Mission Statement

Inverloch Surf Life Saving Club

P.O. Box 47 Inverloch VIC 3996

Inverloch Surf Lifesaving Club

Mission Statement

To provide a safe beach environment for the community at the Inverloch Surf Beach through the provision of an effective volunteer patrolling service. We also strive to offer our members a supportive and team orientated club culture that encourages personal development and friendship.

In achieving our mission our goals are:

- To offer our members sporting, education, personal development, leadership, social and health opportunities
- To develop happy, healthy and responsible people within our community
- To be a water awareness and beach safety community educator

Core Values

- Inclusive
- Team Orientated
- Healthy Lifestyle
- Encouraging
- Reliable
- Responsible

Developed Nov 2010

President

President's Report

I am pleased to report that season 2012-13 has been one of continued growth, consolidation and success in all areas. Our club continues to attract new members and retention of current members is at an all time high, we must be doing something right!

Our clubhouse continues to be a social hub for our patrolling members and other members. I am pleased to report that patrols continue to have their after patrol social functions and this is a huge attraction for newer members to meet other members and feel welcome to our club. Members continue to utilise the clubhouse during school holidays and on weekends. Lifesaving membership is year round and it is pleasing to see members continuing to improve their skills and teams training throughout the colder months. Importantly various community groups use the facility to hold meetings and training sessions throughout the year. Many thanks to David Schultz, Andy Schrape and Alan Bolton for their ongoing work in maintaining the clubhouse to a high standard.

Our membership sits at around 656 members with 184 of these actively patrolling the beach. We are the envy of many other clubs in the state with our strong patrolling list. This is a reflection of the hard work and commitment by Brendan Densem our Club Captain and Tarryn Thom, Patrol Manager. Nippers continues to be very popular with an all time record of 179 Nippers, many of which go on to gain qualifications and patrol the beach. We are no longer a small club and are recognised at a State level as a strong, inclusive club promoting leadership and providing varied opportunities for members. Something of which we should all be proud.

Opportunities exist in many areas for members to be involved. From bronze camps, Nipper programs and competition, YIP's program, summer and winter (IRB) competition teams and the surfboat team. The avenues to be involved in our club continue to grow and have success. Many thanks to the coaches, leaders and managers who give up their time to run these and encourage others to be involved.

I am very pleased to report that the club is in a sound financial position. Many thanks to Rob O'Neill, Treasurer and Gayle Morris who continues to hunt down the elusive grants with much success. With an operational clubhouse our focus now is to replace ageing assets and ensure adequate storage for all equipment. The club kiosk has been a tremendous success and funds raised here will be utilised to maintain and run the clubhouse. Many thanks to Heather Kerr, Maureen Ansell, Alan Bolton and their team of valued helpers for keeping the kiosk running over many long days during the summer period.

President

Members have been extremely busy throughout the season. The success of the Patrol Recognition Program has encouraged involvement in special event days and fundraising activities. This has meant that the workload of running these has been spread across the membership base. Many thanks to members for their help at bbq's, tin rattles, the Inverloch Farmers Market, Inverloch Jazz Festival and Life Saving carnivals that we have hosted. The success of these events raises our profile in the community and contributes to the club finances.

At the recent club Presentation Night held in June it was remarked on by many attendees that they were in awe of the passion and commitment to lifesaving shown by the organisers and presenters of the night. The success of our mentoring of younger members is reflected in the way they are confident in organising club events such as carnivals, training and social functions. We will continue to encourage leadership in all members and provide a support network to enable personal growth at a club and state level. David Schultz, past President and current Clubhouse Manager, is to be congratulated on his recent appointment as a Director of Life Saving Victoria.

The continued growth and success of our club is dependent on our most important asset, our members. We must remember that everyone is a "volunteer member" Our dedicated volunteers who give up their time to undertake and deliver training, develop the youth of our club, assist in the many varied club activities and most importantly patrol our beach. Whatever contribution you make to our club is valued and on behalf of the Board of Directors I thank you all for your efforts.

Another big thank you to our sponsors. Without their generous support we would not be able to provide a vital service to the community. Many thanks to RACV Resort Inverloch, Bendigo Bank Inverloch and L J Hooker. Thanks also to the many local businesses who support the Nipper program throughout the January period.

To the Board of Directors and the members of their sub committees a big thank you for all your hard work and support throughout the year. Their commitment to Inverloch SLSC is admirable and highly valued.

On behalf of the Board I commend to you this annual report. Please enjoy the reports from the various Directors and their committees. We look forward to season 2013-14 with anticipation.

See you on the beach.

Angela Malan – President

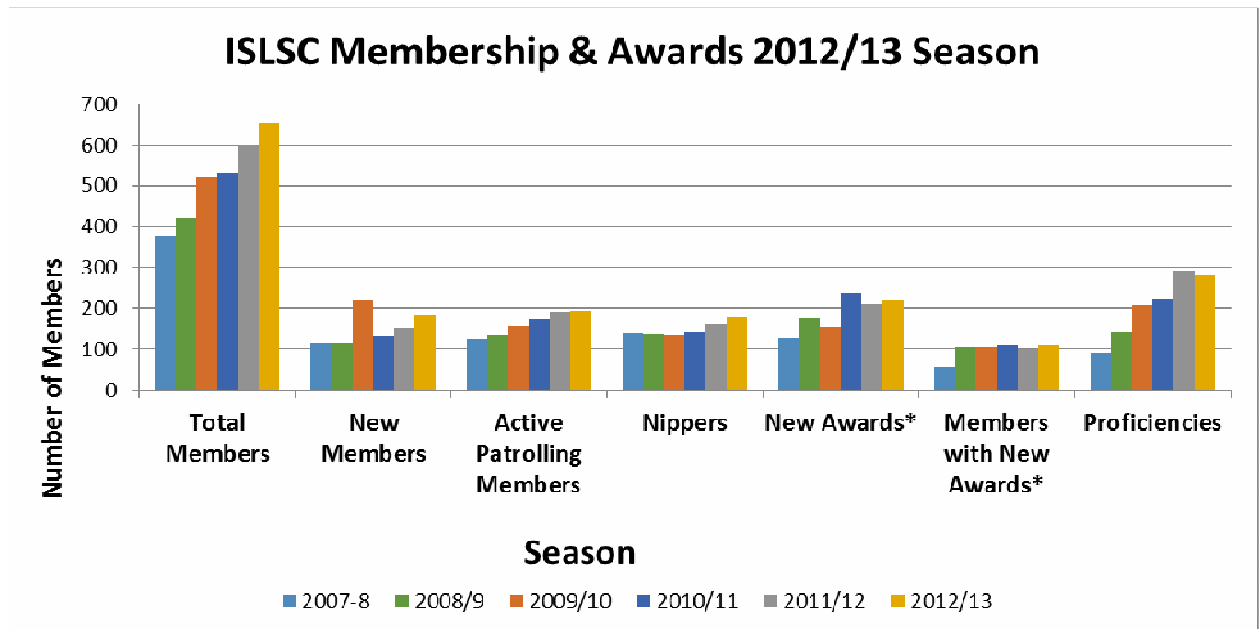

Inverloch Surf Lifesaving Club

Membership

Membership Report

Club membership numbers have continued to increase this season with a record of 656 members this year, growth of 9% over the previous season. We have now experienced sustained membership growth over the last six seasons. New members intake increased by 23% over 2011/12. This increase was primarily driven by two areas of the Club; Nippers and Bronze Camps. Nipper numbers increased by 10% with 179 enrolments this year. Thanks to the Nipper team and volunteer helpers for all their hard work to enable us to increase the available places. Bronze Camp enrolments increased with the addition of the Kew High School camp to the calendar and increased participant numbers in the Luther College Camp. These results are also reflected in the number of new awards issued as detailed by our Chief Instructor, Jake Lurati, in his report.

Analysis of gender statistics indicate a good balance across most membership categories with the exception of Cadet Members (SRC's) where we have a drop off of male participation rates. More needs to be done in this area to maintain engagement through existing programs such as YIP's.

Female representation on the Board (33%) provides an opportunity for improvement but it's encouraging to see a number of females in key leadership positions with the potential to step up in the future.

Membership

Local membership (Inverloch & surrounds) represents 30% of total membership with a further 6% being drawn from the Gippsland area. Local membership has grown slightly over the last two seasons (2.5%). These demographics reflect significant intake of new members to the Nippers program who holiday in the Inverloch area and the active intake from Melbourne based high schools. There is more opportunity to develop stronger ties with local schools at all age levels.

ISLSC Membership Demographics 2012/13

Breakdown by Category & Gender	Total	Female	Male	Female	Male
Junior Activity Member (5-13 years)	179	50%	50%	89	90

Life Saving Operations

Club Captain's Report

Thanks

The success of the season comes down to the club's 190 patrolling members that give up their weekends to come to Inverloch and keep the community safe whilst at the beach. This season 190 Patrolling Members were on the patrol roster, 5266 hours were patrolled across the season and there were 23,190 Beach Visitors recorded over the weekends patrolling. Without the patrolling members there would be no lifesaving club. Thanks go to everyone who patrolled this season and who will return next season.

Patrol Roster

The Patrol Roster for season 2012/13 was spread across 6 patrols. This worked well as patrol sizes were smaller which kept people busy on patrol with rotations but with the smaller patrol sizes we still managed to maintain good patrolling numbers across the entire season.

LSOC

The LSOC committee this year has done a fantastic job, working hard behind the scenes to make sure patrolling on the beach is done with up to date, safe equipment that makes it easy to keep Inverloch a safe place to swim. Patrolling is a small task compared to the hours of work behind the scenes to make patrolling on the beach possible.

The LSOC committee this season consisted of:

Club Captain	Brendan Densem
Patrol Manager	Tarryn Thom
IRB Captain	Max Rounds
First Aid Officer	Erin Kerr
Patrol Fundraising Manager	Jess Ransom
Radio Officer	Bec Morris
Junior Club Captains	Kate Edney & Katrina Morris
Board & Ski Captain	Vacant
Drowning Prevention & Public Safety	Andy Schrape
Lap Legends	Max Leonard
4WD & ATV Officer	Andy Schrape
Club Development Managers	Sam Suke & Nicole Harman
Patrol Captains	Cass Mond, Cam Harris, Teagan Thom, Erin Kerr, Bec Morris & Sam Suke

Life Saving Operations

Fundraising Manager

The Fundraising Manager was a good addition for this season with Jess Ransom taking on the role. The role of the Fundraising Manager this season was to increase numbers at patrol fundraisers and increasing the overall amount raised at each of these fundraisers. Unfortunately we achieved less overall amount raised when compared to last season. This was due to a decrease in the overall number of fundraising opportunities we had.

Community page

The Inverloch Surf Life Saving Club – Community page has reached 300 likes this season. Sam Suke, who was one of the club development managers this season, managed the community page and did a fantastic job. The community page is aimed to keep the community up to date with things happening in lifesaving, safety messages about the beaches or surrounding areas and also to promote events happening in the local community.

Junior Club Captains

Kate Edney and Katrina Morris were elected as the Junior Club Captains for season 12/13. They worked well together aiming to make an inclusive culture, be role models for the Nippers and SRC's and encouraging them to get involved in lifesaving. The girls worked together to organise the SRC trivia night, Rookie BBQ and End of Season Party. They both had an outstanding season and are both confident and excited to move on to bigger and better things after the experience they have gained.

ISR weekend

ISR weekend was held the week before the official Lifesaving season started. It was run over one day and helped prepare everyone for the upcoming season.

Anderson Inlet Outpost & RACV Outpost

Anderson Inlet Outpost was run just like last season with improvements in equipment with new First Aid and Resuscitation equipment. A new operation Defibrillator was also purchased which has allowed those in and around Inverloch a closer access to a defibrillator in case of an emergency.

Life Saving Operations

This season has shown that the inlet is used by many swimmers (often weaker swimmers) due to its calmness. However the inlet on the change of tide has proven to be a dangerous area for swimmers and several swimmers have been in serious trouble during patrolling hours resulting in rescues. I have also had reports from the public of swimmers getting into trouble midweek when the area is unpatrolled. This is an area of concern that we need to look into and possibly put in some management plans for this problem before next season.

Patrol Inspections

Inverloch SLSC had two patrol inspections this season. These were at a high standard meaning that our patrolling members and ISR are doing a fantastic job and patrolling the beach and keeping the community safe.

These were the results:

Patrol 1: 960/1000

Patrol 2: 990/1000

Patrol Member recognition program

New Grommets

April Barlow	Samantha O'Neill
Harry Campbell	Madeline Robinson
Finnan Donohue	Natalie Shand

New Eagles

Chris Malan #11 -

Chris has been involved in the Inverloch Life Saving Club for many years. He has spent many of these years on the Board of Directors as Chief Instructor to get the club to where it is today. This season Chris became the Secretary of the club as well as taking on memberships and development of the new website. The most impressive thing about Chris's roles at the club is that he has always achieved his 16 patrolling hours and been an active member at the club. Well done and congratulation Chris #11!

Bec Morris #12 –

Bec has come up all the way through Nippers into SRC and Bronze. Bec has been on a club committee for 3 years and this season was also a Patrol Captain. Bec has been heavily involved in the IRB racing team and is now one of the managers of the team. Bec has been an invaluable help to the club and creates a great atmosphere when she is around. Congratulations Bec Morris #12.

Life Saving Operations

Most Improved – Kate Edney

This season Kate Edney was awarded the Most Improved award. This award goes to an individual who has shown enthusiasm and commitment to further themselves in lifesaving. Kate was elected as one of the Junior Club Captains this season. In this role she helped to organise the SRC trivia night, Rookie BBQ and was a role model for the young SRC's and Nippers coming through. She took part in Nippers as water safety, gained her TOC and instructed on bronze camps. Kate also furthered her own knowledge applying and taking part in Dev Camp, where she did a fantastic job and also achieved her Silver Medallion in Aquatic Rescue which was another fantastic achievement. Kate was one of the co-ordinators of both the End of Season Party and the Presentation Night. Lastly Kate has done amazing things this season, for herself and for the club. She has shown vast improvements from her season before and has also indicated she is not going to slow down!! Well done Kate, Congratulations and thank you for all your hard work.

Rookie of the Year – Rachel Fraser

This season Rachel Fraser was awarded the Rookie of the Year award. Rachel did her bronze medallion this season and has not stopped since! Rachel achieved 69 total hours patrolled, nearing the most out of anyone. Rachel also achieved her IRB Crew certificate and was part of the IRB racing team. Affectionately known as “Ra Ra” Rachel has been a great rookie to have at this club for both her patrolling duties and her great attitude! Well done Rachel.

Life Saving Operations

Patroller of the Year - Max Leonard

This season Max Leonard was awarded Patroller of the Year. The Patroller of the Year is awarded to an individual who has gone above and beyond for the club and for the community. This award is not just based on patrolling duties but also building community awareness, personal development, enthusiasm and passion for lifesaving. Max has showed these attributes this season. Max went to Gold camp in September 2012, where he received his gold medallion and received employment as a paid lifeguard for 2 weeks of the season. Max also achieved his Silver Medallion Advance First Aid, Aquatic Rescue and Basic Beach Management. Max also assisted in organising and running the Junior Regional Carnival, Presentation and End of Season party. Max took on a role at the beginning of the season as a Lap Legends coordinator. Max has excelled as co-ordinator increasing the numbers of patrollers participating for points. These are all impressive feats but the greatest thing Max achieved this season is that he still achieved 100% of his rostered patrol hours as a patrol Vice Captain for Patrol 5 who also won patrol of the year. Max Leonard did a fantastic job this year and no job was too hard for him to achieve. Congratulations Max, your hard work has paid off.

Patrol of the Year – Patrol 5

Patrol 5 was the winning patrol this season, closely followed by patrol 6 and patrol 4. Patrol 5 was lead by Bec Morris with Max Leonard and Max Rounds as vice-captains. Congratulations go to Patrol 5!

PATROL 5

PC: Bec Morris

VC: Max Rounds, Max Leonard

Mentor: Nat Jowett

IRB Driver: Jess Ransom IRB Crew: Daniel Young

4WD Driver + ATV: Nat Jowett Basic BM: Bec Morris

Senior FA: Max Leonard ARTC: Kat Morris Spinal: Lindsay Ritchie

Life Saving Operations

Ansell and Bolton Most Outstanding Active Award – Tarryn Thom

The recipient of the Ansell and Bolton Award for the most outstanding active was awarded to Tarryn Thom for season 2012-13. Tarryn is an extremely well liked and respected member of our club. The various roles she has carried out over the season include trainer at the December bronze camp and January SRC/Bronze program. Tarryn has also been an Age Group Manager for Nippers and a huge support for her sister Teagan in her role as Junior Coordinator. As well as officiating for the Junior and Senior competition teams.

Tarryn's major commitment to the club was her role as Patrol Manager. Tarryn was responsible for the coordination of all patrol rosters for the season and was on call all season to help patrol captains and deal with any issues that arose. She patrolled 100% of her patrol hours, a total of 61.5 hours for the season. Congratulations to Tarryn who is a true leader and sets a great example to other patrollers.

President's Award – Gayle Morris

The recipient of the Presidents Award for season 2012-13 is Gayle Morris. A request was placed asking for help in improving the clubs media coverage. Gayle offered to help with this on top of her already important role in the club of grants officer. A role that is important in securing much needed funds for all areas of the club operations. Gayle took on the media role with much enthusiasm and far exceeded our expectations. Inverloch SLSC's coverage in the 2 local papers has been a feature throughout the year. Gayle has built a relationship with both publications that they now trust her articles and photos and publish them as presented. On top of her media and grants roles Gayle also worked on community relations and keeping sponsors in touch with club news. She was a huge help to Teagan throughout the Nipper program and always willing to do a shift in the kiosk when required.

Life Saving Operations

Gayle took on the role of IRB Team Manager during their competition season and was a much needed support for Bec and Issy. Gayle is to be commended and thanked for her ongoing commitment to all areas of the club.

Chief Instructor's Award – Max Rounds

This season the Chief Instructors Award went to Max Rounds. Max has been a great asset for the club this season and had an influence on the following Qualifications

- Basic Beach Management
- Public Bronze Camp
- IRB camp
- Summer Bronze and SRC
- IRB crew training

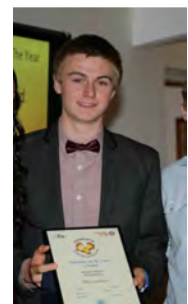

Thanks to Max for all his efforts throughout the season.

Café Tsunami Patroller of the Month

This award goes to a patroller or patrollers who have given additional time and effort to the club for the specific month. They are awarded a \$50 Café Tsunami voucher that is kindly donated by Café Tsunami every month!

October – Max Rounds & Erin Kerr
December – Max Leonard
February – Nathan Mansfield

November – Tarryn Thom
January – Kate Edney
March - Beau Van Agtmaal

Life Saving Operations

100% of Patrol hours

This is not an easy task so congratulations and thanks goes to everyone below.

Tarryn Thom	Sophie Malan	Bronte Cameron

Mat Tiederman	Nathan Mansfield	Oliver Collett
Isabelle Tomas	Xavier Molyneux	Daniel Dalgleish
Jordon Tomas	Daniel Monacella	Tayla Delaney
Jasmine Wightman	Emily Monacella	Aidan Glackin
Jake Ahmed	Katrina Morris	Aoife Glackin
Dan Young	Bec Morris	Cameron Harris
Max Leonard	Kaitlin O'Halloran	Rupert Hudd Bailey
Liam Maher	Angus Oakley	Xavier Hughes
Angela Malan	Max Rounds	Erin Kerr

To the Future

The Club from an operations perspective is going very well. With 190 patrolling members it means 'we have many hands to make light work'! However, we must not get complacent, the beach at Inverloch is becoming increasingly popular with beach attendance growing every year. We need to stay vigilant to make sure that when we are on the beach we are doing our job well and keep everyone safe. We are a young club with many of our patrolling members under 20. What I would like to see is an increase in member retention of the over 20's to show leadership, maturity and overall create a great culture around the club.

This season I have enjoyed the challenges Club Captain has brought me, I have enjoyed working with the members at the club. However I think I have enjoyed being a part of the club and a part of lifesaving the most.

Brendan 'Redman' Densem
Club Captain

Training

Chief Instructor's Report

Training

Advanced Life Saving Camp/ Gold Medallion

This season has been a massive season in training with many people receiving new qualifications. We started the year off with 6 participants and 1 Instructor getting accepted to go to the Advanced Life Saver camp. This camp was a great opportunity for the participants to achieve their Gold Medallion.

Inverloch was very well represented by Bec Morris, Nat Wabbis, Max Rounds, Max Leonard, Sam Suke and Tim Evans over the week. All 6 participants were rewarded with jobs as Lifeguards which is a credit to their efforts.

The Gold medallion is the highest level in lifesaving. This great achievement was accomplished this season by Erin Kerr, Max Leonard, Max Rounds, Sam Suke and Tim Evans. I would like to encourage everyone to strive for their gold medallion even if you have no interest in working as a Lifeguard. If anyone is interested in achieving their Gold please contact me.

Basic Beach Management

This year was the first year our club has run a Basic Beach Management course. This course was very disappointing as we ended up with 3 trainers and one 1 participant. Basic Beach Management is a vital part of our patrols so I hope more people can put their hand up for the course in years to come.

We did however have a better attendance for the LSV run course at Inverloch in August, where we had a number of participants learn and develop new skills and enjoy a new course.

Kew Camp

We had a new addition to our club, the Kew High School Bronze camp. The Kew school came across from Cape Paterson looking for a change of scene and have been a great inclusion to our club. 14 participants and 2 teachers showed their talents and were all successful in getting their bronze. Big thanks to Tarryn Thom, Hilary Hughes and Brendan Densen for training during the week. We had a great number of participants from this who have stayed around the club and become

Training

valued patrollers; this was highlighted by the rescue that was performed over the season.

We are now looking forward to building this relationship with Kew and congratulate all the participants and trainers for their efforts.

Luther Camp

The annual Luther camp kicked off our massive month of training with a bang. Headed by Kat Turner and a large team of young trainers, 18 participants were put through their paces learning all the skills required to be lifesavers. It was a testing week for the young group but they all came through with flying colours.

It was great to see the young group of trainers take on the task with such a great outcome. I look forward to seeing this group develop as trainers in years to come. Thank you to Heather Kerr for her efforts in the kitchen again this season.

Training

Public Bronze Camp

Another successful bronze camp was run by Tarryn Thom, Hilary Hughes and Bec Morris. We had a very strong group of 24 participants this season with many participants coming through the SRC program. All participants achieved their bronze over the season. This camp has gone from strength to strength with a strong experienced group of trainers.

A thank you must also go out to Lorraine Ritchie for again putting her hand up with all the cooking and food preparation over this week.

If anyone is interested in becoming a trainer at future bronze camps please email to chiefinstructor@isisc.org.au

Summer Bronze and SRC

Again we had our annual SRC and Bronze course run over January. 16 SRC's and 5 new Bronze medallions came out of this course. A lot of the SRC's had come through the Nippers. Congratulations to all the participants for their efforts.

Overall, our Bronze camps were a great success, with so many new Bronzes. This was also a great financial gain for the club as we were able to receive a significant amount of money from the training grant.

Training

IRB Drivers Camp

This is the first year we have run a full week of IRB Drivers training. 6 participants had a great week learning everything there is to know about IRB driving and were tested with a great variation of conditions. At the end of the week all 6 were not only skilful enough to get their Drivers Qualification but demonstrated skill well beyond their experience levels.

Big thanks to Max Rounds for helping me run the camp over the week.

IRB Crew training

This year we tried something new for crew training. Each patrol was given 5 participants to do all the practical training with. Each participant then attended an IRB theory day, with the final assessment at Easter. I was very happy with how well this worked. We had 17 people pass their Crewman's at Inverloch this season. There were a large number of people that didn't get enough practical hours prior to the assessment in Easter. I encourage all those people to chase up an IRB crew assessment. I look forward to seeing this method of training improve in years to come.

Development Camp

Another strong Inverloch showing at Dev Camp this season, both as participants and as instructors. The group had a tough week of training and a few unfortunate medical emergencies. I was very proud of all the participants and trainers for how they conducted themselves .

Jake Lurati
Chief Instructor

Youth & Leadership Development

Junior Report

Season 2012/13 saw 180 Nippers take to the Inverloch surf beach for our annual Nipper program. It was great to see so many new, as well as returning families. With blue skies overhead and thankfully plenty of beach, our Nippers set about learning new surf skills & beach awareness. Over 50% of our Nippers went on to complete their s-badge, which is their competition skills requirement, allowing them to compete in the Venus Bay vs. Inverloch Carnival and the Eastern Regional Carnival held on Australia Day at Inverloch.

It was pleasing to see so many of our Nippers head to Venus to contest the Inlet cup. Despite the tough water conditions, the Inverloch Nippers were able to retain the Inlet Shield (Bill & Gwen Bowers Perpetual Shield) for another year. We were very lucky this year, with Mother Nature being kind to us 8 days out of the 9 day program. The clubhouse once again proved its worth when dangerous water conditions called for us to run a revised program on one day.

A new introduction to this year's Nipper program was our Inverloch Nippers champs day. This gave all our Nippers the experience of competing against their fellow Nippers and putting into practice all that they had learnt over the program. Even more exciting for the Nippers was seeing their water safety, parents & siblings show us their beach skills when battling for flags. We finished off the day with our usual Nipper BBQ and the very popular cupcakes. Presentations were made to our age group champions & Nippers of the year.

A huge congratulations to Samantha O'Neill and Ethan Tomas on being this year's Female and Male Nipper of the year.

Youth & Leadership Development

Of course none of this could have been possible without my huge support crew.

A special thank you to all the water safety who gave up their time to help the Nippers in the water. To all my age managers who did an amazing job, to my 2 BBQ coordinators Janine and Rosemary and to Leanna for all the cup cakes.

I must also thank Yvonne McMahonn who took and compiled the beautiful photographs of the Nippers with all proceeds going to the nipper program.

Also a huge thank you to all the parent helpers who helped out where required whether it was in the water, carrying the towel bags or turning sausages on the BBQ, every bit helps.

As our Nippers progress through the program we see them build their skills and grow into patrolling members. This season 8 of our Nippers went on to complete their SRC award which is a huge achievement and well done to all.

Our Junior Club Captains, Kate Edney and Katrina Morris did an exceptional effort of organising the rookie BBQ for our new bronze members. Giving the rookies from across the 3 camps to meet and have a chat about their experiences on camp. Kate and Kat also did an amazing job on organising the SRC trivia night where great fun was had by all in attendance, including our very own club captain.

Five of our young up and coming leaders headed to the LSV U15 Leadership and Development Camp held at Lyrebird Park in Yellingbo for two jam packed fun filled days. Gabbie Burns, Olivia Hughes, Moni Burt, Finn Donohue and Ollie Collett were faced with individual and team challenges, including high and low rope courses, team initiatives and orienteering. I must say Ollie has an amazing voice after the participants put on a performance for us on the Saturday night.

Youth & Leadership Development

Over the weekend the participants had a fantastic opportunity to form new bonds with other members from across the lifesaving community. Lots of new friendships were formed and our guys had a fantastic time. All five should be very proud on how they performed over the weekend and are all very promising new leaders in the future.

This year also saw our YIP's coordinator Jane Markesich attend the inaugural Leadership and Development Camp weekend held by LSV in Aireys Inlet. This weekend offered a huge opportunity for participants to learn about their own leadership style and to develop themselves further.

YIP's this year was once again successful with 46 of our 13-18 actives enrolled in the program and 13 awards presented over the season. Jane did a great job ensuring that participants were getting their books completed and also introducing a board session specifically for YIP's with the help of younger upcoming leaders.

Many thanks to the Board for their support over the past year, the nipper committee for their hard work, Nippers and their families and all our helpers for their ongoing enthusiasm. Can't wait to see you all on the beach for season 2013/14.

Teagan Thom
Director - Youth and Leadership Development

Youth & Leadership Development

Youth Involvement Program – YIP's

The 2012-2013 season was another big year for our YIP's. The program grew from 32 to 46 participants who collectively achieved 13 awards, a huge 7 of them being Silver awards with Nicholas Thomas achieving both Bronze and Silver. Everyone's hard work has meant that there are many more who are very close to achieving their next award and will likely reach one at the beginning of next season.

Our first Gold YIP's, mentors Thomas Malan and Holly Du Plessis, now have their names on the honour board and if the progress of some YIP's keeps going next season they will be joined by a few more!

We also had our first scheduled YIP sessions, and our first group board session run by mentor Thomas Malan and YIP's Xavier Hughes and T.J Blizzard was a huge success.

Congratulations to the award recipients:

Bronze:

Zoe Campbell, Emily Monacella, Olivia Hughes, Elise Burt, James Ward, Nicholas Thomas.

Silver:

Kahlia Truman, Xavier Hughes, Katrina Morris, Olivia Monacella, Kate Edney, Nicholas Thomas, Tristan Blizzard.

A big thank you to the mentors Holly and Thomas, Teagan Thom and Angela Malan for their assistance throughout the year.

Looking forward to another great season!

Jane Markesich
YIP's co-ordinator

Competition

Nippers Competition Team – “The Invy Titans”

Once again the 2012/2013 season proved to be a challenging one for the Junior Comp Team for a multitude of reasons and despite obstacles being put in our way at every turn we had our most successful season on record.

Training moved along through the month of January in line with Nipper days and we saw some interesting prospects emerge. After cancelling the “Inlet Cup” Challenge last year due to bad weather all Invy Nippers made the journey to Venus Bay to defend our title. A beautiful day greeted us with testing surf conditions and a few jet-skis playing in our water. Invy rose to the challenge once again and held on to the Cup for another year! ☺ Smiles all round from Teagan, the Nippers Crew and El Presidente!!

Cosy Corner was to be our first hit-out for the serious side of competition but Mother Nature intervened once again. A building heatwave had competition day predicting a 43+ degrees C and not a cloud in the sky. After making the call to pull the pin a few days earlier we found out, too late, that LSV moved the competition back 24 hours to a predicted cooler day. The joys of having no internet signal in the Caravan Park at Invy...all Christmas!! Aaaaarrggghh!!!!

Mt Martha – mid January!

Finally, we get some serious race time for the summer. A nice day with warm conditions and an afternoon sea breeze gave us an interesting day. We brought home a handful of ribbons spread across the team and had a few of the younger team members retrieved by the IRB when the south-westerly wind picked up.

Australia Day – Regionals at Invy!!

Invy was asked by Lifesaving Victoria to host the Eastern Regional Nipper Championships.

It was either us or Lakes Entrance for the weekend. Luckily we said yes!! They came from Woolamai, Waratah, Wonthaggi, Seaspray, Lakes Entrance and Venus to do battle with the Invy Titans!!

Regional Championships is the qualifier to go to States in the Teams events so we needed a good showing here to secure a few of the Team spots for Lorne.

Competition

Overall we came second to Venus, after having beaten them on their home ground in the Inlet Cup challenge but we had done some serious damage to the record books as far as Invy was concerned.

No less than 60 Invy Nippers qualified for 51 Team Events at States. It was going to be "Bigger than Ben Hur" with Invy at the forefront of competition for the Eastern Region!!

We even had 6 Titans qualify for the Blue Ribbon Event – The Ironman / Ironwoman in various Age Groups!! Things were indeed looking good for the Invy Titans!!

But once again fate stepped in and threw a spanner in the works!! A late March Easter break and the Long weekend threw sporting calendars into chaos. Finals in all sorts of sports were moved, pushed back, brought forward to accommodate the public holidays. What was a free weekend for many of us now became a juggling act to see if we would even get to Lorne!

In the end 27 competitors and their support crews (parents, siblings) made it to Lorne over the two days of battle!! For the record this was 3 times the number of competitors we had for States the previous year!!

Lorne – Victorian State Championships 2013

After last year's washout we were glad to see a warm but overcast morning on the Saturday. A 1-2 foot swell with little wind gave us some great conditions to start our campaign at the 2013 Titles. The Team Managers meeting revealed that some 1500 Nippers were entered for the weekend. The largest field for many years and this would make things tough for everyone.

Overnight the wind picked up and so did the swell. The 1-2 footers of Saturday were replaced with 3-4 footers on Sunday, peaking at 5 foot down in the Under 9's area!

A spot of rain just to keep us on our toes was eventually replaced with sunshine later in the day.

Many competitors had to be retrieved from the surf by the Water Safety guys after getting smashed by the rolling sets and Invy suffered a few casualties in this area too.

Competition

Invy Wins MEDALS at States:

Carrying on from his outstanding results at Regionals Koda Blizzard ran his heart out to blitz the field in the U11 - 500m Run taking the Gold Medal in the first event of the championships on Saturday!!

At the other end of the weekend the Boys U10 Beach Relay took out the Bronze Medal in probably the last event of the day to be run!! Tom Bowman, Tate Crampton, Albie Eberbach and Will Curtain go into the Invy record books as the first Junior Team to win a medal at a State Titles for the Inverloch S.L.S.C. An outstanding effort after having already done a full day's competition that day and many events the day before.

Whilst our first medals were the crowning glory at Lorne they weren't the only highlight of the weekend.

The Titans continued to make history for "our little" club and our historian may well run out of ink in her ink well recording the achievements of such a small bunch of athletes.

TOP TEN FINISHES:

Koda Blizzard backed up his Gold in the run with a 4th in the Boys Surf Race and a 6th in the Ironman . We see a big future for this potential Nutri-Grain Ironman. Must run in the family!!

Will Curtain just missed out on a medal, placing 4th in the U10 500m run with Tate Crampton not far behind him in 9th spot.

FINALISTS:

The Under 12 Boys - Angus McGillivray, Hugh Bowman, Hayden Rees & Nathan Ward battled hard against strong competition to make it to the final in the Aqua Cameron which is probably the hardest team event on the calendar – great effort boys!!

The retiring veterans of the Invy Titans (U14 Girls – Moni Burt, Meg Greenwood, Olivia Hughes & Sammy O'Neill) fought an uphill battle all weekend against the powerhouse clubs of Pt. Leo, Mentone, Ocean Grove and Jan Juc. To their credit they never gave up and were rewarded with a finals birth in the Surf Teams Race.

Well done Ladies and may you go on to bigger and better things in the Senior Ranks in the years to come.

Competition

My highlights reel for the Season:

Hayden Rees for the best attitude I have seen from anyone his age and I quote. *"Hey Coach – I didn't get a Medal but I went out there and gave it my best!!"*

Matt Preston (Masterchef Fame) for not taking out a 'Restraining Order' on Cherrice Blizzard at States!!

Wave of the day at Lorne goes to James O'Neill in the Under 9 Board Relay finishing on his knees as he hit the beach to the cheers of the onlookers. Just like your old man James – a big show off!! ☺

Koda Blizzard for a clean sweep at Regionals!!!

Blue sky and Blue Ribbons all day – A coach can't ask for any more than that!!

THANK YOU'S:

To all those who gave their time willingly to do Water Safety for us at training, at Carnivals and at States.

David Greenwood for Officialling at Lorne on the Sunday when we needed help the most!!

All the Age Managers who "volunteered" for Lorne, making my job so much easier. Some got thrown in at the deep end but came through the weekend with flying colours I'm glad to say...

The Invy Titans for doing us proud simply by turning up and having a go. First place or last you are all winners in my book and you have done yourselves and your club proud indeed!!

See you all next summer!

Rob O'Neill Coach – Invy Titans

Competition

Senior Summer Competition Team Report

This season was again another exciting one for our team; one where I believe we took a small step forward, as opposed to the 2 giant leaps we have taken over the past 2 seasons.

Here's a snapshot

- We successfully implemented a pre-season training camp as a result of team member feedback and we were very fortunate enough to have elite level coaches and competitors join and assist us in the running of the training weekend.
- We again raised in excess of \$10 000 with the IRB racing team to ensure we had appropriate resources for the entire season.
- We competed at 5 major surf carnivals and again at the Victorian State Championships.
- We had 2 competitors represent our club at a National Level – The Australian Titles
- We introduced a new uniform item as a result of member feedback – a water proof, wind proof, beach hardy jacket.
- We purchased 2 new boards and covers, on top of the large amount of gear we purchased late last season including the first adjustable ski of its kind in Victoria.
- And we did all this, whilst having one hell of a time along the way!!!

Inverloch Surf Lifesaving Club

Annual Report 2012/2013

Competition

Speak to anyone of our team members and I would be very surprised if they don't tell you they felt included, welcomed and encouraged across all aspects of the team from training, to competing and even in social settings. We pride ourselves on creating an inclusive environment where everyone feels comfortable to have a go and be a part of this wonderful sport of lifesaving.

You'll notice that I say "we" all the time – well when I say "we", I speak on behalf of my wonderful subcommittee of Sam Cresswell, Nat Wabbis, Henry Rushford, Jed Hughes and Stuart McKenzie. This bunch has been instrumental in ensuring all of the things I mentioned before were able to take place this season. Sam & Nat designed and ordered our Jackets, Jed implemented our fundraising program, Henry took charge of our gear and Stu, well he was just Stu!! Having this amazing bunch of people by my side has been incredible and I would not have lasted the journey without them, all of them are truly some of my greatest friends and for their help this season I am forever thankful.

Similarly I would like to thank the Board for all their support this season; their encouragement, words of wisdom, patience and comradery has ensured that my time as a Board member has all been positive. Not a week went by without sharing a phone call between Ang and Rob asking for some advice or help and every time I was met with a positive response. Jake I would like to thank you for what you have done with the IRB team over years which has benefited our Summer Comp Team. You are an incredible serviceman to this club and I would like to publicly thank you for all you have done as a superb volunteer and great clubmen.

My final bunch of thanks for now before I present these awards goes to Officials and of course our competitors. Ang, Rob, DG as well as Nat, Maxine, Red and Tarryn all jumped on board for at least one carnival this year to allow us to compete – I always use this line because it is so true – Without you we wouldn't be able to compete. Thank you so much for helping us out, we are very thankful. And for our competitors – well guys, you all know that I do this for you, and to give you an opportunity to experience something special, create new friendships, strengthen existing friendships and to grow personally whether it be socially or competitively. It is all of you that have allowed me to do this and get so much out of lifesaving. Final thanks goes to my family – Mum, Dad and Chloe my sister, thanks so much for putting up with me, giving me space and time to put into the club, for supporting me and encouraging me to always strive for my best. You have given me so many opportunities in my life so I hope you enjoy seeing me opening up opportunities for others.

Competition

Female Athlete Of The Year.... Issy Tomas.

Issy is an unbelievable competitor and one who for her age is very driven and focused. Issy's main event is the beach flags, and throughout the season Issy has had a lot of success in the flags.

At our training camp way back last November it was clear how hard Issy was willing to work for success, she pushed herself a lot harder than most of our Senior Males and really set the tone for work ethic in most of our sessions. This continued throughout the season as Issy set her sights on success in the water events – this was also very noticeable as she trained regularly on the board, and competed accordingly. As States drew closer, Issy also took it upon herself to seek out some extra coaching and did some sessions with a national champion beach flagger. Issy, you're a legend, we love you, I love your style too – keep training, aim high and anything is possible. See you at Aussies in Scarborough next year.

The Nick Leman Male Athlete of the Year –Tristan TJ Blizzard.

Take one look at TJ and you can see that he has been naturally gifted with an athletic ability that most of us would only ever dream of. TJ comes from a strong pool swimming background however has really stamped himself as an ocean swimmer and ironman through many many hours in the water over the summer. TJ competed at almost all of the carnivals we attended over summer and really showed how passionate he was once he put that club cap on. He competed like there was no tomorrow and seriously left others in his wake. A bronze medal in the 2km run at States and a win in the U/17 Ironman at Pt.Leo were probably TJ's best achievements however it is the way he went about things that really set him aside.

Competition

TJ shows great sportsmanship and displays everything we strive for as a team and even though he is naturally gifted, he works incredibly hard for his success. Keep training hard boss, and start mowing your grandma's lawns more often to save up for a board of your own because again, anything is possible.

Coaches Award – Sam Cresswell

(my favourite award, and going to one of my favourite people)

Sammy has not just been my best mate for a very long time, he has been an unbelievable support to me this season. About halfway through last year I remember Sammy clearly saying to me "Mate, if you ever need anything to do with the club, just let me know and I'll do it." To his credit, Sammy has done that and more. I couldn't have asked for anything more from you mate so thanks so much. I think it's probably important to mention as well that Sammys career as a competitor hasn't been exactly fruitful, I think in his time, he has probably been to around 15-20 carnivals and only competed at about 2 maybe 3 of those, yet he is always there willing to tow a trailer, set up a tent, cook some pasta and offer his clutch as kindling. Don't ever change Sammy, you're an unreal bloke and hopefully you remain injury free from now onwards.

Competition

That's about it from me, I just want to finish by outlining my plans for next season. As the team already knows, I will be stepping aside as the front man of the team and will move into a different role which will mainly evolve around my position as director of competition at the club. Being the front man, as rewarding as it is, can be tiring at some stages and moving into my final stages of Uni I have no idea what the imminent future holds. I have used a couple of analogies to describe how I see my new role – instead of being the Mark Need equivalent fronting the wrath every week, I would like to be CEO who lurks in the background. Or instead of being the captain of the ship, I would like to be the navigator reading the maps and hopefully picking out the icebergs well before it's too late. In saying that, I'm really keen to focus on my training and work hard on some other projects at the club. I've had one passionate individual state they are keen to take over as the front man, however keen to hear from a few more of you.

Thanks

Luke Foster

IRB Racing Team Report

To begin, this report needs to go back to July 2012 when our IRB team of 12 members and family supporters took to cars and planes and travelled to Umina (north of Sydney) to compete at the Australian Titles, known as the 'Aussies'.

Jake, Lars, Wabbis and Bec towed the boat and gear and were like proud parents as they took delivery of their new baby a day before racing was to start – a Thundercat IRB which we had ordered 11 months prior. A quick training session with the boat by drivers and crews and everyone was primed and nervous to start racing.

Four Inverloch teams competed and faced stiff competition in the heats. Female Teams made it through to the semi finals finishing in the top 10 in Australia. Most amusing was the Queensland Clubs that complained about the cold water whilst the South Australians and Victorians just shook their heads and took it in their stride.

Season 2013 saw a few team changes with Rachel (RaRa) and Emma (Tankie) joining as patients whilst a few of last year's team left after getting the travel bug. Training sessions began at Inverloch beach, with a memorable weekend training session run by Jake and Lars at the Thompson family dam. A big thank you to Val & Neil who cooked for the hungry team.

IRB Team for 2013

Men's A – Jake Lurati & Jordy Tomas

Men's B – Max Rounds & Max Leonard

Women's A – Isabella Meagher & Camille Thompson

Women's F – Bec Morris & Carly Heislars (Hilary Hughes crewed at Dromana)

Patients – Katrina Morris, Rachel Fraser, Emma Purcell, Elyshia Symons, Isabelle Tomas

Beach Team Managers – Lars Reisinger & Gayle Morris

The IRB Premiership Series kicked off with 18 Clubs registered for the season coming from as far as Lakes Entrance to Portland.

Series 1 - Dromana provided flat water with speed and technique essential for the day. Highlight of the day was Isabella, Camille and Katrina being awarded 2nd place for Female Rescue with the Inverloch Club finishing 5th for the day overall.

Competition

Series 2 & 3 – Ocean Grove saw a double header weekend with racing on both Saturday and Sunday. Saturday provided small waves whilst Sunday saw bigger, more challenging waves. Men's and Women's Teams raced well reaching finals in many events.

Series 4 – Bancoora - Injuries, work and study commitments took their toll on some of the team and Bancoora saw only Women's F team entered for the day. Weather reports all week had been talking about big swells and after taking 2 IRB's out to test the waves it was decided that competition would be cancelled for the day and scrutineering to take place prior to State Titles.

State Finals - Lorne was listed as a two day event for State Titles but hopes were high to finish all races on the Saturday. Whilst Melbourne suffered from fog and heavy rain the Lorne beach provided good even waves and only ten minutes of drizzle. Sunscreen was being applied mid morning and the only complaint of the day was the long length of the run to the boats and then finding the IRB in waist deep water or ankle deep water depending on the tide.

Presentations provided the biggest surprise of the Series with the Inverloch Female Crews being awarded the perpetual trophy for 'Most Improved'. Trophies were also received for 3rd Overall place in Women's Team Event (Bec, Isabella, Carly, Camille, Rachel & Katrina) and 3rd Overall place for Women's Team A for the season.

The racing season provided the IRB team with the opportunity to further develop their relationships with both the Portsea and Portland IRB teams. The relay race gave us the chance to once again race under the 'Portlochsea' combined team name.

Competition

Our team members are to be commended on packing up Portsea's tent and gear at the end of Ocean Grove racing when a Portsea member had a suspected spinal injury (fortunately not sustained). Thanks also go to Portland who provided us with an Official at the Lorne State titles.

Thank You's: The season would not have been possible without the assistance of:

Parents: Dropping off and picking up your kids to training and early morning rendezvous to carnivals. Special thanks to Gayle & Michael Morris who transported many of the team and to the Invy cheer squad on the beach who could always be heard when the team was racing.

Officials: Without you we wouldn't be able to race so thank you for standing on the beach all day whilst we had all the fun – Nat, Max L, Tarryn, Teagan, Luke F, and Jed.

Team Managers: Lars who helped patients, crews and boat get to the correct lane for each race at Dromana and Ocean Grove and Gayle who managed at Lorne.

and to Rob O'Neill who was always on the end of the phone in case we needed to check on his valuable source of wisdom in the IRB domain.

Competition

Surfboat Report

The second year of the Inverloch SLSC Surfboat Team saw the continued development of the Masters Women team and advancements in developing this new competition stream within the club, including –

- **Season goals** were set & largely met! Our goals were -
 - Develop sweep skills sufficient to compete in surfboat competitions
 - Develop surf rowing skills in existing & new rowers sufficient to compete
 - Compete at rowing carnivals in manageable conditions
 - Have sufficient 'fit' qualified rowers to train & compete
 - Train together weekly in the boat (80% individual attendance goal)
 - Encourage new teams from within the club.
- **Team** – Six of the same rowers and sweep (Geoff Allum) are still involved = Michelle Roberts, Nicole Hassall, Fiona Hughes, Sarah-Jane Mead, Rosie Markesich (injured) & Jane Edney (injured), we have also recruited a new rower and one has retired (Kirsty).

The physical demands of the sport have not been kind on Rosie & Jane who both are recovering from long term injuries, but hope to rejoin the team in the spring in preparation for next season.

Retaining the same core of rowers & sweep demonstrates significant commitment as the team has continued to row every Sunday at Inverloch throughout the whole year and train independently at home!

- **Encouraging new teams** – we have continued to encourage new rowers and teams within our club membership. We are very keen to grow this aspect of the club, but the commitment involved is very high and to date despite our best efforts no new teams have committed to continue beyond attending a few sessions.

In the last year we have had a number of individuals & groups try out rowing and train with us at Inverloch, but unfortunately whilst being enthusiastic and showing potential, none have committed to regular training in the sport. These have included –

- Junior women – 5 rowers
- Junior men – 4 rowers
- Masters women – 2 rowers

Competition

- **Training** – the surfboat team have continued to row every Sunday at Inverloch with an 80% individual participation goal. Our weekly rowing at Inverloch may be the only activity of the club that continues throughout the whole year & is visible within the Inverloch township & community. This year we are considering having a short break during winter while the weather is at it's worst.

To help develop our skills we have

- trained with the St Kilda Team which changed our stroke style considerably.
- Geoff Allum completed a weekend Sweep School, which was great for skill development and developing a good network on contacts.
- The rowers also trained at a specialist Ergo (rowing machine) fitness centre to improve our stroke & fitness.

Competition – The Masters Women's team competed in one carnival over the summer and finished second, which was a very pleasing result. We would have liked to compete in more carnivals, but were unable to due to injury, rower availability and the teams level of skill.

- **Equipment** – we have continued to maintain our two boats and trailers with regular working bees and are currently in the process of refurbishing a set of oars.
- **Media** – the surfboat team have featured in a number of local newspaper articles during the year, both at the initiation of Gayle Morris from the club and Australian Surf Rowers League (ASRL).
- **Sponsorship/Fundraising** – The surfboat team still has sponsorship funds within the club accounts, but unfortunately our sponsor cannot renew this year. We have sufficient funds left for our anticipated needs so no further fundraising has been undertaken at this stage.

Summing up, it's been another big year of learning for the Inverloch Surfboat team with significant progress made in developing this new activity within the club. I would like to thank the club for their continued support and congratulate and acknowledge the courage and determination of the Inverloch Surfboat team!

Michelle Roberts
Surfboat Captain

Sponsorship & Fundraising

Sponsorship, Grants and Media 2013

Sponsorship

Our major Platinum sponsors RACV Inverloch Resort, Bendigo Community Bank Inverloch and LJ Hooker Inverloch have continued to support the Club this year which we greatly appreciate.

The Clubhouse building recognition board which included the 'Buy a Brick' program was completed in January prior to our first Open Day to the public. It was quite a task going back through the old paperwork to ensure that donors were suitably recognised. We also acknowledge the many silent donors who contributed with a cash donation and a comment 'just put it towards your clubhouse'.

Sponsorships/Donations of any size are genuinely welcome and we thank the ongoing support that we receive from various businesses within the Inverloch community. The Nippers BBQ receives support from Paul the Pieman (bread), Inverloch Quality Meats, Inverloch Gas (gas refills), Esplanade Hotel (ice) and Greens Foods (cupcake mixes) and individual Nipper families who sponsor our Nipper Water Safety with a sausage and drink for the day.

Café Tsunami has continued to support our Patroller of the Month with Action Fire Services, Chris Buxton (electrical), Steve Miller (plumbing) and Jones Air-conditioning all offering services to the Club.

Fundraising continued through various forms including the New Year's Tin rattle, Local Farmer's markets, Nipper BBQ, Jazz Parade, Foodworks loyalty program, Waterski event, Soccer Club Gala Night and Boardies Day. The Competition team members tin rattled at a Fitzroy intersection on several weekends to fund their costs. A sincere thank you to all members who participated in these events.

At the end of the Patrol season a Community letter was distributed to the businesses within Inverloch highlighting our achievements and building on the support that many of these businesses contribute to the Club.

Our current Club 'wish list' varies from eggs and lollies for the Nipper cupcakes to equipment purchases including rescue boards and a new Thundercat IRB. If you know someone within a business that you think may be able to assist us with any product or service then please let us know.

Sponsorship & Fundraising

Grants

Grants are very competitive and highly oversubscribed as organisations realise their worth. This year we have been successful in receiving Vic Talent Grants for both the Summer Comp Team and IRB Team (\$500 each) to assist with their transport costs to carnivals. 20 Water Safety rash vests were purchased with a Vic Government Uniform Grant (\$500) whilst a VicHealth Grant aimed at increasing participation in sport (\$2,500) will go towards purchasing new Nipper Boards. SP Ausnet Grant (\$500) was thanks to the Glasscock family with the Emergency Services Grant partly contributing towards the new Holden Colorado Ute and hard hull IRB.

Media

The Club has received a lot of positive feedback to the articles printed in The Sentinel-Times and Star newspapers. The aim of these articles is to promote the many facets of the Club including our Patrols, Competition teams, Bronze/SRC courses, Nippers, Camp Candidates and Community participation.

As I write these articles for the newspapers I am in constant awe at what our members have achieved - 5,266 patrol hours, 54 Bronze Medallions/12 SRC's trained by fellow members and Competition results. This culminates in two essential words that proudly appear in most articles - 'Volunteer Member'.

I must confess to being a little bit excited and nervous as I turn the pages of the papers to see which photo/s they select to go with the article and how much space the papers have allocated to us. I hope you have enjoyed seeing these articles displayed on the noticeboard and have in turn learnt a little more of what happens within our Club.

Gayle Morris

Financials

Finance Report

At the end of last year's financial report I wrote –

“My goal for the next 12 months is very simple. To be able to write this report and repeat myself – “We are in a good position financially but we have no room for complacency.”

It gives me much pleasure to say that I have achieved my goal and I can truthfully state that we are in a good position financially as you can see by looking at the accounts attached to this Annual report.

Last year I wondered – “where will the money come from to run the club, how do we fund Patrols, manage the clubhouse and still have time to promote the Nippers, Competition Teams and do the million other things that make the wheels turn. I now have a better understanding of this but as always there are no simple answers.

The money comes from so many different areas that it is almost a tornado of incoming and outgoing cash flows whizzing about in my head each month. At this point the incomings are exceeding the outgoings quite nicely but to quote myself from last year – ‘we have no room for complacency’!!

Several Grants that gave us a much needed income boost this season may not be available next summer so we need to make sure that we don't over extend on some items.

Another example – The Kiosk also known as ‘Our Little Cash Cow’ continues to grow. The profit from this venture increased nearly 20% over last year and put just under \$25,000 net into our bank account.

I shudder to think what the result might have been if not for the dynamic duo of Maureen Ansell and Heather Kerr. Their dedication to this facet of the club is just sensational. They open up in the morning, close it down at night and stand behind the counter when no one else is around to help.

Ladies – you do an unbelievable job and Thank You doesn't even come close to covering it.

To all the other volunteers who assisted “Batman and Robin” over the summer you have my heart felt gratitude and I hope that we will see you back behind the counter this summer too. Feel free to bring another club member to assist you and keep you company whilst providing this valuable service to the public and the club.

Financials

We cannot take the Kiosk for granted and especially those who willingly give up their time to make it the success that it has become. We always need extra hands to take a shift or two and reduce the burden on those who carry the bulk of the load!!

Things change rapidly from one season to the next and we must remain vigilant at all times throughout the year to make sure that we are not placing ourselves in an untenable situation.

The Board's good management and careful planning has yielded some spectacular results though.

In 2012-2013 we completed phase one of the Asset Replacement Program. All the gear we have used over the last 14 years, as we saved for a clubhouse, was well past its use by date! Last year we added just over \$80,000 of new assets. This year that figure exceeded \$110,000 of new assets. The jewels in the crown being the brand new Holden Colorado Dual Cab 4 x 4 (Thank you Mr Secretary), the second Hard Hull IRB for Patrols and the spanking new Can-Am Commander 800 A.T.V!!

The Board will now be implementing Phase 2 of the A.R.P.! This is the expansion of the core assets being replaced thereby enhancing our rescue capabilities further allowing us to expand our Patrol Services to the Inlet and the RACV Outpost on a more regular basis as required. This translates to: more

Rescue Boards, Rescue Tubes, First Aid gear and the transport to take equipment and personnel to remote locations. We will look for Grants and sponsors to make this happen rather than increasing membership fees and prices on apparel and functions!!

Financials

The Competition Teams again stood tall on their own and I take my hat off to them once more. The IRB Team took delivery of their first Thundercat Racing Boat last July and is looking towards possibly purchasing a second one in the not too distant future. Fozzie and Nicko whilst competing at the Aussie's this year did a bit of bargain hunting and came home with another handful of Comp boards for the Summer Team to use. Outstanding lads!!

Even more pleasing were the number of individuals who took advantage of the deals on offer at Aussie's and invested in their own boards. Our club is growing faster than we predicted and like most clubs we seem to come up short when things become popular. The club will struggle to completely cater for the variety of skill levels of individuals in boards, ski's and the like, so investing your own time and money in the most suitable equipment for you is indeed a worthwhile exercise. This also takes some of the burden off the club. NB: Kids (of all ages) – send a note to Santa about getting your own board this Christmas 😊

We had some other wins along the way this year too. We managed to beat the banks at their own game for once. They took \$1000 from us in bank fees and we took \$1300 back from them as interest. We have \$35,000 odd more in the bank than the same time last year which is a great position to be in.

The Nippers sold about a million sausages, cupcakes and cans of drink this summer just gone. This has allowed them to order 10 new boards on top of the 6 new ones last Christmas and these will be ready to hit the beach with the Nippers in the 2013/2014 Season.

We surpassed 'small business' status turning over nearly \$290k for the year. Not bad for a "volunteer organisation"! We converted that turnover into a Trading Profit (before Depreciation) of nearly \$147,000. The scary part about this is that it means it cost \$143,000 to run the club this year!!

Just to let you all know - there is still room for improvement!! We would really prefer not to see an electricity bill (seasonally adjusted) of just over \$6,000 for the year. We wouldn't mind not spending over \$3,000 to repair boards that people carelessly damage while out playing in the surf each season. A \$2,500 repair bill to new IRB motors could easily be avoided with a bit of care and commonsense.

Financials

Membership fees only cover 25% of our operating costs so if the repair bills and utilities continue to spiral we will need to look at ways to cover this and membership is one area that the Board will consider. We are still one of the cheapest memberships in Victoria and we can stay that way if everyone thinks first then acts!

Despite the issues we have in some areas, our overall position is one that many clubs in Victoria envy.

We have a solid reputation with Lifesaving Victoria. Our presence on the national stage is growing through both the summer and IRB Teams competing at State and National titles. We are consistently asked to host carnivals, Regional and State Titles as we always put on a good show!! We have one of the best clubhouses in Victoria and people love to come and see it and play on our beach.

Success breeds success but hard work makes success happen in the first place!!

Make no mistake, we have a long way to go on our journey into Lifesaving folklore but we are walking tall and striding strongly towards it. We have good people in charge, good people working tirelessly behind the scenes and a solid foundation for a bright future. The finances are only one part of this and happily they too are in great shape.

We cannot afford to be complacent!!

To plagiarise - John F. Kennedy:

Ask not what your club can do for you but what you can do for YOUR club!!

See you on the beach!!

INVERLOCH SURF LIFESAVING CLUB

Notes to the Financial Statements For the year ended 31 May 2013

Note 1: Summary of Significant Accounting Policies

This financial report is a special purpose financial report prepared in order to satisfy the financial reporting requirements of the Associations Incorporations Act. The committee has determined that the association is not a reporting entity.

The financial report has been prepared on an accruals basis and is based on historical costs and does not take into account changing money values or, except where specifically stated, current valuations of non-current assets.

The following significant accounting policies, which are consistent with the previous period unless otherwise stated, have been adopted in the preparation of this financial report.

(a) **Property, Plant and Equipment (PPE)**

Leasehold improvements and office equipment are carried at cost less, where applicable, any accumulated depreciation.

The depreciable amount of all PPE is depreciated over the useful lives of the assets to the association commencing from the time the asset is held ready for use.

Leasehold improvements are amortised over the shorter of either the unexpired period of the lease or the estimated useful lives of the improvements.

(b) **Impairment of Assets**

At the end of each reporting period, the entity reviews the carrying values of its tangible and intangible assets to determine whether there is any indication that those assets have been impaired. If such an indication exists, the recoverable amount of the asset, being the higher of the asset's fair value less costs to sell and value in use, is compared to the asset's carrying value. Any excess of the asset's carrying value over its recoverable amount is expensed to the income statement.

(c) **Cash and Cash Equivalents**

Cash and cash equivalents include cash on hand, deposits held at call with banks, and other short-term highly liquid investments with original maturities of three months or less.

(d) **Revenue and Other Income**

Revenue is measured at the fair value of the consideration received or receivable after taking into account any trade discounts and volume rebates allowed. For this purpose, deferred consideration is not discounted to present values when recognising revenue.

Interest revenue is recognised using the effective interest rate method, which for floating rate financial assets is the rate inherent in the instrument. Dividend revenue is recognised when the right to receive a dividend has been established.

Grant and donation income is recognised when the entity obtains control over the funds, which is generally at the time of receipt.

All revenue is stated net of the amount of goods and services tax (GST).

(e) **Goods and Services Tax (GST)**

Revenues, expenses and assets are recognised net of the amount of GST, except where the amount of GST incurred is not recoverable from the Tax Office. In these circumstances, the GST is recognised as part of the cost of acquisition of the asset or as part of an item of the expense. Receivables and payables in the assets and liabilities statement are shown inclusive of GST.

INVERLOCH SURF LIFESAVING CLUB

Notes to the Financial Statements

For the year ended 31 May 2013

(f) Investments

Investments held are originally recognised at cost, which includes transaction costs. They are subsequently measured at fair value which is equivalent to their market bid price at the end of the reporting period. Movements in fair value are recognised through an equity reserve.

INVERLOCH SURF LIFESAVING CLUB

Independent Auditor Report

Report on the Financial Report

We have audited the accompanying financial report, being a special purpose financial report, of INVERLOCH SURF LIFESAVING CLUB (the association), which comprises the Statement by Members of the Committee, Income and Expenditure Statement, Balance Sheet, notes comprising a summary of significant accounting policies and other explanatory notes for the financial year ended 31 May 2013.

Committee's Responsibility for the Financial Report

The committee of INVERLOCH SURF LIFESAVING CLUB are responsible for the preparation of the financial report and have determined that the basis of preparation described in Note 1, is appropriate to meet the requirements of the Associations Incorporation Act and is appropriate to meet the needs of the members. The committee's responsibilities also includes such internal control as the committee determine is necessary to enable the preparation of a financial report that is free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on the financial report based on our audit. We have conducted our audit in accordance with Australian Auditing Standards. Those Standards require that we comply with relevant ethical requirements relating to audit engagements and plan and perform the audit to obtain reasonable assurance whether the financial report is free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial report. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial report, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the association's preparation of the financial report that gives a true and fair view, in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the association's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by the committee, as well as evaluating the overall presentation of the financial report.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Auditor's Opinion

In our opinion, the financial report presents fairly, in all material respects, the financial position of INVERLOCH SURF LIFESAVING CLUB as at 31 May 2013 and its financial performance for the year then ended in accordance with the accounting policies described in Note 1 to the financial statements, and the Associations Incorporation Act.

INVERLOCH SURF LIFESAVING CLUB

Independent Auditor Report

Basis of Accounting

Without modifying our opinion, we draw attention to Note 1 to the financial report, which describes the basis of accounting. The financial report has been prepared to assist INVERLOCH SURF LIFESAVING CLUB to meet the requirements of the Associations Incorporation Act . As a result, the financial report may not be suitable for another purpose.

Signed on : 1/7/13
