp leader and trainer Kat stepped up, assisting in the running and planning of Camp. Kat used her initiative to complete camp running tasks whilst going out of her way to ensure that all the candidates were included and having a fun time at camp. As well as Bronze Camp, Kat Morris along with Rachel Fraser organised, planned and trained the Advanced Resuscitation Training Certificate and took on a key role in the IRB Training this season. Kat furthered her skills through gaining her TOC in the Bronze Medallion and ARTC as well as taking key steps towards gaining her IRB TOC. Kat's actions throughout the season, at camp, at IRB and ARTC training made her an asset to the training family. We would like to congratulate Kat on achieving the Chief Instructors Award and thank her for her efforts throughout the season!

OTHER TRAINING COURSES

With 23 candidates attending the Inverloch SLSC ARTC Course, we gained 22 active members who now hold their ARTC Qualifications. This was an action packed day, led by Kat Morris, Rachel Fraser and myself.

Throughout the season we ran multiple weekends of IRB training and gained multiple new IRB Crew and drivers. Thank you to Nathan Mansfield, Rachel Fraser, Kat Morris, Cameron Allum, Jake Lurati and many other patrol drivers for assisting with the training of our new crew and drivers.

As we come to the end of another season, and as my first season as Chief Instructor I would like to use this platform to thank everyone who assisted in such a successful training season. Without the support, volunteers and enthusiasm of our members we would not be able to run so many training opportunities. Thank you to all who supported training and assessing throughout the season.

The Nipper Team

Getting Ready for Nipper Action

MEMBERSHIP AND LEADERSHIP DEVELOPMENT REPORT

The season of 2015-16 saw us with close to 180 nippers take to the Inverloch surf beach for our annual nipper program. It was great to see so many new, as well as returning families. With blue skies overhead and thankfully plenty of beach, our nippers set about learning new surf skills & beach awareness. Nearly 80% of our nippers went on to complete their s-badge, which is their competition skills requirement, allowing them to compete in the Venus Bay vs. Inverloch Carnival.

It was pleasing to see so many of our nippers head to Venus Bay to contest the Inlet cup. Despite the tough water conditions and the later date, the nippers all competed well, but unfortunately Venus Bay were able to take the Inlet Shield (Bill & Gwen Bowers Perpetual Shield) from us for the first time. We were extremely lucky this year with amazing weather in the first week, but unfortunately it didn't last for us, but thanks to our fantastic age managers, parent helpers and water safety we were able to provide a fun, productive and educational program.

The annual Inverloch Nippers Championship day once again gave all our nippers the experience of competing against their fellow nippers and putting into practice all that they had learnt over the program. Even more exciting for the nippers was seeing their water safety, parents & siblings show us their beach skills when battling for flags. We finished off the day with our usual nipper BBQ and the very popular cupcakes. Presentations were made to our age group champions & nippers of the year. Results for the Nipper Champs as per below:

Under 8	Jade Hilford	Oliver Hore
Under 9	Chloe Harris	William Robinson
Under 10	Maya Hilford	Xavier Bolge
Under 11	Alice Brown	Iggy Taylor
Under 12	Annie Opie	Jak Spinks
Under 13	Ashley Ward	Thomas Bowman
Under 14	Sophia Hughes	Sasha Halabi

Huge congratulations to Ashley Ward and Corey Patterson on being this years' Female and Male Nipper of the year.

Of course none of this could have been possible without my huge support crew.

I would just like to say a very special thank you to Fiona Hughes, who did an amazing job coordinating our water safety, as well as all the water safety who gave up their time to help the nippers in the water. This year we had an amazing 86 water personal over the two weeks, which is fantastic numbers. To all the age managers who did an amazing job, to our 2 BBQ coordinators Janine and Rosemary and to Leanna for all the cupcakes.

I must also thank Yvonne McMahon who took and compiled the beautiful photographs of the nippers with all proceeds going to the nipper program.

Ashley Ward: Female Nipper of the Year with Teagan Thom

Also a huge thank you to all the parent helpers who helped out where required whether it was in the water, carrying the towel bags or turning sausages on the BBQ, every bit helps.

An important club award is the "Linda Sheehan Memorial Nipper Helper of the Year". This award was created in memory of Linda Sheehan who made a significant contribution to the Nipper program over many years and who recently passed away. This year the award was presented to Fiona Hughes, who has contributed significant time and energy to the success of the Nipper program. Congratulations and thank you Fiona.

This year the SRC award was again run in conjunction with the nipper program. This proved to be very popular with an amazing 20 of our nippers completing their SRC award and joining our weekend patrols. This is a huge achievement for them and well done to all. Kate Edney and her team of dedicated helpers did an amazing job putting them all through the theory and skills to achieve their awards.

Our junior club captains, Kat Ellis and Olivia Hughes did an exceptional effort organising our rookie day for our new Bronze members. This gave our new rookies from across the 3 camps a chance to meet and have a chat about their experiences on camp and have a taste of our three competition streams. Thanks to our surf boat girls, Summer competition team and IRB competition team who all helped out with the day and gave our newest members a taste of what they can get involved in at the club. The SRC trivia night was also a huge hit thanks to Kat and Olivia, and with a fantastic turn out great fun was had by all in attendance.

Once again Inverloch had a huge presence at the state run development camps. In March five of our young future leaders, Liam O'Brien, Angus McGillivray, Sophia Hughes, Brilee Harrison and Lucy Tate attended the LSV U15 Leadership Development Camp held at Stringybark Lodge in Gembrook. They were faced with a weekend of fun, development of leadership skills and new friendships.

Over the weekend, the camp worked to enhance leadership and development skills amongst our young leaders, both physically and socially. With the help of camp leaders, our young leaders were faced with individual and team based challenges including initiatives, raft building, orienteering and problem solving. On the Saturday night they participated in a where to from here session with their facilitators and also a discussion over what they had covered so far on the weekend, before they were treated to a night of fun and trivia.

Well done to Liam, Angus, Sophia, Brilee and Lucy who all represented Inverloch well and I'm sure if you see them on the beach they will tell you how much fun they had.

The following month we had Jess Norton, one of our nippers, attend the LSV U13 Lifesaving and Development camp held at Wombat Corner in Emerald. Jess was given the chance to meet lifesavers from across Victoria and participate in a range of different activities to help build leadership and team work skills. She also had a fantastic trip on Puffing Billy. Well done Jess on representing Inverloch.

YIPs this year saw quite a few of our members gaining awards. This year we once again had our YIPS mentors on patrol to assist with signing off books. I do need to say a huge thank you to our YIPs mentors this year:

Patrol 1: Kate Edney & Xavier Hughes

Patrol 2: Kat Morris

Patrol 3: Lindsey Ritchie & Teagan Thom

Patrol 4: Sophie and Angela Malan

Big congratulations to this year's award recipients:

Silver Award: David Morris

Bronze Award: Kirsten Thomas, Reid Jones, Saskia Mulder

All our recipients have gained points through patrolling, assisting with water safety at nippers, attending state development camps, fundraising and assisting around with club with various things.

Many thanks to the board for their support over the past year, the Nipper Committee for their hard work, nippers and their families and all our helpers of their ongoing enthusiasm. It has been a pleasure working with you all.

COMPETITION REPORT

This was my first season as the director of competition and it was certainly challenging at times with my main aim in continuing to implement the developments made during the last season. It was lovely to see the teams embrace the new team structures and create such a positive atmosphere around competition. I would like to complement the leadership of each competition team for their hard work over the season:

Winter (IRB) Competition Team Leadership:

Zoe Younger (Manager)

Rachel Fraser (Coach)

Jordan Tomas (Gear Steward)

Summer Competition Team Leadership:

Tom Malan (Manager)

Tom McMorrow (Coach)

Henry Rushford (Gear Steward)

This season Inverloch did not have a team compete in the surfboat area of competition, however we are hopeful that we will again. The Masters surfboat team took this season off but have considered resuming racing in the coming seasons.

We would like to commend the open female surfboat team who were determined to compete despite being unable to find a person willing to train with them as a sweep. Unable to compete for Inverloch, the girls decided to move to Anglesea in order to train and develop with the hope of moving back to compete for Inverloch and pass on their new skills.

Inverloch is growing and developing through competition and we hope that this area continues on its upward trend and that more members get involved.

Bigger and better things are to come.

This season, although short lived due to member's travel and other commitments, showed an uplift in team moral and fun. Disappointments of not being able to compete in 3 carnivals were due to unsafe conditions and the distance to Portland. This meant that we were only able to compete at carnivals at 13th Beach and Lorne. The good racing displayed at these carnivals demonstrated the competitive level of our opponents however, that did not stop the continued positive attitudes and high standard of racing from the Inverloch IRB racing team

A huge improvement from all members was seen from initial training sessions to our last carnival.

This season did bring up some issues to do with officials for our team, communication between the club and the team and the change of rules this year.

I would like to thank all team members for making each carnival extremely positive and enjoyable. All competitors showed excellent skills during the season and all teams reaching finals at some point in the season.

I'd like to also thank Michael Morris, Rob O'Neill, Lindsey Ritchie and Jake Lurati for your help over the season.

Senior Summer Competition Team Report

The 2015/16 season was again another successful one for our team, achieving many great results on the beach and in the water. We also continued to develop our team culture and morale.

Throughout the Summer of Surf Series the team won a number of pennants. The most pleasing thing to see though wasn't the number of pennants we won, it was the number of new competitors that attended carnivals throughout the season. It was great to see many new Bronzies and seasoned club members having a crack at competing. Hopefully we will have many new members joining the team in future years.

We took our youngest ever team to State titles this season, with the team giving their all on the beach and in the water over the weekend. The weekend was highlighted by medals to Jess Cox and Nick Leman in the 2km run and Bundy finishing 8th in the Open Iron man, a personal best for Tom and the best result ever by a competition team member.

This season there was just one competitor who headed up to the Sunshine Coast to compete at Aussies. Koda Blizzard worked extremely hard throughout the season, training regularly with specialist coach Hayley Atkins. The work Koda put in prior put him on the path to achieve some personal bests at Aussies. Koda came away with a Bronze Medal in the U14 beach sprint and an 8th placing in the U14 beach flags, well done Koda.

A special thanks goes out to Bundy and Henry for helping me throughout the busy season. Bundy was extraordinary throughout the season helping me organise the team for carnivals and coaching the team at training and Henry made sure that all of our gear was in tip top shape for carnivals.

Similarly, I would like to thank our Volunteers for the Season. Our officials were amazing. Without them we wouldn't have been able to compete. Rob, Tony and Angela thank you so much for giving up your weekends to help the team, we are very thankful. Also, to our boat crews, Zoe, Sophie and Fozzy and Tony Turner for helping with logistics throughout the season, your help is very much appreciated by the team.

I would like to congratulate the award winners for season 2015/16. They have all put in the hours of hard work and effort to bring the best out of themselves. Congratulations:

COMMUNITY RELATIONS

Our major Platinum sponsors RACV Inverloch Resort, Bendigo Community Bank Inverloch and LJ Hooker Inverloch have continued to support the Club this year which we greatly appreciate. Sponsorships/Donations of any size are genuinely welcome and we thank the ongoing support that we receive from various businesses within the Inverloch community. The Nippers BBQ receives support from Paul the Pieman (bread), Inverloch Quality Meats, Inverloch Gas (gas refills), Esplanade Hotel (ice) and Greens Foods (cupcake mixes) and individual Nipper families who sponsor our Nipper Water Safety with a sausage and drink for the day.

New Sponsorship.

Worthy Constructions- Kane at Worthy Constructions has put in a huge amount of physical labour and financially aid in the construction and maintenance of our new tower.

Bass Coast Security – Bass Coast security have made a generous financial contribution to our security system

Health& - Contributed to our nipper BBQ improving our profits.

Fundraising continued through various forms including the New Year's Tin rattle, Local Farmer's markets, Nipper BBQ, Jazz Parade and Foodworks loyalty program. The Competition team members and patrolling members tin rattled at a Fitzroy intersection on several weekends to fund their costs. A sincere thank you to all members who participated in these events.

If you know someone within a business that you think may be able to assist us with any product or service, then please let us know.

Club Events

This Year we ran our first Spit Roast dinners. These dinners were designed to give members of the club a chance to mingle with each other in a more social setting. A big thanks goes out to Lorraine and Ken Ritchie, Sylvia Collet, Sally Mildenhall, Alan Bolton and Maureen Ansell for their help.

Media

Thanks to Lucy McDonald for her work as our media officer this season.

Grants

Grants are very competitive and highly oversubscribed as organisations realise their worth. This year we have been successful in receiving a Vic Health grant \$10,000 that purchased new Helmets, Life

Jackets, Nipper Boards and Swimming Buoys. We were also very successful in the VESEP grant enabling us to build on our gear and purchase 2X ATV's, 2X IRB's and 2x IRB motors

FINANCIALS

Last year I finished the report with the following lines:

What would I like to write at the end of next season's report???

We had a great year. Everyone stood up, raised their hand, took on a job, put in and made the season a huge success. We raised a small fortune, got lots of new toys, new Patrol gear and have plenty of \$\$\$ in reserve!!

Financially – we did have another successful season and the club remains in a strong position in terms of profitability and our cash backing. Unfortunately, this was once again due to the dedication and persistence of the usual group of hardworking members who carry the club on their shoulders whilst the majority simply enjoy themselves and the benefits that our facilities afford. Sad but true not only of our club but of most clubs around the nation.....

It would be so much easier for all concerned if a few more people put their hand up instead of out!!

Highlights:

Once again the financial side of the club sailed steadily for the year. Smoke and mirrors (Accounting entries) aside we showed another solid result with a surplus (profit) of nearly \$80K for the 2015-2016 year.

We purchased \$75k of new assets and still have another \$25K on order to be delivered before the new season commences. A successful bid again for the VESEP Grant allowed us to turnover both ATV's for less than \$2000. Not bad when you get \$40K of machinery for less than the cost of an IRB motor.

Perfect Patrol Inspection scores gave us a windfall in the shape of a brand new Thundercat IRB valued at \$14K. If ever we needed a reason to be good at what we do, here's a bonus that cannot be ignored.

Thank you to Jordy and his Patrol.....

The ever resilient Sylvia Collett smashed out a solid January in the Kiosk and yielded a \$15K profit. Had she got more volunteers to assist who knows where this figure may have ended up for the season. Nippers had another great summer with sausages, drinks and cupcakes adding \$6K to their kitty.

All this means that our bank accounts remain healthy with some \$170K of cash on hand underpinning the stability of the club.

Lowlights:

Fund raising from Competition Teams and the Club as a whole for that matter was well down compared to the previous year. Yep – we all hate doing it but when a couple of days can underpin a whole season is it really that bad??

Repairs and Maintenance bills were high again this season. Most we could say occurred simply by people being careless. Accidents do happen and things do break but being lazy and careless is an unnecessary cost that takes away from other things that we might have had instead.

The Tower:

This has been an epic battle between us and Mother Nature and at present she's winning.

Every time she takes more of the beach away we find new ways to reclaim and save our most valuable piece of Lifesaving equipment. This tower is the command centre for Patrols, a sanctuary on cold days and the best vantage point on the coast when summer puts her finest on display

But this battle like all the others comes at a cost. Every bobcat that moves a grain of sand, every truck that dumps a load of road base on the track and every sand bag keeping the tide from undermining the foundations – these all add up!! Without people like Dave Rounds, Tony Price and Anna Kilborn working behind the scenes and after hours we may not have had a tower where it is today.....and there is more pain to come!!

As Mother nature reclaims the dunes into her watery grave we see years of progress uncovered and destroyed. The electricity and phone services will need to be relocated in the near future. Maybe solar can be used to power the tower and mobiles instead of landlines??? How are we going to pay for all this???

Stay tuned.....

Liquor License:

Some people have said that a Liquor License for a Lifesaving Club isn't necessarily a good thing and in some aspects they may have a point. But as a long standing member in Lifesaving I have seen more than my fair share of clubs around the country and those who have and use their Liquor License wisely – well, that is a good thing.

Whilst it is not the be all and end all for the club it will go a long way to keeping our heads above water and allow us to look at and plan the long term future of our club. My longevity in Lifesaving has afforded me the experience of seeing the results and benefits that come from a well-managed opportunity such as this.

So - it'll be good to see everyone on the deck this summer, having a cold one with their fellow members, talking of days gone by and days yet to come.....

See you on the beach!!

INVERLOCH SURF LIFESAVING CLUB

Independent Auditor Report

We have audited the accompanying financial report, being a special purpose financial report, of INVERLOCH SURF LIFESAVING CLUB which comprises the Income and Expenditure Statement, Balance Sheet, notes comprising a summary of significant accounting policies and other explanatory notes for the financial year ended 31 May 2016.

Committee's Responsibility for the Financial Report

The committee of INVERLOCH SURF LIFESAVING CLUB is responsible for the preparation and fair presentation of the financial report, and have determined that the basis of preparation described in Note 1 is appropriate to meet the requirements of the Associations Incorporation Act of Victoria 2012 and is appropriate to meet the needs of the members. The committee's responsibilities also includes such internal control as the committee determine is necessary to enable the preparation and fair presentation of a financial report that is free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on the financial report based on our audit. We have conducted our audit in accordance with Australian Auditing Standards. Those Standards require that we comply with relevant ethical requirements relating to audit engagements and plan and perform the audit to obtain reasonable assurance whether the financial report is free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial report. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial report, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the association's preparation and fair presentation of the financial report in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the association's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by the committee, as well as evaluating the overall presentation of the financial report.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial report presents fairly, in all material respects, the financial position of INVERLOCH SURF LIFESAVING CLUB as at 31 May 2016 and its financial performance for the year then ended in accordance with the accounting policies described in Note 1 to the financial statements, and the requirements of the Associations Incorporation Act of Victoria 2012.

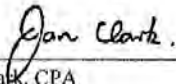

INVERLOCH SURF LIFESAVING CLUB

Independent Auditor Report

**Basis of Accounting and Restriction
on Distribution**

Without modifying our opinion, we draw attention to Note 1 to the financial statements, which describes the basis of accounting. The financial report has been prepared to assist INVERLOCH SURF LIFESAVING CLUB to meet the requirements of the Associations Incorporation Act of Victoria 2012. As a result, the financial report may not be suitable for another purpose.
