MISSION STATEMENT

INVERLOCH SURF LIFE SAVING CLUB

To provide a safe beach environment for the community at the Inverloch Surf Beach through the provision of an effective volunteer patrolling service. We also strive to offer our members a supportive and team orientated club culture that encourages personal development and friendship.

In achieving our mission our goals are:

- To offer our members sporting, education, personal development, leadership, social and health opportunities
- To develop happy, healthy and responsible people within our community
- To be a water awareness and beach safety community educator

Core Values:

- Inclusive
- Team Orientated
- Healthy Lifestyle
- Encouraging
- Reliable
- Responsible

PRESIDENT'S REPORT

Well done on another amazing Inverloch Lifesaving season filled with safe beaches and fun along the way

Without the distraction of the tower threat this year, it was easier to concentrate our mission:

“To provide a safe beach environment for the community at the Inverloch Surf Beach through the provision of an effective volunteer patrolling service.”

We also strive to:

“Offer our members a supportive and team orientated club culture that encourages personal development and friendship.”

Our patrolling this year was challenged with some major rescues outside of the flagged area. Thankfully, largely due to our well-trained lifesavers we had positive outcomes. We should spare a thought for our neighbouring clubs who faced some very difficult circumstances over the season. It is a timely reminder after the tragedies that occurred so close to our shores that we are serving our community by offering patrolled beaches and it can make a real difference to lives.

Our amazing patrol captain Rachel Fraser deserves a huge pat on the back for the hours and dedication it takes to put our patrols on the beach throughout the season. From our hardworking patrol captains, ISR members, bronze medallion holders to the new surf rescue members that gained their qualifications this season I would personally like to thank every member for their time, effort and friendship. Without every one of you and the time you volunteered, none of this would have been possible and our beach would not have been patrolled so well.

Our new chief instructor took on the role and stepped up with highly successful Bronze camps along with a host of other opportunities she facilitated to provide to our members to further their qualifications by gaining other awards. The leaders and trainers under Katrina Morris' guidance did an amazing job and the club would be lost without these young people stepping up and taking on these roles, particularly our Trainers. The opportunities for further awards throughout the season takes a lot of background organising and paper work, being new to the role, we could not have asked for more from Katrina.

The food trucks and social events held over the warmer months gave plenty of opportunities to reconnect and form new friendships. It is always heartening to hear people enjoying themselves around the club, big and small kids alike from downstairs in the garage to the deck upstairs in the sun. In coming seasons, we can only add to these enjoyable social occasions as we fine tune and explore new ways to create a club with a welcoming vibe. Thank you to the

bar staff led by Maureen and Allan who helped on many of these nights and to Claudia and her team for their many hours in the kiosk which was a hub of activity on fine days.

It is easy to say we had another successful nipper program as it ran so smoothly, but Lucy Chambers and Peter Creswell led a large team of people incredibly well. Everyone who helped contribute to the well-oiled program that grows each season from strength to strength deserve a thank you. For anyone who ordered the photos from our long-standing resident nipper photographer (Thank you Mum) you only have to look on the faces of nippers, water safety and age managers to see the joy the program brings year after year. I hope that with all the positive experiences that occur during their summers at Inverloch surf beach we have our future lifesavers well taken care of.

Lastly, thank you to fellow board members who have met regularly throughout the season and contributed to the success of the club. Personally, I am very thankful to an old (not in age but years of membership) friend Kirsty Evans who stepped into the role of secretary after Geoff Allum had to move to Horsham for work and could no longer continue in the role. Kirsty has offered so much and having been a member for many years brought a lot of background knowledge that is always valuable.

Thanks also to Trevor Dando who moved from the role as secretary on the Club Board to Treasurer for the first time this season. Trevor replaced Rob O'Neill who retired from the committee at the changeover of the 2017-18 season. Rob did a magnificent job as treasure for several years. Retirement from the Board has seen Rob on the beach continuing to Patrol and mentor our beach teams. Thanks Rob, your efforts are so very much appreciated.

Finally, thank you to Peter Harrison (Media and Community Liaison) for organising our clubs involvement and support of local events. Peter is always about doing the things that most people do not see including checking and securing the clubhouse at night, and basically just being the person to call if you need a hand.

No matter how big or small the tasks are they all make a difference and are valued by Inverloch Surf Life Saving Club. We simply could not achieve our objective if we did not have the help and support of so many. So, I challenge all members to keep up the good work.

Keep on Swimming

Fiona McMahon-Hughes

President

THE PATROL TOWER

Media Release – 8 July 2018

Inverloch Surf Life Saving Club

Quick response to storm surge saves Inverloch Surf Life Saving Club Observation Tower

On Sunday 8 July a combination of high tides and ocean swell, commonly known as a storm surge, have again caused extensive erosion along the main Inverloch Surf Beach resulting in the Inverloch Surf Life Saving Club observation tower being at risk of succumbing to mother nature again.

After similar storm surges in 2016 the observation tower was moved to its current location in 2016. Fortunately, the decision by the lifesaving club was made at the time to mount the tower in its new location on metal skids in case the necessity arose to move the tower occurred again. Club President Fiona Hughes – McMahon said, “Unfortunately we had to move the observation tower away from the erosion caused on the beach and the process was very quick with design of the skids.”

With the assistance of Bass Coast Shire Council, the club was able to efficiently move the tower back from the eroded beach edge, which was approximately three metres high. Discussions will occur with Council during the week with regards to the long-term solution to repairs to the access track and the location of the patrol tower for the 2019 summer patrolling season.

The Inverloch Surf Life Saving Club is most grateful to the many local-residents who contacted the club to advise of the situation and to the Bass Coast Shire Council who provided resources to facilitate the move.

Due to the high drop from the access path to the main surf beach, the main access path to the beach from the Inverloch Surf Beach Carpark has been closed. The club is always concerned about beach safety and Mrs McMahon-Hughes, “encouraged beach goers to be mindful of access to the beach on all the pathways, debris along the foreshore and in the water and the unstable sand dunes due to the erosion that has occurred as a result of the storm surge.”

The location of tower will be finalised closer to season commencement when there is a better idea of sand movement. Council continues to liaise with the President in the interim.

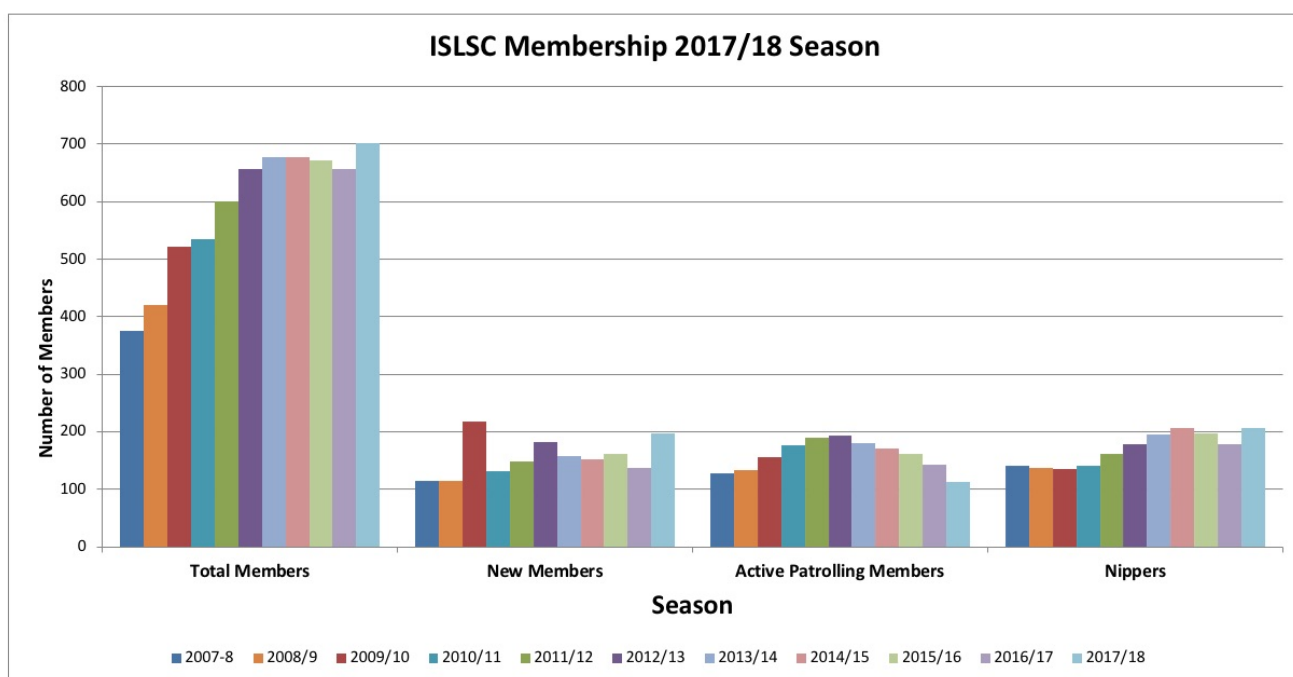

MEMBERSHIP REPORT

Club membership hit record 702 members this season, up 7%. New membership increased significantly (44%) primarily driven by an increase in Nipper numbers on top of a large cohort of Cadet members graduating from Nippers. The number of active members who patrolled dropped by 22% which continues the downward trend observed over the last 5 years.

Nipper intake was the highest ever with 207 juniors hitting the beach in December in addition to the 26 SRC program participants.

Overall gender balance of the club was 49% female & 51% male compared with 47% female & 53% male in 2016/17 season. The Board achieved 50% gender balance 😊

Local membership (Inverloch & surrounds) is now 15% of total membership, up 2% from 2016/17

CLUB CAPTAIN'S REPORT

Congratulations to all patrollers on another brilliant season, without your commitment and dedication we wouldn't be able to keep the beach safe and ensure everyone has a fantastic summer at Inverloch. Not only do you all volunteer on weekends and public holidays for patrols but you also give up your time for special events and fundraisers such as the New Year's Eve Tin Rattle and Jazz Festival Parade. This season we had 4 patrols with approximately 40 members in each, who together successfully completed 5 rescues and numerous first aid cases. All together this season Inverloch completed a total of 1,157.75 hours of patrol, thank you to all members who helped contribute to this number.

Life Saving Operations Committee

A Massive thank you to those who took on extra responsibility this season to volunteer to be a part of the LSOC (Life Saving Operations Committee). These members all worked tirelessly behind the scenes to ensure our equipment was always ready for use and constantly helped ensure events ran smoothly.

The LSOC this season consisted of:

- Club Captain – Rachel Fraser
- IRB Captain – Jordan Tomas
- First Aid Officer- Jasmine Cook
- Gear Steward – Sumith Perera
- Board & Ski Captain- Marcus Cehun
- Junior Club Captains- Kirsten Thomas & Lucy Tate
- Patrol Captains- Olivia Hughes, Lachlan Kewley, Marcus Cehun & Jordan Tomas

Most Outstanding SRC- Annie Opie

This Award goes to a new SRC who showed a real eagerness to learn and be involved with the club. Throughout the SRC training Annie was always enthusiastic to learn as much as possible and showed our trainers great respect the whole time. She always has a big smile on her face and tried to include others wherever possible. We look forward to seeing where Annie's Lifesaving career will take her.

Most Improved- Sumith Perera

This award goes to someone who has taken it upon themselves to get more involved with the club this season and is constantly volunteering to help-out in different areas of the club.

Sumith has been a member of the Inverloch SLSC for many years, throughout which he has always put his hand up to help. He has been an Age Manager for Nippers for a number of years and just last season obtained his Bronze Medallion. This season he volunteered to be the Gear Steward on the Life Saving Operations Committee, helping to ensure our equipment was always rescue ready. He also obtained his Silver Medallion IRB Drivers over the 17/18 season, a skill he often put to use on patrol by helping to train others in their Crew. Sumith is always positive and constantly putting his hand up to help out in any way required. He is a great role model for the younger members of our club and has achieved so much in his short time as a Bronze Medallion Holder. Congratulations Sumith on your outstanding efforts this season.

Sumith Perera (centre) with his sons Ben and Nick

Rookie of the Year- Lucas Walsh

This season the Rookie of the year award recipient is Lucas Walsh. Lucas completed his Bronze Medallion during our December Bronze camp where he was eager to learn and willing to give everything a go. After he received his Bronze Medallion he continued his training by completing his IRB Crew and Spinal Management certificate. He worked extremely hard on patrol to help-out in any way possible and was always seen encouraging others to join in. He helped-out at our annual New Year's Eve Tin rattle and was as a positive role model to his fellow Bronze Medallion holders. Congratulations Lucas on a great season we look forward to seeing what's next for you in the lifesaving community.

Rachel (*RaRa*) with Lucas Walsh

Patroller of the Season- Lachlan Kewley

This year's recipient of the Patroller of the Season goes to Lachlan Kewley. This award is given to an individual who has shown outstanding commitment and passion to lifesaving throughout all aspects of the club. This season was Lachlan's first as a Patrol Captain, where he showed incredible commitment to his patrol by ensuring all members felt included and encouraged to come along and give everything a try. He often created fun activities on patrol to further encourage people's engagement and was always seen with a smile on his face. With great enthusiasm he began his training for his Silver Medallion IRB Drivers this season, whilst also being an employed Lifeguard over summer. Lachlan was always willing to help wherever required and was always seen encouraging others to give new things a go. Congratulations on a fantastic season, your love for lifesaving is incredible and we look forward to seeing where it takes you throughout your lifesaving career.

Rachel (*RaRa*) with Lachlan Kewley

Patrol of the Year- Patrol 2

Congratulations to all the members of Patrol 2;

Lachlan Kewley (Patrol Captain), Aidan Glackin (Vice Patrol Captain, ARTC), Angus Oakley (Vice Patrol Captain, First aid), Daniel Freeman (IRB Driver), Nick Perera (IRB Crew), Sumith Perera (ATV driver), Libby Arendse (Spinal), Jess Major (Mentor), Abby Edwards, Benjamin Perera, Beth Dewhurst, Brydie Smith, Chelsey Nguyen, Dylan Edwards, Clare McMorrow, Emilie Ritcher, Em Harrison, Fintan Glackin, Harley Banks, Jack Halabi, Jesse Hill, Irene Rizopoulos, Josh Mackwell, Lucas Walsh, Lachlan O'Reilly, Matilda Yelds, Maya Arnold, Nat Jowett, Natalie McDonald, Mia McDonald, Phoebe-Rose Perry, Reid Jones, Rhys Bartlett, Samuel Rusjan, Sienna Tedde, Stephanie Loveday, Tayla Calahad, Teagan Thom, Victoria Carber, Xavier Korbel

Patroller of the Month

Each month a patrolling member is awarded the Patroller of the Month Award for the duration of the season. This award goes to someone who has put in a tremendous amount of effort both on patrol and off, they always have a positive attitude and help around the club in any way they can.

Recipients for each month were:

- December – Sumith Perera
- January – Clayton Monacella
- February – Lucy Tate
- March – Mark Kuatz

CHIEF INSTRUCTOR'S REPORT

The 2017/18 Season has been jam-packed with training and assessment. Taking on the role of Chief Instructor my goal was to ensure that all qualifications were up to date and to offer courses so members could upskill and to keep the club thriving. The courses run could not have occurred without the dedication and expertise of the Club's trainers and assessors. It was wonderful seeing so many members stepping up to expand their roles within the club and into the role of educating.

I'd like to express a large thank you and gratitude to the Club's Assessors for their knowledge and assistance – Jake Lurati, Rob O'Neill, Tarryn Thom, Maxine Lockie, Jess Major and Emilie Richter.

Bronze Medallions

This season we were able to run three successful Bronze Courses for 37 new Bronze Medallion holders. Bronze is one of the most extensive qualifications and a foundation to lifesaving and higher qualifications. Congratulations to all participants and the dedicated people who contributed to the running of the camps and courses.

The Kew High School Camp

The first course run this season was for Kew High School whom the club has a strong relationship with. A week-long Camp for the students in November bought in 12 new members to the club. These students managed to gain their qualification in 5 days on top of surf lessons and catering for themselves. Thank you to Inverloch trainers Cam Allum and Jess Major along with Angus Oakley and Jono Li who are also some of Kew's ex-students.

Kew candidates with trainers and teacher

December Bronze Camp

The biggest week on the training calendar for the season is the club's December Bronze camp. The high intensity camp is run over 7 days with a huge team of trainers, water safety, cooks and organisation behind the scenes. The camp saw 19 candidates completing the camp and what an incredible week they all had.

This year we added in a water safety team to help assist the running of the course, allowing trainers the time to do lesson plans during the busy week. A big thank you to Xavier Hughes who was head of water safety along with Lucy Tate and Claire Wylie.

The great success and execution of the camp would not be possible without Chief Trainer, Rachel Fraser and the team of highly skilled trainers – Liv Hughes, Mietta Synan, David Morris, Ben Price, Jess Cox and Jas Cook.

Special mention also to the wonderful Lorraine Ritchie for being an absolute 'Masterchef' catering for the week and Jake for assessing.

Bronze candidates with trainers and water safety

Adult Bronze

We again had interest from adults of the club to take their lifesaving interest further and begin patrolling. Maxine Lockie and Emilie Richter ran a successful course spread over two weekends in January to cater for candidate's needs. Congratulations to the 6 candidates who stepped into the patrolling side of lifesaving, you are never too old to get your Bronze.

Surf Rescue Certificate

With another age group of Nippers coming through the ranks we had 24 SRC candidates on this summer's program. It was wonderful seeing such a large group of club members progressing into patrols. A huge thank you to head trainers Rachel Fraser, Clayton Monacella and Lucy Tate for your dedication and professionalism.

SRC candidates and trainer Lucy Tate

Chief Instructors Award

This year's Chief Instructor's Award goes to someone who spent endless hours behind the scenes ensuring that all awards were processed and completed. A big thank you and congratulations goes to Gayle Morris who made this all possible. Your enthusiasm, knowledge and administration skills were greatly appreciated and key to this season's training being successful. With so many courses and qualifications to process it was no small task.

Chief Instructor Kat with Award recipient Gayle Morris

IRB, ARTC, Gold Medallion, Spinal Management

IRB training has been an ongoing effort this season as it is such a technical and one of the longer running courses; with candidates working hard with trainers to increase their skills and get plenty of experience prior to assessment. This season we put through 16 IRB Drivers and 4 IRB Crews.

Thank you to head trainer Aidan Hurst, with assistance from Jordan Tomas, Rachel Fraser, David Morris, Clayton Monacella and Lindsey Ritchie.

IRB Candidates with head trainer Aidan

Advanced Rescue Technique Certificate (AID) was a quick one-day course advancing candidate's resuscitation techniques. Thank you to head trainer Tarryn Thom with assistance from Lindsey Ritchie for training up the 11 candidates.

It was terrific having Inverloch represented at LSV's annual Gold Medallion Camp. Congratulations to Jas Cook and Sarah Seddon for achieving this highly regarded award.

Jas and Sarah

This season was the first season we have held a Spinal Management course in over 5 years. It was wonderful seeing so many members eager and excited to gain this award. A technical and important qualification for our members to have it was wonderful that Tarryn Thom was able to run the course with assistance from Lindsey Ritchie to 23 candidates.

As we have come to the end of the season and my first as Chief Instructor I would like to thank each, and every person who has contributed to training this season, in particular the trainers and assessors. Without the support and enthusiasm from volunteers this season would not have been as successful as it was.

I look forward to seeing the training department of the club continue growing over the years, in particular an increase in Training Officers and Assessors.

Katrina Morris

Chief Instructor

YOUTH AND LEADERSHIP DEVELOPMENT REPORT

We would like to start with a very big thank you to all the support crew who make the running of our programs over the year.

Nipper Program

It was great to see over 200 nippers for our annual program which runs over two weeks. We were very blessed with the weather, warmer water than normal and lots of beach to carry out the program. They were very engaged and continued to learn and improve surf and beach awareness skills. Most of the participants completed their s-badge which enable them to enter competitions in surf events such as the Inlet Shield (Inverloch vs Venus Bay). We competed at a high level and won the shield again! We also had greater involvement from the parents which was encouraging to see.

This year we had participants at the U/13 and U/15 development camps run by Life Saving Victoria. These camps proved to be very successful and will aid in the development of future leaders at this club. Over the weekend at the camps they work to enhance the leadership, team and development skills amongst our young leaders, both physically and socially.

One great initiative this year was introducing Team App. It has enabled information to get to right people instantly. Parents felt better informed and able to find the details quickly when needed.

The competition team at Inverloch had a resurgence this year with greater involvement from more families.

Congratulations to all the age champions listed below:

U7: Celeste Petracca & Mason Chan

U8: Millicente Faichney & Fred Karutz

U9: Madeleine Fitz & Ethan Chan

U10: Cassie Davis & Isaac Bolge

U11: Makayla Krause & William Robinson

U12: Sophie Pinkerton & Xavier Bolge

U13: Alice Brown & Tom Woolhouse/Riley Harris

U14: Darcy Hilford

Nipper of the Year

In awarding the Nipper's of the year we look not just at competition results but a demonstration of sportsmanship, role model behavior, interaction with peers and with group leaders. This year's very worthy winners were Alice Brown and Riley Harris.

Age Managers

This year we had 20 age managers who very competently looked after all the nippers and made sure that their learnings were of a very high standard. They also made sure that the nippers had a great time while learning at the same time. We are so grateful for the following people whom gave up their precious time over the summer holidays to help the program run so smoothly:

U7: Danette Elicer, Joanne Braden, Jo Coleman

U8: Zoe Campbell, Mark Karutz

U9: Paul Hardy-Smith, Bec Nielsen, Wayne Kitney, Anna Judd

U10: Tiffany Jenke, Ione McKenzie, Chris Banks

U11: Sumith Perera, Sue Auger, Chris Kendall

U12: Julian Kerwood, Brett McKenzie, Amanda Howard

U13/14: Michelle Harris and Kester Brown

Nipper Age Managers

Our gratitude goes out to Fiona Hughes for all the hard work she does behind the scenes. Apart from being our president she runs all the water safety personnel over the nipper program which is a lot of early mornings and late finishes.

Thank you again to Teagan who has helped in the background supporting us with Surfguard and development camps.

Once again, a very big thank you to Yvonne McMahon for taking the photos of the nipper program. A lot of time and effort is put into this and we all appreciate it so much. All the proceeds going to the nipper program.

Thanks again to the Cupcake & BBQ organisers and all the cooks and helpers when the nippers come running in from the beach for food! The money we raise from this is invaluable and goes straight back into the program to help buy new nipper boards and safety equipment.

Thanks so much to all the parents who helped-out with all the extra activities such as the tie dye activity, disco, movie night and many more. Without their help these extra activities don't happen. The food truck nights also proved to be very successful and helped the bar sales go very well!! The social interaction at the club has improved greatly and we will continue to foster this. It's great to see so many happy faces around the club.

The water safety once again made it much easier for the age managers to look after so many nippers. They are there to make the program safe and fun which they do brilliantly and have fun themselves too. They are great role models for all the nippers.

Youth Involvement Program (YIP'S)

This year YIP's was run by us until David Morris took over. This program is very important and beneficial in the development of our members and is highly rewarding to the participants. We highly encourage participation in these camps. It is always great to see the nippers of old further develop their life skills. The younger members of the club have led the charge in personal development with some impressive efforts to gain awards within the YIP's program.

The Gold Youth Involvement Program (YIPS) recipients for this season are:

- Kirsten Thomas
- David Morris
- Reid Jones

The club is now in preparation for the 2018/19 season and really looks forward to seeing you all again starting December 27. Dates are December 27,28,29,31 and January 2,3,4,5.

Lucy Chambers & Peter Creswell

Youth and Leadership Development

COMPETITION REPORT

There were no Senior or IRB Competition teams during the 2017/18 season

Junior Competition Report: 2017/18

Hi everyone for those that don't know me my name is Emilie Harrison and I have had the privilege of running the junior competition team again for the 2017/18 season. I would like to say what a great season and team to be a part of!! Congratulations to all the kids who joined and participated in the team for this current season. It's been such a pleasure to help train and coach you all and develop and further your skills, whether it be in the open water, pool, or on the beach, you are all champions.

For those that don't know what our junior competition/carnival team is about, our junior kids have been getting involved with some fun training and carnivals at other beaches around the state applying their skills and knowledge that they have learnt in our nipper's program, while racing all the other surf clubs in the state and doing our club proud. It is a fun way to make more friends, learn new skills, improve on existing skills, and get into the Inverloch spirit. I can't believe the attitude, sportsmanship and team spirit that was shown at all sessions - it was amazing.

I would like to thank everyone in the club who made it possible for this to happen again for a second season. The contribution from the club committee, parents and other club members have made this possible especially the ones who got on board and did the jobs such as water safety, helping out with coaching, team managing on carnival days, and just being there for support. We cannot compete without these jobs being done. Numbers had a big jump this season doubling from last season at training and competition, and we were able to get a lot more out competing on the beach and hope for the same next season. Special mention to Peter Harrison for doing the beach training, Kirsten Thomas for coming all the way to Warrnambool to water safety at the state championships and other events, also to all the other water safety helpers including Ollie Collett, Nick Thomas, Julian Kerwood, Brydie Smith, Perera family, Nat Jowett, Sarah Seddon, Brilee Harrison and the Auger family. Your efforts have all paid off. Thanks also to the junior families for their generous support.

Training this season ran on a Tuesday and Thursday evening, covering both beach and water and the carnivals attended included Altona, Chelsea, Frankston, South Melbourne, Mordialloc, The Victorian Junior State Championships at Warrnambool and Australian Royal Lifesaving Championships in Adelaide. Inverloch has also now started back training and competing at some pool lifesaving competitions with Sunday night training being held by Lifesaving Victoria, which is open to all club members from U8- Masters. I really want to push more numbers next season so please let me know if you are keen to compete or know anyone that might be keen.

Training team at Inverloch

Junior Athlete of the Year: Sophie Pinkerton

Congratulations to our Junior Athlete of the Year for the 2017/18 season. Sophie has had a great season attending five carnivals including the Victorian Junior State Lifesaving Championships and Australian Royal Lifesaving Championships held in Adelaide. She attended nearly all training sessions throughout January and plays a big role model to her peers. While competing she always has a great attitude encouraging all team members and supports and makes friends from other surf clubs too. Sophie's top results this season include coming 8th overall at the Australian Pool Lifesaving Championships in Adelaide as an 11 year-old in the U14 age group and placing in nearly every water final at the Victorian State Championships and being Inverloch nipper age champ in U12s. Sophie you are an asset to the Inverloch team well done on an amazing season, it's been a privilege coaching you, and I can't wait for future seasons ahead.

LATE NEWS: At the Australian Pool Rescue Championships in Adelaide in early August 2018, Sophie competing with a Mordialloc Relay team won a Gold & Silver medal. Congratulations Sophie!

Most Improved Athlete of the year: Rick Clarkson

Well done to our most improved athlete of the year for the 2017/18 season. Rick is new to the club and nippers this season. He attended two carnivals and came to almost every training session throughout January. Rick's perseverance and motivation this season has been outstanding, and he has taken on every bit of feedback and comes to training and carnivals with a positive attitude. Rick has shown so much improvement throughout the season on boards especially, as well as running and swimming. Some top results include placing second in the beach run at the Frankston state carnival and 8th in his composite team with Half Moon Bay at Mordialloc. Rick, it's great having you part of the team, and we can't wait for your performances in future seasons. Well done.

Carnival highlights/Results over the season:

Altona Carnival: Our first carnival for the season our U12 girls Aqua Cam team with Emma, Zara, Maya and Sophie finished in the top ten in their heat, Maya a 3rd in the beach sprint and Erica (U13) top ten finish in flags.

Chelsea State qualifying carnival: Millie Hodge (U8) receiving a ribbon in every single event in Wade, Sprint, Flags and Wade Relay placing top 3 so through to state champs. Sophie Pinkerton (U12) qualifying in Board placing 1st in heat and Iron 6th in semi-final. Oscar Hughes (U11) through as well in Iron placing 3rd in the semi-final, also 2nd in his Board heat. Josh Pinkerton (U9) qualifying placing 6th in his Board heat. Marnie and Clare Banks (U11 and U12) also through placing 4th and 6th in the Board heat. Our U12 Aqua Cam team placing 10th with Zara, Charlotte, Claire and Sophie. Hayden (U12) and Zara Kerwood (U12) placing top 30 for Flags and Marcus and Angus Blake having a great crack at the Board Rescue and Board Race at their first ever carnival. Well done everyone...

Frankston Carnival: No water events as this was a beach carnival. Rick Clarkson (U12) took out 2nd in the 1km run and Sophie Pinkerton (U12) took out 3rd in the 1km run.

Mordialloc Carnival: The U9/10 girls Zoe, Zoe, and Matilda gave most events a go for the first time getting through a few heats doing really-well to keep up with some fast girls. What amazing work. Rick Clarkson (U12) got an 8th in his composite Aqua Cam team with Half Moon Bay and 9th in the 1km run. Fred McKenzie (U8) took out 5 ribbons - three 2nds, a 1st and 3rd in the beach events. Oscar (U8) got a 2nd in the composite Beach Relay with Inverloch/Elwood and got a ribbon for completing the tough 1km beach run.

South Melbourne Carnival: Our U9 competitors Josh and Finn did really-well and it was great to see them on the beach. They all did well in Beach Sprints, Flags and Wade. The boys joined with Mordialloc and came 4th in the Wade Relay. Zoe (U9) joined with Venus Bay and Elwood and came 5th. The U12 girls had a great day - Emma did Iron and Board, Charlotte did Iron and Swim, Sophie did Iron (7th), Swim (11th) and Board (6th) in Heat 1. It was a really fun morning, and everyone pitched in. Thanks to Luca (U12) for coming down for the support.

Victorian Junior State Surf Lifesaving Championships Warrnambool:

Congratulations to Sophie Pinkerton (U12) and Josh Pinkerton (U9) on some great results I'm really-keen to get lots more junior involved for next year.

Joshua Pinkerton came 12th overall in the 1km Run, 10th in the Wade Race Semi Final, 10th in the Board Race heat, 12th in the swim race heat, 11th in the wade relay with Venus Bay.

Sophie Pinkerton came 15th in the iron final, 17th in the 1km Run, 18th in the Swim Final, 10th in the Board Semi Final, 10th in the Surf Team's race with Venus bay and Elwood.

Australian Royal Lifesaving Championships Adelaide:

This year Sophie Pinkerton and myself went over to experience the Australian Royal Lifesaving Championships in Adelaide. Sophie was too young to be selected for the Victorian Pool Lifesaving Development team, however she still got the opportunity to represent Inverloch in the U14 age group.

Her results included coming 8th overall in the U14 age group as an 11-year-old.

- 5th in the 50m Manikin Carry
- 8th in the 100m Obstacles
- 8th in Line Throw
- 8th in the 100m Carry
- 14th in the 50m Manikin Tow

I also had a last-minute opportunity to represent South Australia in the open relays, and it was an amazing experience. Hope to see more get involved next year. Thanks to everyone for the support.

For Season 2018/19 we are seeking competitors, officials, coaches, team managers, water safety, and general helpers. If you are at all interested, then please contact me.

Emilie Harrison
Junior Competition Team Coach

COMMUNITY RELATIONS

Sponsorship & fundraising

Long term major community and business partners; RACV Inverloch Resort, Bendigo Bank Inverloch & District Community Bank Branch Community Bank Inverloch and LJ Hooker Inverloch have continued to support the Inverloch Surf Life Saving Club this season and we would like to acknowledge and thank them for this continued support. As we head into the 2018/19 we are pleased to announce the commitment of these sponsors to continue their support of the Inverloch Surf Life Saving Club.

In addition we are fortunate to receive assistance from many community and business partners who support the many different activities and events conducted throughout the season including; Carmans Fine Foods, Paul the Pieman, Inverloch Quality Meats, Inverloch Slice of Paradise Bakery, The Inlet Hotel, Inverloch Gas, Esplanade Hotel, Inverloch newsXpress, Inverloch Foodworks (including the Foodworks Loyalty Program) and individual families who sponsor our Nipper Water Safety with a sausage and drink for the day and sponsor our patrollers.

Numerous fundraising events and activities have been undertaken this season and the club is very grateful to the many members who have supported these events in various ways, including; providing First Aid, tin rattling, poster design and food preparation to name just a few of the tasks undertaken.

Activities have included;

- Bass Coast Cycle Challenge/Family Fun Festival
- New Year's Tin Rattle & New Year's Eve Fireworks
- Nippers BBQ and Cupcake Sales
- Jazz Festival Parade & Jazz Festival Bar
- ANZAC Day Service
- Disabled Surfers Association Bass Coast Event
- Australia Day Activities on the beach

If you know of or have a connection with a business who might be interested in becoming a business and community partner, then please provide the club with their details so we can contact them.

Club Events

Beyond the fundraising activities the club has also run a number of social events and again these are dependent upon the support and assistance of many people. Special thanks to all the bar staff who have run the bar not only during our special events but also throughout summer. Thanks to Alan Bolton and Maureen Ansell for their huge commitment in this area as well as many other areas around the club.

Media & Publicity

Thanks to Gayle Morris who as our Media Officer took on the important role of liaising with the local media and ensuring we received many articles about our club and its activities.

Thanks also to Reid Jones who has continued the management of the ISLSC Facebook page. He has done a fantastic job keeping all our members updated with what is going on. His video-wrap up of the season is well worth viewing.

Zoe Campbell assisting at Nipper Training

FINANCE REPORT

The season of 2017 – 2018 saw another incredible year financially for the club!

It has been a pleasure to take on a different role on the Board this year and leave the club in another sound financial position capable of providing a respected volunteer lifesaving service to the people who use our fantastic beach!

Highlights

Some of the key highlights of the financial report when compared to 2016/17 are as follows:

- ❑ Increase in membership subscriptions (the life blood of the club) by \$15,635
- ❑ Increase in donations by \$11,000
- ❑ Increase in successful grant applications by \$7,000
- ❑ Increase in cash holdings of \$44,457 to a total of \$217,298
- ❑ Decrease in trading loss by \$1,339
- ❑ Decrease in clothing stock held by the club \$3,357
- ❑ Decrease in kiosk income by \$5,310 (not so good)

Membership Subscriptions

Club membership now exceeds 700 for the first time and contributed \$62,458 to the Club's income base. Membership for the same time last year was 657 financial members. Subscriptions provide the base for the club's operations, training and leadership development. Most people do not know that it takes approximately \$60,000 to put our patrols on the beach each year!

Operational Changes

The Board made some key changes to the way the finances were operated through the year. Some are directly visible like the outsourcing of kiosks operations to relieve the pressure on volunteers from the club, whilst others are not so noticeable, such as closing down bank accounts with the ANZ and moving to a more local based Community Bank that has spinoff effects for giving back to Inverloch community groups whilst providing better interest rates to the club.

Capital Purchases

Thanks to a great asset replacement program that was completed over the last five years, there was minimal capital assets purchased this year. The Nipper program was supported by the purchase of new boards at a cost of \$5,545 and operationally new fuel cells for the IRB's (\$2,633) and a new test tank \$3,250) were purchased.

Costs Savings

The Board looked at savings wherever possible and were fortunate enough to have the help of Telstra employees to assist with clubhouse repairs – thus reducing labour costs for building maintenance. Overall our operating expenses were \$44,457 less than the previous year.

Thanks

I would formally like to show my appreciation to Rosemary Neville who took on the role this year as Clothing Apparel Manager, ably assisted by Angela Malan, as well as Claudia Cox and her family who made the kiosk operations run so smoothly and provide that important service that is expected these days of our beach users. Income from the bar would not be there if it was not for the volunteers behind the bar so thanks to all with a special mention to our club stalwarts Al and Maureen as well as Nicole and Phil Hassall and their merry band of bar staff over summer.

To this year's Board it was great to be able to provide guidance and be part of the management team for the Club and laying the early foundations for the development of a five-year strategic plan, implementation of digital radios and the early planning for the Club's 20th anniversary celebrations in May 2019!

Audit Report

FCAA were appointed as the auditors at the last AGM for the preparation of this year's financial statements and these are included at the end of this report.

Final Words

Due to the challenges of raising young twins I have elected to step down from a Board position though will still patrolling on the beach and assist where required. Maybe when the girls become Nippers I will be back!!

I look forward to another great summer and celebrating the successes of the Club at the 20th anniversary celebrations.

The challenge I leave for the incoming Board and members is to reduce the trading loss (bar and clothing sales) – so I encourage you all to bring a friend to the club for a sunset drink this coming summer, also purchase some additional clothing for the 20th anniversary celebrations. We only need an additional \$806 of sales to achieve this.

INVERLOCH SURF LIFESAVING CLUB

Notes to the Financial Statements For the year ended 31 May 2018

Note 1: Summary of Significant Accounting Policies

This financial report is a special purpose financial report prepared in order to satisfy the financial reporting requirements of the Associations Incorporations Act. The committee has determined that the association is not a reporting entity.

The financial report has been prepared on an accruals basis and is based on historical costs and does not take into account changing money values or, except where specifically stated, current valuations of non-current assets.

The following significant accounting policies, which are consistent with the previous period unless otherwise stated, have been adopted in the preparation of this financial report.

(a) Property, Plant and Equipment (PPE)

Leasehold improvements and office equipment are carried at cost less, where applicable, any accumulated depreciation.

The depreciable amount of all PPE is depreciated over the useful lives of the assets to the association commencing from the time the asset is held ready for use.

Leasehold improvements are amortised over the shorter of either the unexpired period of the lease or the estimated useful lives of the improvements.

(b) Impairment of Assets

At the end of each reporting period, the entity reviews the carrying values of its tangible and intangible assets to determine whether there is any indication that those assets have been impaired. If such an indication exists, the recoverable amount of the asset, being the higher of the asset's fair value less costs to sell and value in use, is compared to the asset's carrying value. Any excess of the asset's carrying value over its recoverable amount is expensed to the income statement.

(c) Cash and Cash Equivalents

Cash and cash equivalents include cash on hand, deposits held at call with banks, and other short-term highly liquid investments with original maturities of three months or less.

(d) Revenue and Other Income

Revenue is measured at the fair value of the consideration received or receivable after taking into account any trade discounts and volume rebates allowed. For this purpose, deferred consideration is not discounted to present values when recognising revenue.

Interest revenue is recognised using the effective interest rate method, which for floating rate financial assets is the rate inherent in the instrument. Dividend revenue is recognised when the right to receive a dividend has been established.

Grant and donation income is recognised when the entity obtains control over the funds, which is generally at the time of receipt.

All revenue is stated net of the amount of goods and services tax (GST).

INVERLOCH SURF LIFESAVING CLUB

Notes to the Financial Statements

For the year ended 31 May 2018

(e) Goods and Services Tax (GST)

Revenues, expenses and assets are recognised net of the amount of GST, except where the amount of GST incurred is not recoverable from the Tax Office. In these circumstances, the GST is recognised as part of the cost of acquisition of the asset or as part of an item of the expense. Receivables and payables in the assets and liabilities statement are shown inclusive of GST.

(f) Investments

Investments held are originally recognised at cost, which includes transaction costs. They are subsequently measured at fair value which is equivalent to their market bid price at the end of the reporting period. Movements in fair value are recognised through an equity reserve.

INVERLOCH SURF LIFESAVING CLUB**Independent Auditor Report**

Report on the Audit of the Financial Report**Opinion**

We have audited the financial report of INVERLOCH SURF LIFESAVING CLUB (the association), which comprises the Statement by Members of the Committee, Income and Expenditure Statement, Balance Sheet as at 31 May 2018, a summary of significant accounting policies and the certification by members of the committee on the annual statements giving a true and fair view of the financial position and performance of the association.

In our opinion, the accompanying financial report presents fairly, in all material respects, the financial position of the association as at 31 May 2018 and [of] its financial performance for the year then ended in accordance with the accounting policies described in Note 1 to the financial statements and the requirements of the Associations Incorporation Act 1991.

Basis for Opinion

We conducted our audit in accordance with Australian Auditing Standards. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Report section of our report. We are independent of the association in accordance with the ethical requirements of the Accounting Professional and Ethical Standards Board's APES 110 Code of Ethics for Professional Accountants (the Code) that are relevant to our audit of the financial report in Australia. We have also fulfilled our ethical responsibilities in accordance with the Code.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Emphasis of Matter – Basis of Accounting

We draw attention to Note 1 to the financial report, which describes the basis of accounting. The financial report has been prepared to assist the association to meet the requirements of Associations Incorporation Act 1991. As a result, the financial report may not be suitable for another purpose. Our opinion is not modified in respect of this matter.

Responsibilities of the Committee for the Financial Report

The committee is responsible for the preparation and fair presentation of the financial report in accordance with the financial reporting requirements of the Associations Incorporation Act 1991 and for such internal control as the committee determines is necessary to enable the preparation and fair presentation of a financial report that is free from material misstatement, whether due to fraud or error.

In preparing the financial report, the committee is responsible for assessing the association's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the committee either intends to liquidate the association or to cease operations, or has no realistic alternative but to do so.

Independent Auditor Report

Auditor's Responsibilities for the Audit of the Financial Report

Our objectives are to obtain reasonable assurance about whether the financial report as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with the Australian Auditing Standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of this financial report.

As part of an audit in accordance with Australian Auditing Standards, we exercise professional judgement and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial report, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the association's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the committee.
- Conclude on the appropriateness of the committee's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the association's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial report or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the association to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial report, including the disclosures, and whether the financial report represents the underlying transactions and events in a manner that achieves fair presentation.

We communicate with the committee regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.
