Mission Statement

Inverloch Surf Life Saving Club

P.O. Box 47 Inverloch VIC 3996

Inverloch Surf Life Saving Club

Mission Statement

To provide a safe beach environment for the community at the Inverloch Surf Beach through the provision of an effective volunteer patrolling service. We also strive to offer our members a supportive and team orientated club culture that encourages personal development and friendship.

In achieving our mission our goals are:

- To offer our members sporting, education, personal development, leadership, social and health opportunities.
- To develop happy, healthy and responsible people within our community
- To be a water awareness and beach safety community educator

Core Values

- Inclusive
- Team Orientated
- Healthy Lifestyle
- Encouraging
- Reliable
- Responsible

Developed Nov 2010

President

My first year as President of the club was full of exciting events and rewarding achievements. When Philippe du Plessis did not re stand for the Presidents role, it gave me the opportunity to step up and carry out the role even though I have been here since day one. Maureen and I are the two remaining foundation members serving the club and we are humbled to be the first Life members appointed. I personally thank you all, for the chance to be your President WOW! What a year. !!!!

The Club has gone from strength to strength each year of operation. This year was amazing for all members, when the club members, finally saw the last of the three shipping containers and the birth of the new clubhouse. I am very proud of the achievements of the Inverloch Surf Life Saving Club and its committee members for the dedication to work tirelessly for the aim of building the new clubhouse and now it has happened.

When you build a club, you can obtain funding from Local Government and State Government) sponsors etc, but every building has foundations. The foundations of this club, has been its dedicated members. Great job!!!!

Facilities

The New Clubhouse. A state of the art facility worth \$1.5 mil recently completed will be an asset for the Club members, Inverloch community and visitors who visit the region each summer season, The project commenced 1st April 2010 and was completed Christmas eve (24th Dec 2010) with the builder (Lou Loizou) handing over the completed building 1st Jan 2011.

In conjunction with the Bass Coast Shire, the club was officially opened on Australia Day, 2011. Mr Ken Smith MP opened the club in front of approx 400 people. It was ironic, that Ken opened the club in November 1998 by cutting a ribbon in front of one of the shipping containers.

The members have been using the facility for the summer season and feedback has been very positive. It is " better than the shipping containers " Congratulations to the Building Committee: Trevor Dando, Philippe du Plessis, David Schultz, Alan Bolton, Ross Smith, Barry Hughes for financial advice and many others for their involvement in the project.

I particularly like to thank Trevor Dando for his work as project manager for Bass Coast Shire . Even though construction of the building was Trevor's responsibility for the Bass Coast Shire, he undertook

many tasks after hours to benefit the club.

At the completion of the project there was a shortfall of funding being \$200,000. The club was forced to take out a loan for that amount. The RACV announced recently they would donate \$167,000 to equip the clubhouse. The money has been given to the club for the purchase of furniture and equipment A priority list of purchases has been set up to expend the allocation.

Membership

The club commenced in 1998 with 70 members and 1 active, lifesaver. Today, the club boasts of 534 members and 200 active lifesavers.

Equipment

The club has increased their stock of equipment items as required for the betterment of the club.

Finance

The audited financial statements are included in this report which shows the club is in a good financial position The report shows that some monies has been paid on the outstanding loan.

Competition

At the recent State Titles, held at Lakes Entrance, the club had a strong representation of competitors. Nick Leman and Nick Thomas are to be congratulated being placegetters in their events. I received very positive feedback from Lifesaving Victoria Executive team about the competitors who attended on behalf of the Inverloch club. They are pleased with the progress of our competition teams.

Nippers

The program conducted over three weeks of the summer season continues to grow with more and more interest shown each year. Congratulations to the Managers for the professionalism of the program. The helpers i.e. water safety, parents involved, thank you for your participation.

President

Events

The club conducted three events during summer; The run/walk, kayak race, and the swim, All were very successful and scheduled again next year. Good work to all club members, Neil Thompson (for use of his boat for water safety) Phil & Robyn Ransom and many others who assisted on the weekend.

Thankyou

Again I would like to thank many people in and around the club. The patrolling members for their continued valuable service, during the season, and all patrolled beyond the usual hours expected of them to ensure the club completed all patrol sessions throughout the season. The active members assisted other clubs in the Bass region who experienced difficulties in providing their Lifesaving requirements.

The committee, thank you for your support throughout the year. All members worked hard behind the scenes, to ensure the club was provided with the equipment and facilities to operate. Philippe du Plessis for his work as former President, Barry Hughes (Treasurer), Barry will not be standing due to work commitments. Barry's work as Treasurer has been exceptional and assisted the club with sound with his finance reports. David Greenwood for the valuable work in obtaining continued sponsorship (including RACV Inverloch resort).

Our sponsors, a big thank you! Without you, the club would not be where we are today! Guy Copley, RACV Inverloch, Bendigo Bank, LJ Hooker, Arundel Homes, Foodworks, Inlet Hotel, Inverloch Marine, Paul the Pieman (Paul & Robyn Wood) Rotary – Inverloch, Lions Club- Inverloch

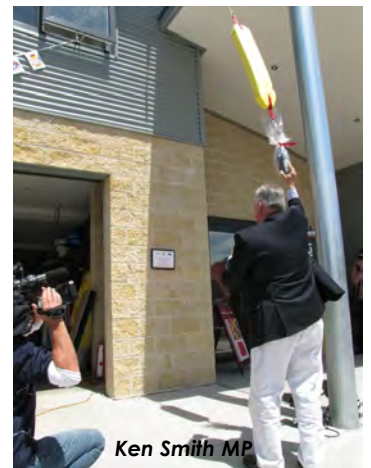

The Future

In the past the club has been continually growing in membership. Patrols are large and members had the opportunity to develop their skills by participating in more beach and board skills. Membership is anticipated to increase in the next five years however we must not “go to sleep “ because we have the clubhouse. The club will be faced with new challenges now the clubhouse is a reality.

Challenges facing the next committee will include;

- Accommodation
- Operational funding
- Planning permit requirements
- Security of “our” asset.

**Alan Bolton
President**

Life Saving Operations

The season of 2010/11 brought the dawn of a new era for the Inverloch Surf Life Saving Club. Everything seemed to come together at once both physically with the building of our clubhouse and developmentally through the lifesaving operations committee, the Invy comp team, the bass district carnival and the emergence of a new great group of young leaders including; Sarah Hull, Maxine Lockie, Stuey Mckenzie, Daniel Dalglish, Brendan Densem, Jess Ransom, Bec Morrie, Jordy Thomas, Tom Malan, Nat Jowett and Teagan Thom.

The patrol roster expanded to five patrols, and our patrol numbers increased to 201 at the end of the season. This is a considerable achievement and reflects the consistent growth we have experienced over the past few seasons.

A massive thank you to our five patrol captains; Daniel Dalgseish, Nat Jowett, Stuey Mckenzie, Maxine Lockie/Sarah Hull and Brendan Swaine/Nick Weisse. We improved as a group our vigilance and delegation skills and worked hard to develop and teach those around us how to be great lifesavers.

It was an extremely busy January period and I sincerely thank everyone who volunteered their time to help out. January 2011 was a massive effort as our club continued to grow. The work load on our patrolling group increased with each patrol rostered onto special event days as well as fundraising days. I am especially grateful for the hard work of the patrol captains for coordinating these days, as this was a bigger effort than ever before. The great thing this summer was that we had the clubhouse to relax and have fun in to compliment our hard work :)

The most pleasing aspect of this season has been the number of members stepping up into roles and doing a great job. Well done to the following people for committing to the club and helping to share the workload:

For the first time in Inverloch's history the club formed a lifesaving operations sub committee (LSOC). Nick Leman instigated the inaugural meeting, which was held on the 25.07.10.

Lifesaving Operations Sub Committee 2010/11

Club Captain and LSOC chair - Nick Leman

Patrol Manager - Sarah Hull

IRB Captain - Lars Reisinger

Gear Stewart - Jake Lurati

First Aid Officer - Brendan Densem

Water Safety Manager - Nat Jowett

Radio Officer – Jake Lurati

Junior Club Captain - Bec Morris & Jess Ransom

The LSOC also had contributions from Luke Foster,

Luke Phillips, Jordy Thomas, Tom Malan, Daniel

Dalglish, Stu Mckenzie, Harvey Jones, Teagan

Thom and Peter Harrison.

The Inverloch SLSC Lifesaving Operations

Committee met on: 25.07.2010, 29.08.2010,

30.10.2010, 19.12.2010, 26.02.2011, 25.04.2011

Major achievements of the LSOC in 2010/11:

- Development of the Inverloch Surf Rescue Program
- Development of the patrol member recognition program.

Inverloch Surf Rescue (ISR) 2010/2011.

- The ISR was developed by the lifesaving operations committee in September 2010. Well done to Nat Wabbis for designing the badges (above)
- Core patrolling members as a group to be referred to as the Inverloch Surf Rescue (ISR)
- Program will ensure minimum patrol requirements are met each patrolling day

Life Saving Operations

Gear Inspection

Jake Lurati managed our gear inspection and did a great job. Brendan Redman Densem really stepped up and did an outstanding job in his first year as first aid officer. Well done Redman fantastic job. Thanks to Rob O'Neill, Luke Phillips and Nick Leman for helping out on the day. Thanks also to Rob O'Neill for his handy work in constructing our new motor trolley.

SEN Radio Interview

In December 2010 Nick did a 30 minute radio segment on SEN1116. Nick represented Life Saving Victoria and the Inverloch SLSC. The segment was on water safety messages leading into summer. Nick was the special guest and discussed topics such as water safety messages, factors relating to drowning, drowning prevention and stats, basic first aid messages, what to do in an emergency and how to get involved in learn to swim programs as well as surf clubs.

Rookie BBQ

The inaugural Rookie BBQ was held on Saturday 8th of January 2011. This was organized by Jordy Thomas and Thomas Malan. The BBQ was a chance for the club to come and meet other new Bronzies and catch up with old mates from the Luther bronze camp and the Inverloch bronze camp.

Bronze Camp

A massive thank you to Cape Paterson for the use of clubhouse for our bronze camp. A huge thank you to all the helpers and a special mention to Maxine for doing a stellar job at leading the camp. In the words of Luke Foster, "Maxine has got the camp running like a well oiled machine!" Go Maxine! Also some big appreciation to the work of Mr Jake Lurati for his tireless efforts and to Angela for doing a whole lot of management tasks and at the same time doing her bronze theory. Amazing thanks also to Robin Ransom, Lorraine Ritchie, Tarryn Thom & Trudy Glasscock for the awesome food.

Inverloch Triathlon November 28th 2010

Inverloch again provided water safety for the Inverloch triathlon. Well done and thanks to Nat Jowett for managing this.

Summer Competition

Luke Phillips and Luke Foster stepped up and developed a great summer comp team this season. These boys did an unbelievable job and are reaching their potential as leaders within our club. The team went to numerous carnivals and had training through the year.

Patrol Member Recognition Program

The program has been developed by our Life Saving Operations sub committee in conjunction with the competition sub committee and is designed to recognize, encourage and reward the hard work of our volunteer patrol members. The program will divide our patrolling members into four groups based on experience and time at the club. We hope the group pathway will give members something to strive for during their time at the Inverloch SLSC. As seasons go by members will progress through the groups, with milestones recognized at the annual presentation night. The Eagles group will be the pinnacle of our club and will recognize those members who have made an outstanding contribution to the club over numerous years.

The four groups are:

1. Grommets
2. Rookies
3. Jaffas
4. Eagles

The program will be phased in over the coming years as such:

2010/11 - all new bronzies to start receiving rookie trucker hats

2011/12 & 2012/13 - Past and present Eagles recognised in retrospect. Jaffas will be recognized in retrospect to present members only that are on current roster

Special Events and Patrol Fundraising Days 2010/11

This year we rostered one patrol to all of our special events (eg: fun run, swim) as water safety and helpers. Each patrol also had a fund-raising day that they were rostered to help out on. We did this to help spread the workload of these days over the 160+ patrolling members on our patrol roster. This helped to ensure the work did not fall on the same shoulders all the time - making our club more sustainable. The expectation was that all patrolling members attend one special event day and one patrol fundraising day. These days counted towards the patrolling members recognition program.

Life Saving Operations

Invy to host Victorian IRB titles July 16&17

For the first time in our history Inverloch will be hosting a Victorian IRB titles. This is a massive honor for the club and we are all thoroughly looking forward to the weekend.

Nat and Chase get gold medallion

Nat Jowett and Chase Lurati became the 8th and 9th Inverloch Members to get their gold medallion. The boys had a great summer lifeguarding. Nick Leman, Jake Lurati and Luke Foster also lifeguarded over January.

Bass District Development Camp:

Inverloch had eight participants in this years Bass District Development camp. These were; Sarah Johns, Nat Wabbis, Cam Harris, Wade Berry, Lucas Jurey, Jack Stringer, Pranni Harrison and Daniel Allwood

To the future

The Inverloch Surf Life Saving Club is growing rapidly. We need to continue to develop the youth of our club into the leaders of tomorrow while recognizing the efforts of our current leaders.

Nick Leman
Club Captain

King and Queen of Invy Wrap and Results

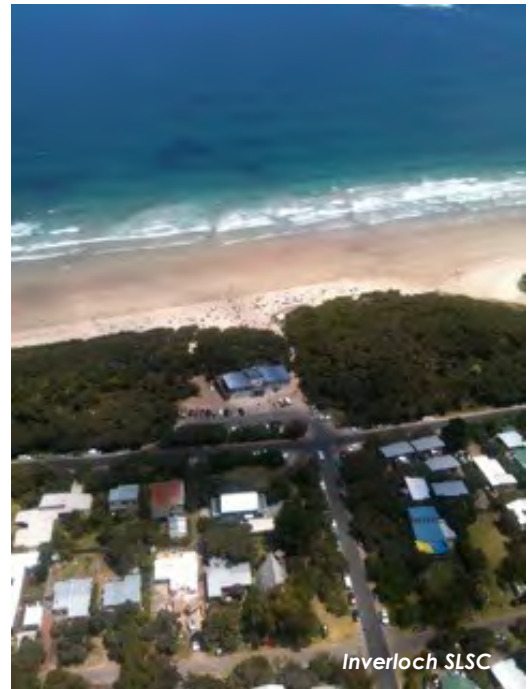

The inaugural King & Queen of Invy has been and gone, with some great performances but most importantly a lot of people participating for fun and in the process raising almost \$4,000 for the new Surf Lifesaving Clubhouse. Luke Bell a professional ironman triathlete took out the 'King of Invy' title with a dominant run and strong swim. Kelli Van de Water from Half Moon Bay SLSC set up her 'Queen of Invy' title with solid win in the paddle in tough conditions, she also placed very well in the swim.

Thanks to everyone who helped out over the weekend with water safety, timing, first aid, registrations, catering, set up and pack up, it's a big effort running an event let alone three. The club demonstrated that it can hold a big event to draw competitors and spectators from all over the state. The Australia Day weekend 'King & Queen of Invy' will be a big annual fundraiser for the club and show what a great club ISLSC really is.

Next year we will have an electronic timing system, 12 months to prepare and the experience of running the event, so expect bigger and better. It would be great to see more ISLSC members out there racing in the club kit, you've got a year to train up!

For Full Results go to www.islsc.org.au

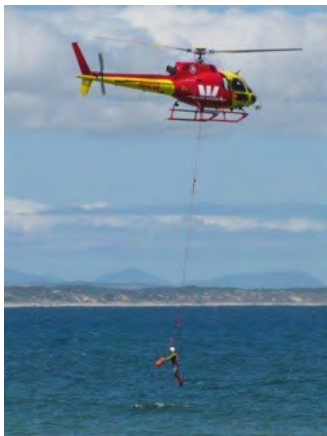

Liam Delany

Life Saving Operations

Westpac Rescue Helicopter Crew

Nick Leman was accepted into the Westpac Rescue Helicopter Crew in October 2010. Nick worked through the summer in the chopper as a rescue crew patrolling the Victorian coastline. Both Lifesaver 6 and Lifesaver 7 Helicopters came to Inverloch for the clubhouse opening and showed off their capabilities with some rescue demonstrations on the Inverloch

Westpac Helicopter & Crew

Surf Life Saving Australia Awards of Excellence

As our Club Captain I had the opportunity to represent Inverloch and Victoria at the Surf Lifesaving Australia Awards of Excellence. I have developed from a young fella doing nippers and my SRC, to representing Victoria at a national awards ceremony.

As Victoria's representative I was required to undergo an interview process. I had to give a 3 minute talk on public safety and drowning prevention. It also provided me with an opportunity to have a good yarn about many topics including member retention, club culture, member recognition, club policy, challenges facing the association, the governance and direction of SLSA. The interviewing panel were very impressed with the progress of Inverloch surf club considering the conditions we have performed under.

I was unsuccessful and was disappointed for myself but most of all for our club, However was assured by many attending the awards it was a very close race between myself and the rep from QLD. Overall it was an amazing experience. I'm feel really proud of myself and even more so of our club. **Nick Leman**

2010 AWARDS OF EXCELLENCE

Life Saving Victoria, Awards of Excellence recognise volunteers and athletes from across the state for their achievements and contribution to excellence in lifesaving in Victoria.

Inverloch SLSC was nominated for 3 awards. Nick Leman was nominated for Lifesaver of the Year, the John Wishart medal. Trevor Dando was nominated for Volunteer of the Year, the Graeme Long medal, and the club was nominated for Administration Club of the Year. We weren't successful in any of these categories but we should be very proud of all the nominees and our club. Inverloch was represented at the night by 22 of our committee and active members who had a great night and were most definitely the best club on the dance floor.

The most exciting outcome of the LSV awards is that Nick was asked by Life Saving Victoria to represent Victoria at the Surf Life Saving Australia Awards of Excellence in the category of Australian Life saver of the Year. This was a huge honour for Nick as he represented Victoria and our club.

Nick & his Mum Heather

ISLSC Chief Instructors' Report - Season 2010/11

The 2010/11 season has been an exciting one for the Club and Training in particular. It was an absolute pleasure being able to conduct the first official training session in the new clubhouse in January this year. What a huge leap forward from training under a couple of Ti Trees exposed to the elements and accompanied by the local rodents!

Membership growth slowed significantly this year but despite this there was unprecedented growth in the number of awards gained. This was primarily due to multiple awards being offered at Bronze camp and ongoing efforts to gain more ARTC and IRB awards. For the first time the number of active members passed the 200 mark, a significant milestone for the club and reflects the continued high retention rate with a record number of proficiencies again this season.

I would like to take this opportunity to acknowledge some of the standout awards and achievements for the season:

- Jake Lurati as the recipient of the Chief Instructors' award this season for his contribution to all areas of training including Bronze Camp, ARTC, IRB Driver and crew awards. Well done Jake.
- Luther Bronze Camp with **38** new awards. Thanks to the Luther team. We look forward to moving the camp to the Invy clubhouse for the first time this year.
- ISLSC Bronze Camp with **62** new awards. A record number of awards for the camp. Thanks to Maxine Lockie and the entire Bronze camp team and very special thanks to the catering and support crew; Lorraine Ritchie, Tarryn Thom, Robyn Ransom and Trudy Glasscock who provided the best food ever seen at Bronze camp and to Angela Malan who as well as being a candidate provided patient transport and help and guidance. Thanks also to Cape Paterson SLSC for hosting us at the last minute.
- Bass District Development Camp with **28** new awards. Thanks to the District Team and Waratah SLSC for hosting the camp.
- **16** Nipper program graduates gained their SRC (double last season). In addition, **11** ex nippers completed their Bronze medallion continuing the growth of one of our key development paths. All made a big contribution to patrols over summer.
- Chase Lurati and Nat Jowett gained their Gold Medallions. We now have 6 active Gold Medal holders in the club.

Thanks again to everyone who made the season an outstanding success.

Chris Malan
Chief Instructor

Youth & Leadership Development

INVERLOCH SLSC JUNIOR REPORT

During season 2010-11 the Inverloch juniors have been extremely active. From 140 Nippers, YIP's and former Nippers gaining qualifications all members under the age of 18 have been very busy around the club.

The Nipper program once again was at capacity and we were also extremely lucky to have access to the garage of the new clubhouse from the second week of the program. The program was a huge success and this is due to the many volunteers who donate their time. Without the support of Age Managers, Assistant Age Managers, parent support and water safety officers we would not be able to guarantee the safety of the many children on the beach and provide a comprehensive Surf Education program.

Special mention must be made of the patrollers who act as our water safety. Many of these actives are former Nippers themselves and understand the importance of providing a safe aquatic environment. Our average water safety numbers were 38 per day, which is a fantastic turnout and made the task of placing 140 children in the water a far less stressful task.

Many thanks to Gayle Morris and her team of parent helpers in running a very successful BBQ each day. The success of the BBQ enables us to purchase new boards and equipment for the next season. The proceeds of last seasons BBQ enabled us to purchase 2 large soft Bennett boards, which were a huge success with the older age groups. Thank you also to Ian Venables for his maintenance of boards and equipment, a very important ongoing task.

Some highlights of the Nipper program were the Pancake Breakfast held to thank water safety for their contribution, a very popular initiative set to become an annual event. The inaugural Inverloch SLSC and Venus Bay SLSC Nipper Carnival held at Venus Bay on the 12th January. The shield was won by Inverloch, a great achievement to beat Venus Bay on their beach. This carnival is to become an annual event. Inverloch hosted the Eastern Regional carnival on the 15th January and went on to win many first and second places. Placing a first or second enabled these teams to qualify to compete at the State Championships in March.

A particular highlight to many committee members was holding the Nipper presentation night at the new clubhouse. A fantastic turnout of 150+ nippers and families celebrated a wonderful Nipper program and the many achievements of our Nippers and the announcement of Nippers of the Year – Olivia Hughes and Hamish Bissett.

A new initiative this season was junior competition training sessions held over the January period. These sessions were initiated and run by Thomas Malan and Jordan Tomas. The sessions enabled new bronzies, SRC's and under 13 and 14 Nippers to work on their surf skills and introduce them to competition team training. The sessions were a great success and were very well attended. Many thanks to Thomas and Jordan for this initiative and we hope to expand competition training to other Nipper age groups next season.

The final highlight of a very busy Nipper season was the participation of 9 Nippers at the State Championships held at Lakes Entrance in March. This was the biggest team Inverloch has sent to a State Titles for many years and the Nippers did the Inverloch name proud.

Youth & Leadership Development

Under challenging beach conditions they did their very best and placed extremely well against some more experienced clubs. Nicholas Thomas is to be congratulated on receiving a silver medal in the 1k run. Many thanks to the parents who gave up their long weekend to take their children to Lakes Entrance and a special thanks to Rob O'Neill for taking on the Team Manager role.

The ongoing success of Nippers and our club lies with the progression of Nippers gaining awards and becoming patrolling members. This season 16 Nippers gained their SRC award and 11 ex Nippers their bronze medallion. Other ex Nippers have been appointed Vice Captains of their patrol and been targeted as future leaders of our club.

The new clubhouse allowed us to hold social events for various age groups within the club and foster a sense of belonging to Inverloch SLSC. The first of these was the Rookie BBQ held to introduce all new bronze medallion holders to each other and meet other patrolling members within the club. The second was a SRC trivia night with a tropical beach theme. Many thanks to Junior Club Captains, Bec and Jess, for organizing this night. Both of these nights were a success and will be continued next season.

Jasmine Wightman and Emily Robinson represented Inverloch SLSC at the LSV Under 15 Development camp, which was held at Yellingbo in the April school holidays. The girls made the most of the opportunity to develop leadership skills and made new lifesaving friends from around the state.

The Youth Involvement program YIP's) continues to be a huge success for Inverloch. This program is geared towards ensuring the ongoing participation of the 13-18 year age bracket through involvement in all areas of the club under the guidance of coordinator Jane Markesich. We were very pleased this season to award Holly du Plessis and Thomas Malan with their gold YIP awards.

We look forward to season 2011-12 with much excitement as our club continues to grow and prosper. Many thanks to the general committee for their support, the Nipper committee for their hard work, Nippers and their families and all our helpers for their ongoing support and enthusiasm. See you all at the beach!

Angela Malan
Vice President Youth and Leadership Development

YOUTH INVOLVEMENT PROGRAM- YIP's

The Youth Involvement Program has been running for four seasons under the co-ordination of Kirsty Evans. In February 2011 Kirsty retired from the role, and I continued her work. As the YIPs co-ordinator I've spent the earlier part of the year getting to know YIPs participants and discussing ways to further involve them in the program. The season began with twenty people enrolled in the program which increased to twenty four participants over the length of the season. The award winners for the 2011 year are:

Bronze level recipients:

Kelsey Buxton, Joshua Truman, Brad Venables, Jasmine Wightman, Zoe Younger, Emily Shand

Silver Level recipients:

Lindsey Ritchie, Ben Ellis

Gold Level recipients:

For the first time in our club history there were also YIP participants who received the Gold YIP ranking. Two people were presented with these awards: Holly Du Plessis and Thomas Malan. The attainment of these awards involved active participation and contribution to the club over several years, including over fifty hours of patrolling and two significant community projects benefiting the club. Congratulations Holly and Thomas.

I look forward to working with the YIPs next season and encouraging all young club members to explore the opportunities the club offers.

Jane Markesich
YIP's Coordinator

Nippers Water Safety Team

Competition

Inverloch Competition Reports

The 2010/11 season saw Inverloch SLSC take several huge leaps forward, one of these giant achievements which has been much overshadowed by the completion of the club house was the successful launch of the summer competition team.

Luke Foster and Luke Phillips (Luke x2) worked extremely hard behind the scenes organising coaching sessions and making arrangements to enable the team to compete.

Inverloch's competition teams across the board had excellent attendance at all training sessions and events they attended. The overwhelming enthusiasm to compete and become more widely involved in the Victorian lifesaving scene is only too evident.

For those of you who have not have the opportunity to train or compete for Inverloch I suggest you send an email to the coordinators of the competition team that you would most like to compete with become involved with a team for the 2011/12 season.

Summer Competition Team

The competition team in its first season attended 4 LSV supported carnivals (Ocean Grove, Anglesea, Lorne & Lakes Entrance) and a handful of other events such as the Bass District Carnival, The Cape Aquathon and The San Remo Channel Challenge just to name a few.

Ocean Grove Carnival

The competition team set off with one primary goal for this carnival – we wanted every competitor to be able to look each other (and themselves!!) in the eye and be fully confident that they have given 100%. Regardless of the result, first, last or anything in between; we simply wanted to do our best, overcome our nerves and enjoy ourselves. And this we did!! There were 10 competitors representing ISLSC at our first event of the season with our best result being a 2nd place, and three 3rd placing's also recorded.

Anglesea Carnival

This was another big day for ISLSC with 22 competitors, 2 officials and 2 team managers all contributing to a fantastic day's events. Never did we imagine that 22 competitors would compete for Invy in just our first season with the official competition team; however we did it and did it with great pride. We focused on improving our average events per competitor and improvement was made with the average event per

competitor rising to 4. Impressively we took home a first place pennant and a large number of placing's from a fantastic days work.

Lorne Carnival

Lorne has been a great stomping ground for ISLSC with a couple of members entering states in 2005, and a couple of members tasting success in 2010. There were only 9 competitors present at Lorne which was our lowest for the season, and below our goal of 10 at each carnival however they made up for it in competitive spirit!! We again had a great average of 4 events per person, and a number of placing's including a 3rd place from a rookie, Nick Thomas who only 2 weeks prior gained his bronze.

Lakes Entrance – Victorian Championships

This was the proudest moment of the season for many members. There were three things that made me feel so incredibly happy and full of pride to be an Inverloch member;

- Having an Inverloch member win the first ever medal at a state championships was a massive moment for this club. Seeing Nick come home in 3rd (later upgraded to 2nd) place in the 2km run was an amazing achievement and the embrace from the Inverloch group afterwards was priceless. You could see what this meant for the group and signalled a huge positive spirit flow through everyone for the days to come.

- Secondly, having the largest number of competitors ever to represent Inverloch at a State Titles gave me great fulfilment. If someone told me at the start of the season that we would have 11 competitors, come home with a silver medal and have three different competitors make finals at state champs; I doubt I (let alone anyone else!!) would have believed them!!

Kinds Regards,

Luke Foster and Luke Phillips

Summer Competition Team Coordinators

Competition

Bass District Carnival - Jan 15th 2011

Thanks to everyone who came to the Bass District Carnival on Saturday January 15th at the Inverloch Surf Beach. I'm happy to say we had **120 competitors!!** This is up from 18 the previous year! This really shows how competition is progressing in our district and is a great sign for the future of the bass carnival and will hopefully result in more bass clubs going to state senior carnivals.

The break down of competitors were:

Under 15's - 18 Under 17's - 25
Under 19's - 30 Open - 36 Masters - 11

The final results were:

Inverloch - 333pts
Venus Bay - 313pts
Woolamai - 292pts
Waratah - 242pts
Cape Paterson - 165pts

The key to the success of the day was the amazing support I received from all clubs. I think this really shows how tight our district is becoming and how we are all there to help each other out.

Special thanks to

- Mick Sullivan and Jess Bowman for their help behind the scenes
- Craig Ross for his ongoing support and massive amount of work in running the beach section all day
- Alex Pinaue, Claire Stenihouse, Dana de Bondt, Troy Ross, Kim Stewart, Luke Foster, Luke Phillips, Danny Hardisty, Dharsh, Rusty Stewart, Tom Malan and Jordy Thomas for rallying the competitors from their respective clubs.
- Cape for supplying the IRB
- Nicole Xubra and Saggy for doing water safety along with Nick Foony
- To all the officials, especially Craig Ross, Benny Poyton, Tarryn Thom, Jess Bowman, Jo Talman, Rick Mitchell
- Thanks to Invy Patrol 4 and patrol captain Maxine Lockie for being the carnival patrol
- To Heather Kerr and Maureen for catering for the after function
- To the Inverloch committee for supporting me in hosting the carnival and the after function

The after function was attended by about 100 people and I thought was a really nice was for us all to socialise after the carnival. Thanks again for everyone's support. Looking forward to next years carnival.

Nick Leman
Bass District Carnival Organiser

Club Championships

Competitors converged on the brand new Inverloch Clubhouse for the first time at a Club Championship Event with great excitement and angst; fully loaded with carbs, ready to rock and roll. Unfortunately the soothing rain delayed the start by 30 minutes, however this did not deter the athletes who were ready to lay it all on the line.

The dark storm soon passed, as the first events, the board and beach flags took place. Highlights in the beach flags included Sam Cresswell's unexpected come from behind win, whilst the lowlights were Stu McKenzie bowing out in the 2nd heat. Special mentions go to Nat Wabbis who competed in the Board event with great poise, as did Holly and Georgia Du Plessis.

In the swim event, Tom Moore blitzed the competition and proved that he is a step above the rest when it comes to swimming. He swam in the Open Mens instead of the U/18s and left the 4 time reigning club champion, Nick Leman in his wake!! The Thom girls battled it out for bragging rights in the swim as Tarryn caught Teagan by the wayside, and won the battle of the ocean.

The board rescue was a great event with the typical Inverloch spirit showing through as everyone had a good laugh, some fun and charged some monster waves ending up in a few whirling dervishes'. Congratulations go to Sarah Johns who gave her all in trying to get out past the break and kept telling herself that 'she'll be alright.'

The ski event belongs to Alex Kid Judd who demolished the field and did a couple of laps of the course whilst the rest of the group thought they'd never see the sun again!! Thanks to Ian Venables who bought down a couple of Ski's and well done to Stu who gave it a good crack.

The ever reliable everlast bunny, Nick Leman, showed that his half iron man training is finally paying off as he annihilated the pack, however he may have been outshone by Jed's hot body as he came charging out of the water and had all the women swooning!! Sarah couldn't get her head out of her hands as she was blushing like no other.

After an absolute pearler of a day, things were topped off with an awe inspiring 2km run. All competitors who ran the 2km should be commended and feel very proud of themselves after finishing the tough day in such tough fashion.

Competition

Overall, it can be concluded that this year's club champs was the best yet. Loads of hard work went into setting up the event and big thanks go to Angela Malan, David Greenwood, Tarryn Thom, Benny P and Peter Harrison for their tireless work and various jobs that they undertook. Thanks also to the water safety captain Rob 'SOC' O'Neil and his team of hard workers who braved the elements throughout the day – your work is always valued and never goes unnoticed. Special mentions to Cam Haddis and his mentor Club Captain Nick Leman who proved a great time in organizing the event and running it like a well-oiled machine. Without efforts from these 2, the day wouldn't have even gone ahead and even though Haddis thought he had 'bit off more than he could chew' it was great to see the young street kid step up to the plate. Thanks to the age group managers and everyone else who put in effort setting up and packing up, your efforts were much appreciated.

Already next year's club champs look to be shaping up to a big one with many fingernails scratching at the dry wall for individuals to go one better and win the elusive club champion trophy!!

Luke Foster and Cameron Harris

Club Championship Results 2010-2011—April 24

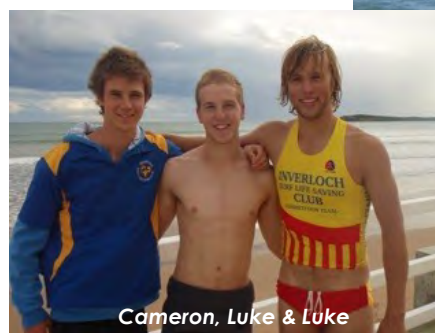

Open Men Jed Hughes 22 pts Nick Leman and Sam Cresswell 21 pts
Open Female Teagan Thom 29 pts Nat Wabbis 28 pts Sarah Johns 18 pts

Luke Phillips

Cameron, Luke & Luke

Surfboat Crew

This season saw the formation of a Masters women's surfboat team including Captain Michelle Roberts, Nicole Hassall, Angela Malan, Rosie Markesich, Kirsty Evans and Fiona Hughes with training sweep Geoff Allum. Michelle formed a relationship with the Women's Masters Team from Lakes Entrance and buoyed by her excitement they generously gave her a boat to develop our own Invy Boat Crew #1. The crew has also been kindly assisted by Trevor Clausens (Woolami) and Dave Ferguson (Mornington) both extremely experienced sweeps. The team are training hard in and out of the water and looking forward to competing next season.

Inverloch Boat Crew #1

Competition

IRB Racing – Season 2011

2011 again saw “The Flying Squad” set more milestones to go in the Invy history books.....

We completed a full season of carnivals competing at South Melbourne, Wye River, Anglesea and Apollo Bay. Although we had moderate success making it through the heats to the Semi's most times, boat speed became the telling factor of the season. Even with new motors it seems that 10-12 year old boats just don't have the 'right stuff' anymore and we must now look to retiring our old faithfuls back to Patrols and invest in some more up to date dedicated racing hull type boat(s).....live and learn!!

The Team had 4 new faces this year and these “Rookies” have performed admirably in their first season of racing. Chris Head showed his driving skills have not diminished over the years by stepping into a driving role with Nick Leman (crew) and regularly punched out a semi-final birth over the course of the season. Max Rounds crewed brilliantly for Lars and we expect big things from this capable young man in the coming years. The baby of the group Elyshia Symons took to racing like a duck to water (pardon the pun) and proved that Pocket Rockets can hold their own anytime, anywhere.....

A new award holder this season, Nat Wabbis jumped in boots and all for IRB's heading straight to racing while the ink was still drying on her crew qualification. Always eager and keen to get in the water you couldn't ask for more in a Team member!!

At the request of the State Powerboat Officer (last year) we were lucky enough to host the Victorian State Championships at Inverloch mid-July this year. Invy turned on a cracker of a weekend and whilst we didn't medal in the racing, the club as a whole proved that we can put on a big event and we can do it well. To date I have had nothing but compliments from all involved in IRB Racing from all over the State.

Max & Lars

The other milestone this year was our (first ever) trip to an Australian Titles. Think of jumping from VFL to AFL footy and you get the idea. Queensland clubs with money to burn, NSW clubs with the best gear on show and a plethora of smaller clubs having a crack at the big time. Unfortunately we didn't make it through to the Sunday (Semi's and finals) but the experience and knowledge gained was invaluable and has only strengthened our resolve. It was our first trip to the Aussie's but it won't be our last, that's for sure!!

Finally, this will be my last report as Coach of the Flying Squad. The time has come to hand the reigns over to the next generation. My sincerest thanks to all those who helped make the IRB Racing Team idea become a reality. The committee who gave us the dollars to get started 3 years ago. The parents who travel all over the State and now Country to get their kids to training and competitions. To all those volunteers who helped make the State Titles such a huge success. **THANK YOU!!** Whilst I will still be involved with IRB's in an Official capacity I now pass the baton onto Jake and Lars and urge you all to support them as much as you have me. The Team couldn't be in better hands and I look forward to seeing them and the rest of the Flying Squad in action for many years to come.

Rob O'Neill
Head Coach – The Flying Squad
IRB Racing
Inverloch S.L.S.C.

2011 Aussies

Sponsorship & Fundraising

Sponsorship and Fundraising 2010-2011

This season has been our most successful yet in regards to Sponsorship and Fundraising. Special mention needs to go to the efforts of the Competition Team and Gayle Morris for their ongoing commitment to Melbourne Tin Rattle and the Nippers BBQ respectively.

Sponsorship

First I like to recognize the ongoing commitment of our Platinum Sponsors, Bendigo Bank, LJ Hooker and the RACV. These sponsors have made a major ongoing commitment to the club, and through this ensure that we stay financially viable.

This year we also had Arundel Constructions and Inverloch Marine join the club as sponsors, and we thank them for their contribution.

Last but not least was the wonderful donation of \$167,000 from the RACV, to fit out the clubhouse. This money has ensured that we not only have a great clubhouse, also reduce our debt.

Fundraising

This year the commitment from so many people in the club, has ensured that we raised more money than ever before. With our annual fundraising activities, Nippers BBQ, Jazz Festival, Food and Wine Festival, New Years Eve Tin Rattle and the Melbourne Tin Rattles and the introduction of the Big 4 BBQ's has lifted our income. The use of the patrols and the volunteer parents to assist with all the activities above has ensured that we have achieved the maximum results for our endeavors.

This year we again had a Ball, which proved a great success, and hopefully this becomes a yearly event. Thanks to all who assisted with the organisation of the event, and to Plunkett Fowles for the donation of the wine for the evening.

The continuation of the Inverloch Run and Swim and the introduction of the paddle again proved a success, and I'd like to thank Liam Delany from Vigor Fitness who took over the organisation of these events at the last minute. Also to the Patrols that ensured that all competitors were safe.

We also thank the following organisations that have contributed to the club:

Inverloch Lions Club
Inverloch Foodworks
Inverloch Surfside Retreat

Inverloch Rotary Club
Inverloch Quality Butchers
Paul the Pieman

All the sponsors of the Fun Run and Swim Events

I look forward to the continuation of all the activities that we are committed to, ensuring our financial future. **David Greenwood - Sponsorship & Fundraising**

Notes to the Financial Statements

For the year ended 31 May 2011

Note 1: Summary of Significant Accounting Policies

This financial report is a special purpose financial report prepared in order to satisfy the financial reporting requirements of the Associations Incorporations Act . The committee has determined that the association is not a reporting entity.

The financial report has been prepared on an accruals basis and is based on historical costs and does not take into account changing money values or, except where specifically stated, current valuations of non-current assets.

The following significant accounting policies, which are consistent with the previous period unless otherwise stated, have been adopted in the preparation of this financial report.

(a) Property, Plant and Equipment (PPE)

Leasehold improvements and office equipment are carried at cost less, where applicable, any accumulated depreciation.

The depreciable amount of all PPE is depreciated over the useful lives of the assets to the association commencing from the time the asset is held ready for use.

Leasehold improvements are amortised over the shorter of either the unexpired period of the lease or the estimated useful lives of the improvements.

(b) Impairment of Assets

At the end of each reporting period, the entity reviews the carrying values of its tangible and intangible assets to determine whether there is any indication that those assets have been impaired. If such an indication exists, the recoverable amount of the asset, being the higher of the asset's fair value less costs to sell and value in use, is compared to the asset's carrying value. Any excess of the asset's carrying value over its recoverable amount is expensed to the income statement.

(c) Provisions

Provisions are recognised when the association has a legal or constructive obligation, as a result of past events, for which it is probable that an outflow of economic benefits will result and that outflow can be reasonably measured. Provisions are measured at the best estimate of the amounts required to settle the obligation at the end of the reporting period.

(d) Cash and Cash Equivalents

Cash and cash equivalents include cash on hand, deposits held at call with banks, and other short-term highly liquid investments with original maturities of three months or less.

(e) Revenue and Other Income

Revenue is measured at the fair value of the consideration received or receivable after taking into account any trade discounts and volume rebates allowed. For this purpose, deferred consideration is not discounted to present values when recognising revenue.

INVERLOCH SURF LIFESAVING CLUB

Notes to the Financial Statements

For the year ended 31 May 2011

Interest revenue is recognised using the effective interest rate method, which for floating rate financial assets is the rate inherent in the instrument. Dividend revenue is recognised when the right to receive a dividend has been established.

Grant and donation income is recognised when the entity obtains control over the funds, which is generally at the time of receipt.

All revenue is stated net of the amount of goods and services tax (GST).

(f) Leases

Leases of PPE, where substantially all the risks and benefits incidental to the ownership of the asset, but not the legal ownership, are transferred to the association, are classified as finance leases.

Finance leases are capitalised by recording an asset and a liability at the lower of the amounts equal to the fair value of the leased property or the present value of the minimum lease payments, including any guaranteed residual values. Lease payments are allocated between the reduction of the lease liability and the lease interest expense for that period.

Leased assets are depreciated on a straight line basis over the shorter of their estimated useful lives or the lease term. Lease payments for operating leases, where substantially all the risks and benefits remain with the lessor, are charged as expenses in the period in which they are incurred.

(g) Goods and Services Tax (GST)

Revenues, expenses and assets are recognised net of the amount of GST, except where the amount of GST incurred is not recoverable from the Tax Office. In these circumstances, the GST is recognised as part of the cost of acquisition of the asset or as part of an item of the expense. Receivables and payables in the assets and liabilities statement are shown inclusive of GST.

(h) Investments

Investments held are originally recognised at cost, which includes transaction costs. They are subsequently measured at fair value which is equivalent to their market bid price at the end of the reporting period. Movements in fair value are recognised through an equity reserve.

Report on the Financial Report

We have audited the accompanying financial report, being a special purpose financial report, of INVERLOCH SURF LIFESAVING CLUB (the association), which comprises the Statement by Members of the Committee, Income and Expenditure Statement, Balance Sheet, notes comprising a summary of significant accounting policies and other explanatory notes for the financial year ended 31 May 2011.

Committee's Responsibility for the Financial Report

The committee of INVERLOCH SURF LIFESAVING CLUB are responsible for the preparation of the financial report and have determined that the basis of preparation described in Note 1, is appropriate to meet the requirements of the Associations Incorporation Act and is appropriate to meet the needs of the members. The committee's responsibilities also includes such internal control as the committee determine is necessary to enable the preparation of a financial report that is free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on the financial report based on our audit. We have conducted our audit in accordance with Australian Auditing Standards. Those Standards require that we comply with relevant ethical requirements relating to audit engagements and plan and perform the audit to obtain reasonable assurance whether the financial report is free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial report. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial report, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the association's preparation of the financial report that gives a true and fair view, in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the association's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by the committee, as well as evaluating the overall presentation of the financial report.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Auditor's Opinion

In our opinion, the financial report presents fairly, in all material respects, the financial position of INVERLOCH SURF LIFESAVING CLUB as at 31 May 2011 and its financial performance for the year then ended in accordance with the accounting policies described in Note 1 to the financial statements, and the Associations Incorporation Act.

The accompanying notes form part of these financial statements.

INVERLOCH SURF LIFESAVING CLUB

Independent Auditor Report

Basis of Accounting

Without modifying our opinion, we draw attention to Note 1 to the financial report, which describes the basis of accounting. The financial report has been prepared to assist INVERLOCH SURF LIFESAVING CLUB to meet the requirements of the Associations Incorporation Act . As a result, the financial report may not be suitable for another purpose.

Signed on :

Andy Forster,
F.C.A.A.
10 Williams Street, Inverloch
