President

It has been another sensational year for the Club, with no doubt the announcement and commencement of construction of the Clubhouse, the absolute highlight. Continued growth in all areas of the Club, and results on and off the beach, also played a significant part.

Events

Surf and Sand Fun Run

Now in its second year, run by George and Janet Misson, and a montage of willing helpers, over 250 competitors enjoyed the Inverloch beach on a warm but windy day

Anderson's Inlet Swim Classic

Also in its second year and also run by George and Janet Misson and helpers presided over 150 competitors enjoying Anderson's Inlet on a beautiful summer's day

End of Season Farewell

A terrific way for patrolling members to celebrate a job well done.

Various Other Social Get-togethers

A fantastic social network.

Membership

Membership is still sky rocketing, up from 416 last year to over 522, with 164 active members contributing to the safety of the beach (4,330 patrolling hours) and many others contributing to the health of the Club. The construction of the Clubhouse has sparked more interest and I hope to see further strong growth. We continue to see fantastic enthusiasm and numbers via the natural progression of Nippers into SRC's and our bronze camps, in particular from our association with Lutheran College.

Finances

We posted a healthy surplus of \$227,535 (\$68,858 last year) due to grants, sponsorships and donations and continue to grow our base of surf life saving equipment (\$125,855 of fixed assets). Grants, sponsorships and donations are a key funding source for the club representing a substantial component of income. Our cash reserves of \$359,514 are primarily reserved for the Clubhouse construction.

Equipment and Support

Equipment purchases continued in order to maintain and extend our services, and included more nipper boards, safety vests, an IRB racing motor and trailer, various other first aid equipment, etc. Thanks to Rohan & Megan White and Rod and Tennille Hall of the Western Beach Caravan Park for their support in providing accommodation to our

patrolling members. Some of members managed to test the friendship, therefore we especially appreciate their support. Also, many thanks go to other key supporters:

Guy and Teresa Copley of Copley Enterprises; and

Blair Hodges of First National South Coast Real Estate for 10 years of fantastic support that enabled the Club to purchase many life saving equipment necessities.

Well done to Gayle Morris for securing a number of grants during the year – sounds like a permanent job. As always, the generosity and support of members, supporters and sponsors continues to underpin the club's future.

Competition

Competition is an important part of surf life saving as it provides an enjoyable social experience where Nippers and patrolling members can improve their skills while benefiting from exposure to other life savers across the state. The club organised another State Carnival at our beach and as many as 500 Nippers took part with around 1,000 associated visitors. Thanks to David Greenwood, Leanne du Plessis, Brendan Swaine, and the many others that assisted for organising a great event and our own George Misson for being Carnival Referee.

In its second year, the IRB racing team has provided a boost to our driver and crew morale. Well done all and especially to Rob O'Neill for all his hard work coaching and mentoring the team, the "flying squad".

It was great to see Inverloch's first ever medals at senior carnivals (at the Lorne Surf Lifesaving Carnival). Congratulations to:

Silver - Sam Cresswell - U/19 2km Run

Silver - Nick Leman - Open 2km Run

Bronze - Stuart McKenzie - U/19 Beach Sprint

Bronze - Luke Foster - U/19 Swim

The Women's IRB team also created history, winning its first ever trophy (3rd) in IRB Racing, competing in the Southern States Challenge at Warrnambool!!! Congrats to the proud Women's race team of Dana de Bondt, Candice Richardson and Bec Morris.

President

Nippers

Yet another fantastic season of Nippers with 137 taking to the beach over the first 3 weeks of January 2010. It is a great forum for children to learn about water safety, improve their beach and surf skills, forge long lasting friendships, and learn a sense of community. Thanks to all those that helped make this possible and especially the Nippers Committee (led by Angela Malan), Nipper helpers and the fantastic water safety.

Club Facilities

This time last year I was writing about how the club operated from shipping containers while we were endeavouring to raise the significant funds required to build a clubhouse. As you know the Club's building sub-committee managed to secure \$500,000 from a state government grant program and now we are in the midst of constructing a purpose built home at an approximate cost of \$1.3M.

While the Club has accumulated significant amount from its extensive fundraising efforts, there are a number of key groups that have been instrumental in ensuring the Club was credible. These include the Inverloch and District Community Bank, the Bass Coast Shire Council, the Inverloch Jazz Festival, Inverloch Lions, Inverloch Rotary, LJ Hooker (Inverloch), Bass Coast Community Foundation, Thiess Degremont, various other stakeholders and the many "Buy a Brick" supporters.

Thanks to the Building Sub-committee, including Alan Bolton and David Schultz, with a special thanks to Trevor Dando for all his hard work and expertise with finalising the plans, statutory approvals and construction management.

A super special thanks to those personal guarantors who put up their pledges in order to get the project over the line. Without you the project would never have obtained approval whatsoever – FACT!

Congratulations

Congratulations to all those members who attained qualifications during the year. A number of willing participants were successful in achieving bronze medallions and Surf Rescue Certificates via the various camps and training sessions during the year. In particular, thanks to Chris Malan and Hilary Hughes for this high standard of training. A concentrated Regional Training Camp was again held at Waratah beach during January, which saw a number of our patrolling members put through the

hoops returning with many new qualifications, skills and experiences. Well done to all.

Thank you

This will be my final year as President and I thank the Committee for their continuing hard work and support during the year. Their efforts and perseverance are crucial in ensuring the Club fulfils its important community roles in ensuring the safety of beach goers and developing young active leaders of the future. A super special thanks to Club Captain (Nick Leman) and his leadership team of Vice Club Captain, Patrol Captains, Vice Patrol Captains, Mentors, Managers (Competition and Bronze Camp), etc. The efforts of this hard working team have been instrumental in building capability and sustainability for the Club. A special thanks to all those members that made a contribution during the year - in providing patrolling services, educational training, organising Nippers, administration and many other behind the scenes efforts. If I have missed anybody, I apologise as there are so many who do so much and if it were not for all of you, the Club would not survive.

The most special thanks go to my family, Leanne, Holly and Georgia. For without their support, assistance and patience, I would never have been able to devote the time required to the job at hand – thanks girls!

Future

I look forward to a bright future for the Club with growing membership and participation, especially with the new clubhouse facility. The enthusiasm of the members will be paramount in securing the Club's long term sustainability. That is, securing a robust membership that enables life saving services to be delivered in a professional and friendly environment.

Philippe du Plessis — President

Life Saving Operations

2009/10 was a nostalgic summer for our surf club, as it was the last patrolling out of the containers (a little bit sad).

We continue to be the vibrant, bold, fun and welcoming lifesaving club that has made us such a special club over the past 10 years. We have supported each other and worked together as we always do, to make this our most successful summer yet.

The 2009/10 patrolling season has been one of the better seasons of recent times. I think we have grown as a group and are continuing to improve our team work, communication and patrol skills. The key to our success has once again been our strength in numbers. We have again grown our patrol roster and shared the load in a more sustainable way.

A big thanks to everyone who patrolled. A massive congratulations must go to our 5 Patrol Captains (PC's): Dave Neely, Sarah Hull, Brendan

Swaine, Luke Foster and Nat Jowett. Four of these members were PC's for the first time this season. I have been so impressed with the organisational skills and maturity of these rookie PC's. So well done to you all!

IRB Maintenance and Gear

Lars Reisinger and Jake Lurati did an outstanding job as IRB captain and gear steward. They prepared our IRB's, motors and gear for the season as well as maintaining them over the summer. We had four operational IRB's for the entire season with minimal problems. Well done boys and thanks for all your hard work!

IRB racing

Rob O'Neill again forged further into history by leading our IRB racing team for the second year. This is such an exciting step for our club and one that we need to support. Rob took our team to carnivals all over the state. Thanks Rob for your power of work and commitment to moving our club forward.

Life Saving Operations

Bass District Development Camp

Inverloch had a record 8 candidates on this year's development camp.

Well done to: Luke Phillips, Stuart McKenzie, Bec Morris, Jess Ransom, Holly du Plessis, Steph Atchison, Maxine Lockie, Sarah Hull

Also well done also to Renee Schultz who was on the management team, and to Brendan Densem, Hilary Hughes, Harvey Jones, Nick Leman and Luke Foster who were leaders.

Silver Camp

Nat Jowett and Jane Markesich attended the silver camp in Lorne in late 2009. Well done to these two for furthering their lifesaving education and making more friends across the state.

IRB Camp at Venus Bay

Candice Richardson attended this camp and had a great time getting her crew. Well done Candice!

Luke Foster gets his gold medallion

The big boys came out to play on Monday 20/12/09 for the district gold medallion requal. Invy dominated with Nick Leman and Luke Foster going 1st and 2nd in the 400m swim, 400m run, 400m board, 400m run mission. Luke went on to obtain his gold medallion. Well done young fellar, a great effort! Luke is the 8th person from our surf club to obtain this top award.

Lifeguarding

Inverloch had three members undertake paid lifeguarding in season 2009/10. Luke Foster stepped up to the big time and did a tremendous job lifting the vigilance bar as a rookie guard. Nick Leman and Jake Lurati along with Luke guarded at Inverloch, Waratah, Tidal River and Gunnamatta. Highlights included 11 rescues in 1 day by Nick and Fozz, the glory board, sun ointment and passion pit!

Ski Session

Sarah Hull, Maxine Lockie and Nick Leman did the first learn to ski session on Sunday the 18th of Oct. It was a great introductory session to learn the basics of surf skiing / kayaking.

Spinal Incident – Volleyball fundraising night

The lifesaving club managed a serious spinal incident at our beach in Jan 2009. A fund raising ball was organized to raise money for the patients home and car modifications.

I was lucky enough to attend the ball and meet

both Peter and Melissa. I was quite nervous when I walked into the room and saw Peter for the first time. I spoke to Peter and Melissa and it was a humble experience to meet two people who had such a positive outlook on life after such a serious incident. It has strengthened my resolve to ensure we provide a quality lifesaving service each time we are on patrol, and has reinforced to me that what we do is serious business.

A group of our members on behalf on the life-saving club donated a weekend package worth \$400 for the auction - Thanks to the Malan's for organising this.

George and Janet's wedding

I was lucky enough to be at the wedding of George and Janet in Waikiki, Hawaii on the 24th of September. This was a magical occasion set in the most beautiful of locations. George and Janet arrived by outrigger canoe to an anticipating group of family and friends from all over the world. The surf club was represented by David and Jan Schultz, Renee Schultz and Ash, Lauren Kerr and Trevor, Alan and Maureen as well as Nick and Andy.

It was a really special occasion to see the coming together of two people who have played such a big part in the lives of so many Inverloch lifesavers. George has been a mentor for so many and his legacy of friendship, loyalty, and mentorship shone through with his lifelong friends from around the world congregating for the special day. Mahalo to George and Janet for having me at their wedding, it was a touching occasion that I will never forget.

Turning of the first sod

It was a historic Easter for our club. On Sunday April 4th 2010 Philippe du Plessis, Alan Bolton, Maureen Ansell, Trevor Dando, David Schultz and Renee Schultz stood united on the site of our new clubhouse and turned over the first sod. This marked the most significant milestone in our clubs history.

To the future

It's going to be an amazing 12 months for our club. A lot of change, a lot of new experiences and a lot of new challenges await us. Let's embrace our club like never before and march into the new clubhouse with vigor. The time has come for us to become a real surf club.

Nick Leman — Club Captain

Training

The 2009/10 season has seen continued growth in membership and a corresponding increase in active participation and retention. From a training perspective total awards were down slightly on the previous season. This reduction was primarily due to a late change in the Advanced Resuscitation qualification protocols to include suction and defib and the lack of qualified trainers and equipment to successfully implement the revisions in time for both Luther and Inverloch Bronze Camps. This will be addressed for season 2010/11.

On a positive note, the significant increase in the number of active members completing proficiency requalification is a great outcome and a reflection our ability to engage and retain active members.

I would like to take this opportunity to acknowledge some of the standout awards and achievements for the season:

Luther Bronze Camp with 52 new awards.

Thanks to the Luther team for this and the ongoing support of the club. We now have a significant number of past camp graduates assuming key leadership positions in the club.

ISLSC Bronze Camp with 41 new awards.

Thanks to Hilary Hughes and her team for this outstanding achievement.

Bass District Development Camp with 26 new awards. Thanks to Rob O'Brien and the team

8 Nipper program graduates gained their SRC. In addition, 7 ex nippers completed their Bronze medallion continuing the growth of one of our key development paths. All made a big contribution to patrols over summer.

Tim Evans became the first club member to progress through all levels of the Nipper program, complete his SRC and, this year, complete his Bronze Medallion. An outstanding effort from Tim.

Luke Foster gained his Gold Medallion and served as a paid Lifeguard over summer. We currently have 4 active Gold medalion holders in the club.

Summer Bronze & SRC with 21 new awards. Well done and thanks for the contribution to patrols in the second half of the season.

I would to thank everyone who contributed to another successful season and we all look forward to a great year ahead.

Chris Malan — Chief Instructor

Junior Division

Nipper season 2009/2010 showed once again it's an intensive program that goes from strength to strength. The program was once again at capacity. The program ran three days per week over three weeks with age groups U7 through to U13 & 14.

The success of the program can be attributed to the hard working volunteers who spend hours on the beach filling roles as Age Managers, Assistant Age Managers, parent support and the all important water safety officers. Off the beach we thank the volunteers who man the BBQ and help with the ongoing repairs of Nipper boards.

This season saw the introduction of a new structure with Assistant Age Managers taking a greater leadership role under the supervision and mentoring of experienced Age Managers. These new positions ensure we retain the interest of and develop leadership roles for young patrollers who have come through the Nippers program and have invaluable experience to share.

Due to a very successful BBQ and fundraising over the 2008/2009 season we were able to purchase 2 Redfin competition paddle boards for the use of older Nippers. Age Manager shirts were also purchased to ensure Age Managers were a visible presence on the beach, this proved to be a great success. I am very pleased to say that the 2009/2010 Nipper season BBQ and fundraising was extremely well supported by our Nipper families, a total of \$2500 raised, which will enable us to purchase some much needed boards for Nippers use.

The Nipper sub committee's hard work pre season paid off with a well-run program that enabled all Nippers to benefit from a surf education program structured to meet the needs of all age groups.

Off the beach we enjoyed each other's company at the welcome BBQ at Pymble Avenue and at the extremely well attended presentation night at the tennis club. This night was a great success and it was wonderful to celebrate the Nippers' achievements and in particular the announcement of Nippers of the Year – Emily Monacella and Nicholas Thomas.

Inverloch SLSC once again hosted a very successful State carnival at which 104 very vocal red and yellow Nippers did us proud in tough surf conditions. Many thanks to all those parents who assisted us on the day.

The ongoing success of Nippers and our club lies with the progression of Nippers becoming patrolling members. These young patrollers provide invaluable support in the form of water safety and in assistant age manager roles. It is also fantastic for Nippers to form friendships with older members of the club. A measure of success for the Nipper program is the increasing numbers of Nippers gaining awards to patrol the beach. This season 8 Nippers gained their SRC award and 7 their Bronze medallion. We also had 3 senior Nippers attend leadership development camps run by Life Saving Victoria, a valuable opportunity to develop leadership skills and meet fellow lifesavers from all around Victoria.

We look forward to season 2010/2011 as a period of change and growth for our club. A clubhouse will provide us with much needed facilities for storage, training and social occasions. Many thanks to the committee, Nipper committee, Nippers and their families for all their support for a very successful season and we look forward to next season. See you all at the beach!

Angela Malan — Junior Coordinator

Youth Involvement Program

The YIPS – Youth Involvement Program continues to develop the young people in our Club. It is a program for 13 – 18 year olds to encourage their ongoing participation and involvement within the Club through a recognition and reward scheme. Participants in the program gain credit points towards Bronze, Silver and Gold awards.

We have a total of 23 members participating in the program this season: Holly du Plessis, Georgia du Plessis, Tim Evans, Thomas Malan, Molly Hassall, Alex Monacella, Molly Bacash, Kelsey Buxton, Bronte Cameron, Chelsea Deenen, Ben Ellis, Emilie Harrison, Amanda Hiscock, Brittany Kilner, Jane Markesich, Paul Markesich, Katrina Morris, Kaitlin O'Halloran, Amity Pope, Lindsey Ritchie, Emily Robinson, Emily Shand and Zoe Younger.

All these participants continue to contribute to all areas of the Club – Patrols, Nippers, Competition, Administration and Social Activities.

This season we have had Bronze level achieved by – Katrina Morris and Silver level - Tim Evans, Thomas Malan and Alex Monacella. Congratulations to each of these participants.

Next season will hopefully enhance the YIPs program with the access to Club rooms that will enable greater connection between the YIPs participants so I look forward to the ongoing involvement of those members already involved in the Program and hope more of our youth members will “take up the challenge” and be recognised and rewarded for contributing to all aspects of our Club in the coming seasons.

Kirsty Evans — YIPS Coordinator

Just some of our YIPS

Competition

At the start of the season the goals for the competition season included:

- Compete at 3 main events: Cape Aquathon, Phillip Island Channel Challenge and Lorne SLSC Carnival;
- Have a minimum of 5 members compete at each event, with the hope of having 10 members at each event for the following season;
- Run at least 1 training season for the members interested in competing;
- Encourage members to attend the Bass District Carnival; and
- Encourage increased participation at Club Champs

Cape Aquathon

Competitors were met with torrential rain and freezing cold winds at cape Patterson, however the 7 members who competed were up to the challenge ahead.

Nick Leman and Luke Foster gain an earlier lead in the swim, however were later caught by the following pack of swimmers. Jed Hughes overcame the rough conditions and sea sickness caused by swimmers ear to come out of the water in a strong position, whilst Sam Cresswell and Luke Phillips looked stagnant from the word go.

Jack Dudley made early grounds in the run as a local Cape Paterson favourite took a strong lead. Holly du Plessis competed in the team's event and competed soundly to finish mid-field.

As always the day was a great success, bringing together competitors from far and wide to enjoy a great competition! Each year the Cape Aquathon has more and more people getting involved, and truly is a great event that we would love more Inverloch members to get involved in.

Phillip Island Classic

Beau Van Agtmaal, Nick Leman, Jed Hughes and Luke Foster all made the pilgrimage to Phillip Islands most famous event; the Channel Challenge. The penguin parade and super bike grand prix meant nothing, as every man and his dog was out to see this spectacular event.

The lull of the tides fell at exactly 12:00 noon as competitors scurried across the channel which separates Western Port Bay and The Great Atlantic Ocean. Jed Hughes showed his training was paying off as he came out of the water

ahead of the Big Rig Club Captain of Nick Lemaan. Luke Foster struggled against the strong currents, whilst young Van Agtmaal, former state butterfly champion seemed to glide across with ease. It seemed things were going from bad to worse for Nick as realization struck that his runners were back at the containers as he moped home in bare feet to finish off the 3km run in an appalling position.

Competitors finished strongly as the crowd well in excess of 10 000 cheered like none other. Those that competed should be commended on their tireless efforts. Their courage shone through with that true Inverloch Spirit.

Cowes Classic

Two of our junior girls participated in the team event of the Cowes Classic. Holly & Georgia du Plessis and their partners performed well beating many competitors home.

Bass District Carnival

The 18 competitors were met with some big waves but we persevered and had fun tackling the challenging conditions. It was really great to see everyone enjoying themselves and encouraging each other to participate.

The carnival was not huge but there was a great sense of camaraderie between the competitors and the feeling that we were starting something

Some memorable moments included the swim race - where the local knowledge of the Wooli competitors shone through, two great stacks in the board race, the kids flip the next morning, jakes carrying and running with his board, Frankie the dog, the marquee and smurfs run from his car straight into the swim race.

Big thanks to:

Mick Sullivan and Jess Bowman for their hard work behind the scenes getting everything organised

- Woolamai SLSC for hosting the event
- Craig Ross and Mike Whittaker for their support and work as officials on the day
- Ivan Webb for his photography
- Spike for cooking the dinner
- Alex Skooks and his crew for doing water safety in the tough conditions
- Chelsea Bowman and her band of helpers for recording the results on the day and especially to all the competitors who took part in the carnival

Competition

We spoke on the day about how the last Bass District Carnival was held in the late 80's. Let's build the bass carnival over the next few years to bring it back to its glory days where each club would bring a large team of competitors and everyone would stay around afterward for a BBQ

I believe there is a strong movement to build up the competition side of all the clubs in the Bass District, so let's see this event as the start.

Lorne SLSC Carnival

It brings with me great pleasure and huge excitement to announce that Inverloch SLSC won its first ever medals at the Lorne Surf Lifesaving Carnival over the weekend. For 11 years now, Inverloch has been hidden in the shadows of the bigger clubs such as Ocean Grove and Anglesea, However, Inverloch proved it can match it with the best as our boys came home with a swagger of medals!!

On Saturday was the Masters events and sadly none of the Inverloch 'Masters' brought out the speedo's to compete against the big boys. At the next carnival, we would love to have some entrants in the masters class, as we found out that it's all about having a go!! No entrants in the masters ensured that we could spend the afternoon surfing at the Leeman's favourite break "Kennet River". The surf didn't disappoint with all the boys having a jaffa, this set-up some positive spirits for the following days competition. A great yarn or too can be told about the surfing that went down, maybe ask one of the boys for a special chat regarding the new surfing policies!

Sunday Morning was a cracker as the U/19 and Open Men set off on the 2km beach run. Nick Leman and Sam Cresswell set the tone for a successful day with Silver Medals in their respective age groups. Luke Foster (4th), Cam Harris (8th) and Luke Phillips (12th) all fought hard to represent Inverloch. Never had Inverloch won a medal before, and suddenly we had two medals in the space of minutes!! The Next event saw Harris and Sammy Boy fight hard in the beach flags, where Harris went on to make the final in the U/19's category. No medals in this event, but some good times were definitely had. As Fozzy, Harris and Sammy Boy all marshalled for the beach sprint, a late arrival, Stuart McKenzie rocked up just in time to fill the last spot in one of the heats.

What Timing this turned out to be as Stuey made it through to the final with Sammy and Harris.

What Timing this turned out to be as Stuey made it through to the final with Sammy and Harris. Inverloch stunned the pack with 3 competitors in the final as Stuey raced away with a Bronze medal!! What an effort from a bloke who had'nt even the time to warm up before the event! The board paddle saw, Leeman, Mope and Fozzy all give 110% through the tricky conditions that Lorne had to offer. These boys should be especially commended on their efforts as the treacherous conditions really tested them. A storm hit Lorne just before the swim event as Leeman and Fozzy braved the elements for the last event of the day. The U/19's event proved successful as INVY grabbed its 4th medal of the day with Fozzy coming away with Bronze. The boys were pumped as Fozzy felt he had redeemed himself from the gut-wrenching 4th place in the earlier 2km run. Leeman came home strong in 6th place in the Open Men's Swim.

Medals

Silver - Sam Cresswell - U/19 2km Run

Silver - Nick Leman - Open 2km Run

Bronze - Stuart McKenzie - U/19 Beach Sprint

Bronze - Luke Foster - U/19 Swim

Congratulations to all competitions who made the pilgrimage down for the weekend - Nick, Sam, Cam, Stu, Luke and Luke. We had a fantastic weekend away and were just stoked with the results achieved during the carnival. We endeavour to continue our competition side of lifesaving as we believe this is only the start. Next event we hope for more competitors and more medals, so lets all get onboard and show these clubs we have what it takes.

Well done again boys, everyone is so proud of your efforts over this History Making weekend!!

Club Champs

This year's clubs topped of an exciting and historical season for Inverloch. Beautiful sunshine mixed in with high competitive spirit allowed for a successful day 'down at the beach'!!!

The club champs on Sunday 4th April was a fantastic way to finish off what had been a successful season for Inverloch. We had the highest number of competitors ever to take part in all events ranging from board paddles to 100m sprint; beach flags to open water swims. Age groups included U/15's, U/18's, Open and Masters in both Male and Female categories. And yes, you guessed it, the master's competition proved the most enthralling races for the entirety of the day!!!

Competition

The Open Males and Females set the tone for a great day's events, with early sportsmanship shown in the board paddle. They fought hard to win their event, however the countless amounts of high 5's post race ensured that the 'INVY spirit' would be the major focus of the day.

Our U/18 males had the highest number of competitors for the day as these boys fought like warriors to grab the title of club champion. Whilst our U/18 females had not as many competitors, they made up for it with great comradeship shown in every single event undertaken.

Often we get carried away with 'who is winning' and 'who will win' however it was fantastic to see and hear so many cheers and support from fellow competitors and the large crowd of family and friends who came down to watch for the day. This was particularly evident in our U/15 events as the focus was primarily on everyone having a red hot go and giving it their all.

Finally our masters showed that they are still a big part of INVY as they fought tooth and nail in every single event. These competitors proved that age is no barrier for fun, but as Cliff Smith happily quoted "If I was younger, my calf would have never been this tight!!"

A special thanks goes to Angela Malan and David Greenwood who played a huge role in running the events on Sunday. The competition would have not run without you, so thank you kindly. And our age group managers who worked tirelessly tallying results all day. Thank you also to all our competitors who made the day such a success. We are looking forward to next season's club champs already!!!

Summary

The success achieved throughout this season has only laid the foundation for the clubs competition in years to come. We are so proud of all those who put their heart on the line to represent Inverloch throughout the season. Thankyou also to those who helped us along the way, and especially our two mentors Nick Laymen and Philippe 'Lieutenant' du Plessis. Let's hope this time next year that everyone is once again talking about the success achieved in the competition front.

Luke Foster & Luke Phillips — Competition Coordinators

IRB Racing

Season 2010 was the second year of competition for the Invy IRB Racing Team, affectionately known as – “The Flying Squad”!!!

Whilst there were many up's and down's over the racing calendar a reflective look back can only define the overall result as a successful season that continued to build on the foundations laid down last year.

In 2009 the Committee generously agreed to “fund the experiment” of starting an IRB Racing Team. Back then we weren't sure if we would even get through one season let alone be expanding, improving and planning for future seasons with objectives and goals already in the pipeline.

With the clubhouse project taking precedence The Flying Squad went it alone and raised their own funds for Season 2010. A raffle and a couple of Tin Shakes certainly paid dividends. The money raised allowed the Team to purchase an additional IRB Trailer and a brand new Mercury Motor to succeed the faithful second hand Tohatsu purchased last season. The BP Achilles (our flagship) and the Tabcorp Achilles boats were the weapons of choice for the Racing Season and they served us well not only surviving the season but are ready to go again next year, after passing a stringent State Titles scrutineering process with flying colours.

Recruiting some rookies from the ranks of Invy and seizing the opportunity to pick up some additional talent from our Bass District flatmates over at Woolamai, we fielded our biggest contingent this year with 3 men's and 1 women's crew.

The Team could have been a lot bigger had Elli not decided to take maternity leave, Lizzie not spent her summer in a half pipe at Whistler (Canada) as a Top 10 Aussie Amateur Female Snowboarder and Grace spending the gap year “serving her country” in the Royal Australian Navy.....

We did however manage to create a few milestones in our second year of racing and ones that I hope will be broken for many years to come.....

Invy had a Top 10 finish (7th) in the Overall Standings at the Victorian State Championships at Ocean Grove in June this year.

The Ladies managed Top 5 in the State for the Women's Mass Rescue Event narrowly missing out on a medal.

This on top of our first ever piece of silverware for 3rd place in the Women's Teams Event at the Southern States Challenge in Warrnambool in early June.

Rob “King Julian” O'Neill came out of retirement to assist the Team at State Titles but quickly realised that tired bones, extremely cold water and a lack of disabled access to many beaches means that he should stay above the high tide mark and leave the racing to those more agile and less matured than he.....

Big Jake Lurati started a trend for Tube Swimmers to “Speedo Up”!! Despite what felt like sub zero ocean temperatures, this “testosterone charged” behaviour was spreading like wildfire and by the time the State Titles came around, no less than 3 other candidates (for the nuthouse) were seen at Ocean Grove taking up the Speedo challenge. (A real worry!)

As the Coach I am only a part of the whole and without good people in and around the team then it ceases to function as a team. Huge thanks goes to Lars & Jake on their output for the entire pre-season and racing season itself. Not only in their racing but for the countless hours of work done making sure that the boats and motors made it to the start of each and every carnival.

From one parent to all the other parents, I appreciate the efforts of those parents who bring team members to training and deliver them to various drop off and collection points as we travel all over the State in pursuit of our chosen sport. For the most part you are the forgotten and unappreciated members of the Team but maybe, just maybe, one day your children will understand the sacrifices you make for them, simply because they will be doing the same for their children. From me however it is very much - **Thank You!!!**

We are already drawing up our wish list of equipment for next year and a trip to Glenelg at the end of July 2011 for the Australian IRB Titles is well into the planning stage. Just like a lot of other sports IRB Racing requires a big commitment, takes up a lot of time and requires an enormous amount of effort but the rewards and the satisfaction of a job well done are never far away.....

**Rob O'Neil — Coach “The Flying Squad”
IRB Racing Team**

Sponsorship & Fundraising Report

Season 2010 has seen the club ramp up our endeavours in gaining sponsorship for the club. We have been able to attract a number of businesses to sponsor as our club has increased its visibility to the public. Fundraising has also been on the rise ensuring that we can continue as a vibrant club.

First of all I would like to thank Southcoast Real estate for their sponsorship of the club over the past 10 years, and without their help we wouldn't be in the position we are today. They have been great supporters, however they have decided not to continue. We wish them well for the future.

Sponsorship

The Inverloch and District Community (Bendigo Bank) continued as our major sponsor for the 2010 season, and their commitment to our club is greatly appreciated. We also had the RACV Inverloch Resort begin as a patrol sponsor for the season, this was our first patrol sponsor, and although late in commencing it lifted their profile through great signage on the beach.

I'm pleased to announce that next season the Bendigo Bank will be joined by the RACV Resort Inverloch as a Platinum sponsor, also joining them as platinum sponsors I would like to welcome both LJ Hooker Real Estate and the Money Sense Financial Group. LJ Hooker have made a commitment for the next 5 years to the club and Money Sense previously sponsored our 2008 ball, so it's great to them have back again.

Another newcomer for the 2011 season will be Arundel Constructions who have taken up a Silver sponsorship and we welcome them on board. In addition, over the next 3 years Inverloch Marine will sponsor the IRB's and 4 Wheel Drive, so look out for the new livery on the truck and IRB's.

To our existing (listed elsewhere in this report) and new sponsors a huge thank-you for your commitment to the club, which ensures that we continue to grow and prosper. To the membership please support the business above by using their services.

Fundraising

We have continued to grow in fundraising through a number of activities, a big thank-you to all who have assisted with tin raffles, selling raffle tickets, cooking and serving sausages, helping at activities within the club, and purchasing bricks for the Clubhouse.

Nippers continued to raise record funds through their regular sausage sizzle, and assistance with the New Years Eve tin raffle and participation in the Jazz Festival. This year the IRB team have also raised funds through running a raffle and tin rattling in Warragul. Thanks to both the Nippers and IRB's personnel in raising funds as this ensures that the club finances are maintained at a healthy level.

The "buy a brick" donations continued to roll in with in excess of \$10,000 being raised this year. Thanks to all the people who have contributed, and remember it's not too late to "buy a brick".

I also take this opportunity to thank Gayle Morris who not only ran the Nippers sausage sizzle in trying times, but also secured a number of grants enabling us to purchase new equipment.

Thanks to George and Janet Misson for the organisation and running of the Fun Run and swim events, that are continuing to grow in numbers, and providing recognition of the club whilst raising funds.

Overall, we have had a great season, however the challenge become greater for us in 2011 as we need to reduce our loan, furnish the Clubhouse, and continue to have "A" grade equipment, so please keep up the great support that we have had.

David Greenwood — Sponsorship & Fundraising

Club House Building Project

Well what a big year it has been!! Some thought it would never come but one only has to walk down to the beach and can see that the Club's long held dream is finally coming to fruition as can be seen below.

In October the State government announced that the Club had been successful in obtaining a \$500,000 grant. In the meantime other major sponsors came on board and after much discussion with Bass Coast Shire Council we were ready to tender out the project.

After wading through a lot of red tape including seeking approvals from many levels of government, signing of agreements, loans and contracts we were in a position to start construction. It was a momentous occasion at the end of the season when the first sod was turned and it was good to see so many of the clubbies attend.

Some had a tinge of sadness but personally I was ready to leave the shipping containers behind. Four days later the builder took possession of the site and got straight into construction.

Just like the Club over the last 11 years, solid foundations have been laid for the building, which we will affectionately know, from 2011, as the Club's spiritual home.

I would like to pass on my many thanks to the committee for supporting the tough decisions that had to be made throughout the year to get to where we are. A special thanks for the eight members who put personal guarantees totalling \$200,000 up for the Club whilst the loan documents were being finalised

In particular I would like to thank the outgoing President, Philippe, for managing the successful grant application and engaging the local community and obtaining their personal and financial support. It certainly made for a compelling case. Thanks Philippe.

Much work still needs to be done over the next five months and if you think that you can help in any way then please contact myself.

I look forward to catching up with many of you on the balcony sipping a nice orange frothy on one of our beautiful summer days this season!

Trevor Dando — Club House Building Manager

INVERLOCH SURF LIFESAVING CLUB

Independent Auditor Report

Scope

We have audited the attached financial report, being a special purpose financial report comprising the Statement by Members of the Committee, Statement of Financial Performance, Statement of Financial Position, and Notes to the Financial Statements for the year ended 31 May 2010 of INVERLOCH SURF LIFESAVING CLUB. The Committee is responsible for the financial report and has determined that the accounting policies used and described in Note 1 to the financial statements which form part of the financial report are appropriate to meet the requirements of the Associations Incorporations Act Victoria and are appropriate to meet the needs of the members. We have conducted an independent audit of this financial report in order to express an opinion on it to the members of INVERLOCH SURF LIFESAVING CLUB. No opinion is expressed as to whether the accounting policies used are appropriate to the needs of the members.

The financial statements have been prepared for the purpose of fulfilling the requirements of the Associations Incorporation Act Victoria. We disclaim any assumption of responsibility for any reliance on this report or on the financial report to which it relates to any person other than the members, or for any purpose other than that for which it was prepared.

Our audit has been conducted in accordance with Australian Auditing Standards. Our procedures included examination, on a test basis, of evidence supporting the amounts and other disclosures in the financial report, and the evaluation of significant accounting estimates. These procedures have been undertaken to form an opinion whether, in all material respects, the financial report is presented fairly in accordance with the accounting policies described in Note 1 so as to present a view which is consistent with our understanding of the association's financial position, and performance as represented by the results of its operations and its cash flows. These policies do not require the application of all Accounting Standards and other mandatory professional reporting requirements in Australia.

The audit opinion expressed in this report has been formed on the above basis.

Audit opinion

In our opinion, the financial report presents fairly, in accordance with the accounting policies described in Note 1 to the financial statements, the financial position of INVERLOCH SURF LIFESAVING CLUB as at 31 May 2010 and the results of its operations for the year then ended.

Signed on :

Andy Forster,
F.C.A.A.
10 Williams Street, Inverloch
